NEW BUILDING TO GO TEN STORIES

Rumors Confirmed That Mayo Structure Will Be Skyscraper.

TOTAL FOR MONTH BIG

Permit Showing Large With New Apartment Planned; Many New Homes

Final announcement was made yesterday of the decision of C. A. Mayo, owner of the Mayo building, Fifth and Main, to build the new building at Fifth and Boulder to 10 stories instead of five as it stands at present. Work is now in progress on the sixth floor and construction of the other floors will follow at once.

The new plans make possible the addition of 150 offices to the building in the six upper floors.

John E. Rodgers announced yesterday that he will build a three-story apartment house at 1613 South Carson at a cost of $100,000. A permit for the structure has not yet been issued, although it is planned to complete the apartment by August 1.

Building permits issued yesterday by Tom Clark, city building inspector, totaling $38,100 bring the total for the month so far to $309,100, not including the cost of the additional stories on the new Mayo building, nor the $100,000 apartment to be erected on South Carson.

Permits issued yesterday follow: W. R. McLeod, 304 North Exeter, $1,000 residence; G. D. Morrow & Son, 1217 South Owasso, $10,000 residence and garage; O. A. Glenow, 1707 West Cameron, garage, $500; John E. Rodgers, 1744 South Carson, repairs, $1,000; J. B. Steele, 1209 South Newport, garage, $1,500; H. M. Gillmore, 2619 East Seventh, residence, $500; J. C. Reddin, 1539 South Norfolk, residence, $10,000; J. C. Reddin, 1511 South Utica, residence and garage, $6,300; J. C. Reddin, 1515 South Utica, residence and garage, $6,300; Trimble heirs, 1404 West Archer, residence, $500; Trimble heirs, 1406 West Archer, residence, $500.

AGAIN THE H. C. OF L.

Mother of Wealthy Child Claims Her $200 Allowance Insufficient.

Asking the court to award her a monthly income of $500 for the support of herself and minor child, petition was filed in district court yesterday by Mrs. Gladys Watson, mother of Benjamin Vance jr., a five-year-old boy who will inherit approximately half a million dollars.

Custody of the child was awarded to the mother two weeks ago in habeas corpus hearing in which the grandfather of the boy, William Vance, trustee of the estate, sought control of the child. After winning the suit the mother shows to the court that the presen allowance of $200 a month is not sufficient for the support of herself and the child and asks that the court award her $500 a month.

COURT HAD NO JURISDICTION.

Prosecution Halted — Crime Was Committed in Other County.

Continuance was taken yesterday in the case of the state of Oklahoma against Frank Wilburn, a negro charged with the theft of a horse, the court having found the offense to have been committed in Okmulgee county. The case was continued to allow authorities opportunity to notify the Okmulgee county officials.

Wilburn is accused of stealing the horse from Orville Connor, living near Leonard. It was shown, however, that the animal was in a pasture in Okmulgee county at the time the theft occurred, which placed the prosecution out of the jurisdiction of the Tulsa county courts.

Giles Bound Over for Trial.

H. J. Giles, a negro charged with stealing four automobile tire casings valued at $120 from the Midco Tire company of this city January 30, was bound over for trial in district court at the close of his preliminary hearing yesterday before Justice H. J. Gray. Giles was released on bond of $1,000 for appearance in district court.

Drug Stock and Fixtures For Sale At Bargain

My lease expires April 1st—no other desirable location is available now—I must sell IMMEDIATELY my complete stock of drugs and drug store fixtures.

I offer: A clean, up-to-date stock of drugs; many fast selling advertized proprietary lines and specialties; handsome solid oak fixtures, finished in mahogany; a beautiful 24-foot Onyx liquid fountain, the best in Oklahoma City. Total stock and fixtures valued at about $14,000.

This is an exceptional opportunity for one who can act quickly. There have been many big advances in drug prices, also fixtures have greatly advanced in price since these were bought. It would cost $20,000 or more to duplicate this stock and fixtures today.

Will sell or will trade for city or farm property. Prefer to sell all in one lot, but will sell stock and fixtures separately if no single buyer. Act NOW as everything must be disposed of by April 1st.

Write, wire or come—TODAY!

City Auditor Race in Tulsa Narrows Down When Two More Quit

Charles F. Burke, present city auditor, and J. L. Shaughnessy, candidate for the office in the democratic primaries, both announced yesterday that they had withdrawn their names from the race. Hattie May Purdy also said in a letter saying that she would drop out. All of the "quitters" are democrats. Only two democrats now remain in the race against the two republicans. L. H. Moore and J. G. Reichel are the democrats and Mrs. Frank Seaman and Mrs. Francis H. Harvey are the republicans.

MINOR OFFENSES IN COURT

Several Fines and a Few Jail Terms Awarded Offenders Yesterday.

Mary Padilio, negro, was fined $10 and costs for possession of moonshine, in municipal court yesterday. It was asserted by officers Jim Patton, Henry Carmichael and Henry Wolfe, who arrested Mary at her East First street house, that she had about five gallons of the brew.

Will Street was given thirty days in the city jail on a petit larceny charge. Joe Feenburg and Charles A. Porter forfeited $5 bonds after a charge of running over a fire hose had been placed against them by Jack Breen of the fire department.

Charles Atkinson was sentenced $50 and costs and 50 days in jail for vagrancy. W. M. O'Leary was assessed $10 and costs with a 10-day sentence on top of it. Last night Detective Chief Grant Pilkington said that a state charge of grand larceny would be placed against O'Leary today for the theft of several suits of clothing from the office of Dr. H. A. Jergensen, 204 Auditorium building, several days ago.

WILKERSON WAIVES TRIAL

Returned From Texas Is Bound Over to District Court.

Max Wilkerson, charged jointly with Lawrence Chaney, with robbery of L. C. Williams and E. W. Fisher at the Fisher grocery store on the night of December 6, 1919, waived preliminary hearing yesterday before Justice H. J. Gray, and made bond of $1,000 for appearance before district court for trial.

Williams and Fisher, owners of the store at 1524 Hodge street, claim the two youths entered their place of business late at night, took $1.50 from the cash register and a watch and other jewelry from both men. Chaney was released on bond several weeks ago after waiving preliminary hearing, and Wilkerson was last week returned to this city from Sherman, Texas, where he was arrested by Texas authorities on another charge.

HOLD NEGRO DIDN'T STEAL

Scott Found Not Guilty of Taking One $50 Bills From Office.

Found not guilty of stealing $45 from a downtown office on March 1, Walter Scott, a negro bank runner for a local bank of this city, was discharged at his preliminary hearing yesterday before Justice H. J. Gray.

A $50 bill was missing from the office of the Berry-Hart company, 201 Palace building, shortly after the negro had been in the room. It was shown, however, that Scott has for some time been entrusted by the bank with large sums of money, and the failure of the prosecution to show that Scott had taken the money led to the dismissal of the charge against him.

Is Fined On Reduced Charge.

Fined $10 and costs after the county attorney and prosecuting witness agreed to the reduction of a grand larceny charge to that of petit larceny, S. H. Matney charged with stealing young trees from the Mount Hope Nurseries in this city March 2, paid the assessment and was released. Charles Jones, charged jointly with Matney, was discharged by the court. Officers of the nurseries company proved that Matney took from the nursery warehouse on North Frankfort avenue small trees to the value of $132.

HIGH SANTA FE OFFICIAL HERE

Chicago Man Inspecting Lines Visits Son, R. L. Chambers Here

Edward Chambers, vice president of the Santa Fe railroad with offices in Chicago, was a Tulsa visitor yesterday, coming through this city on an inspection tour of the entire Santa Fe system. Mr. Chambers was director general of traffic for the United States railroad administration during the war and prior to that time was director of traffic for the United States food administration.

With Mr. Chambers are H. P. Ankenaut, general freight agent for the Santa Fe and former assistant director of traffic, United States railroad administration, T. A. Hendee, prominent lumber dealer of Flagstaff, Ariz., and former state food administrator in Arizona, Walter Paul Chambers, son of Edward Chambers, and Jack Stewart, private secretary to Edward Chambers.

While in this city Mr. Chambers visited his son, R. L. Chambers, of the Tulsa Cold Storage company and took a long ride about the city.

"There are wonderful opportunities for development in this state," he said. "I like the air in Tulsa. It seems to invigorate a person and fill him full of pep."

The party left in their private car late yesterday for Oklahoma City, planning to go from there through Texas and Arizona. The return trip to Chicago will be made through Tulsa about six weeks from now, or possibly in less time, it was stated.

AUTO THEFT CASE DISMISSED.

Court Found Shriver Not Implicated in Larceny of Automobile.

William Shriver, arrested in Bartlesville and returned to this city 30 one of four young men implicated in the theft of an automobile, the property of L. G. Lewkowitz, in this city January 19, was discharged at the conclusion of his preliminary hearing yesterday before Justice H. J. Gray.

Shriver declared he was not a party to the theft of the car, but had been invited to ride in the auto by Jess Davis, and was a passenger when the car was wrecked by a Frisco train at a grade crossing south of Sapulpa the day following the theft.

SET HEARING ON COURT ORDER

Officers of Security Oil Company Restrained from Selling Stock.

Hearing on the restraining order obtained in superior court yesterday in the suit of Harry Gershowitz against E. Toker, L. Jarus and the Security Oil company, was set for March 13 yesterday.

Gershowitz asks that the officers of the oil company be restrained from selling stock until plaintiff is awarded 3,333 shares in the company which he claims he paid for, but has not received through the actions of defendant Toker, in an alleged attempt to deprive Gershowitz of his interest of one thirty-second of the 100,000 shares of stock.

PARTNERS IN LITIGATION

Restraining Order Granted in Suit of Wallace Against Van Huss.

Restraining H. M. Van Huss from selling or in any way disposing of an oil well drilling business until final hearing of the case, an order was made yesterday in district court after the filing of a petition for an accounting by C. E. Wallace and Jack Dyer against Van Huss.

Wallace and Dyer alleged they entered into a partnership agreement with Van Huss in September of 1918, and that the three have continued this business of oil well drilling, with headquarters at Oakhurst. They claim that for the past months, Van Huss has been appropriating to his own use more than his rightful share of the proceeds of the business, and ask an accounting, the sale of the drilling tools and the dissolution of the partnership.

VERDICT AGAINST RAILWAY

Damages of $845 Allowed Crosser in Suit Against Tulsa Car Company.

Verdict for $845.25 was returned by the jury in superior court yesterday before which the suit of J. L. Crosser against the Tulsa Street railway was tried Monday.

Crosser asked judgment for $5,000 for injuries received January 23, 1918, when a street car on which he was riding collided with an auto truck. He declared he was permanently injured when his legs were pinned in the wreckage of the front of the street car.

LOVELY HAIR

It's just as easy to have lovely hair yourself as it is to admire it in other people. You should use **Nelson's Hair Dressing**

The original and genuine high grade hair dressing, favored by particular colored people for almost 25 years. All good drug stores in U. S. keep Nelson's.

Be sure to get genuine Nelson's.

Nelson Mfg. Co., Richmond, Va.

Lola Simms, a colored girl of Augusta, Ga., uses Nelson's.

RELIGIOUS CENSUS DATE IS MARCH 22

All Faiths Will Co-Operate to Get Full Church Records

Through the co-operation of all religious faiths and denominations and all other organizations interested in the general betterment, a second religious census of Tulsa will be taken Monday afternoon, March 22, when every home in the city will be visited, printed invitations to church given, and the record of the church membership or preference of every resident secured.

Protestants, Catholics and Jews of Tulsa are all co-operating in preparation for the home visitation which will be directed by J. Shreve Durham, of the International Sunday School association, who directed the taking of a religious census here four years ago and whose present visit is at the united request of all religious leaders. Mr. Durham has been assigned headquarters in the offices of the chamber of commerce.

Calls for volunteers to visit every home in the city for two hours on Monday afternoon, March 22, will be made by all Protestant and Catholic pastors in their services on next Sunday, March 14. The rabbis of the Jewish synagogues will make their call for workers during their services on Saturday, March 13. Instruction will be given the workers in advance and they will be sent out in pairs. Following the visitation each record will be given to the pastor, priest, rabbi or organization preferred.

Tulsa is the only city in the world to have two visitations in four years under the direction of the International Sunday School association. It is not customary for Mr. Durham to return to cities so often as every four years but an exception was made in the case of Tulsa, since it had doubled in population since 1915. Mr. Durham told the leaders when he arrived Monday that he had enjoyed working with the Tulsa leaders so much that he, too, had urged his association to make an exception in this case.

Boston M. E. Bible Class Meets.

The young men's Bible class of the Boston Avenue M. E. church will meet in the home of Mr. and Mrs. C. H. Viers, 528 North Tacoma, Thursday evening for a business and social session. C. J. Allen, assistant pastor of the church, is the teacher of the class.

TALK TEACHERS' WAGE

Educational Meeting Favors Flat Rate Salary Increase, Amount to Be Announced Later.

A flat rate increase in teachers' salaries for next year, was agreed upon last night at a meeting of representatives of the school board, teachers of the schools and supervisors and principals held in the high school cafeteria last evening. The board was represented by Dr. J. M. Temple, Ray Fellows and Jack De Shane.

Grade teachers favored a flat rate increase, while the high school teachers favored a percentage increase. The flat rate was finally agreed upon and Supt. E. E. Oberholtzer said that the amount of increase would be announced just as soon as the amount of the budget is determined. The contracts for next year will be completed just as soon as possible according to Mr. Oberholtzer.

Eminent Jurist Here.

Juvenile delinquency, the problem of such vital interest to the nation as a whole and to Tulsa individually, will be discussed by Fred G. Bales, former juvenile court judge at Columbus, Ohio, in a lecture on "America's Fourth Line of Defense" at Convention hall at 8:15 o'clock this evening. If uplift work begins with children, there would soon be no uplift work to do, in Mr. Bales' opinion. The lecture is a regular number on the community lyceum course.

Wednesday Concludes the Sale of Migel Silks

Exclusiveness, originality of designs and perfection in every part of the art of converting raw silk into the finished product of the looms characterizes every piece of Migel silks. Small wonder, then, that they occupy the preferred place in the minds of particular women.

The forepart of this week we feature many new Migel silks, of which we are exclusive dealers in Tulsa. Thus far many, many women have taken advantage of the six Migel silk "specials" offered. This display and sale comes to a close with the close of business today.

Spring Weight Sweaters in Smart Styles

An Attractive Showing for Women and Children

Femininity delights in the bracing air of springtime, as well as in the refreshing new attire in vogue. Satisfaction in one's appearance as well as comfort form a large part of that delight. A sweater, for instance—of course one should have one—should give added protection against spring's variable winds and at the same time enhance one's appearance.

Here are new wool sweaters for women as well as children, in slip-over, tuxedo and coat styles, some with ripple skirt effects or trimmed with brushed wool. Some are belted, a number with leather belts. All the colors of the rainbow are represented. Stocks are large and varied.

Priced 8.95 to 19.50
