MOHA OR RATNER MAY BOX REEVES

Crack Middleweights Wire Challenge to Eddie Mathias.

SEEKS GO FOR MARTIN

Jimmy Bronson Would Have Bob Scrap Here—News of the Ring.

Bob Moha of Milwaukee and Augie Ratner of New York, crack middleweights, yesterday wired challenges for a bout with Jack Reeves to Promoter Eddie Mathias. There is a possibility that one of the two may be brought here to meet the westerner, April 16, the Tulsa Athletic club's next date.

Jimmy Bronson, manager of Bob Martin, champion heavyweight of the A. E. F., and winner of the inter-allied title, is desirous of bringing Bob here for a bout next month. Martin is to box in Kansas City, April 19, and Bronson would have his man appear here a week following in the Kansas City engagement.

In addition to being a crack fighter, with great potential ability, Jack Reeves, Oakland middleweight who beat Billy Kramer here last Monday night is a splendid, clean fellow, who reflects credit on the boxing game. Jack never talks of the ring of his own achievement, and is always ready to give the other boxers a good word. Reeves pays a high tribute to Battling Ortega, whom he characterizes as one of the toughest 158-pound boys in the game.

Jess Willard may decide to attempt a comeback this sumer. The former heavyweight champion is holding under advisement an offer to fight Fred Fulton over the eight-round hout at Patterson, N. J. Willard said he would answer the offer later on.

Willie Jackson, New York lightweight, has received an offer of $4,000 from the Newark Sportsmen's club to meet Lew Tendler the Philadelphia lightweight, in an eight-round fight here today.

Joe Welling was signed today for a 10-round match here in April with Ritchie Mitchell, Milwaukee lightweight.

CARPENTIER HONOR GUEST

Notables Attend Dinner of International Sporting Club.

NEW YORK, March 25.—Georges Carpentier, champion heavyweight boxer of Europe, was the guest of honor tonight at a midnight supper given by officers of the International Sporting club to celebrate the election of its 1,000th member.

Major General John F. O'Ryan, who commanded the 27th division in France, was toastmaster. Scores of wealthy and prominent amateur sportsmen attended.

No Tennis Team Will Be Sent to Olympiad

NEW YORK, March 25.—The United States will send no tennis team to the Olympic games if the recommendations to be made to the United States Lawn Tennis association by the Davis cup committee are carried out, it was announced today. The dates for the Olympic tennis matches overlap the American singles championship in August and the Belgian Olympic officials have been unable to change the dates to suit the American players. The committee also recommends that the preliminary Davis cup matches in which this country will take part be arranged with a minimum amount of travel.

The report of the committee will be laid before the parent tennis body here next Saturday.

Oklahoma Cowpuncher Is Champion of World

PONCA CITY, Okla., March 25. Guy Shultz, a local cowboy with experience on the 101, Big V and other ranches in this and Osage counties, is now the champion broncho buster of the United States as the result of winning from Eddie McCarty of Cheyenne, Wyo., and three other champions at the stock show held recently at Fort Worth, Texas. In addition he won also a thousand dollars and a valuable saddle in prizes in steer roping, broncho busting and bulldogging contests. Shultz has the distinction of being the first man to bulldog a buffalo, which he did at a round-up in Ponca City last fall. He is a competitor always at Cheyenne, Pendleton and other annual, famous round-ups.

Lawler Defeats Valger.

ATLANTA, Ga., March 25.—Jack Lawler of Omaha got the decision over Benny Valger, the "French flash" of New York, in a 10-round bout here last night, the latter evidencing considerable punishment at the end of the go. Lawler had the best of five rounds and the other five about even. They are featherweights.

Racing Bill Passes Senate.

ANNAPOLIS, Md., March 25.—The Bowie race track bill providing for a racing commission for Prince George's county passed its third reading in the senate tonight, amended by the addition of an emergency clause which would allow a spring meeting.

Cash and Pledges Coming in Strong Workers Declare.

With $40,522 in pledges and cash reported yesterday noon, and with the largest number of workers present that has attended any of the noonday luncheons so far, officials of the Y. M. C. A are jubilant over the response shown the association's campaign to obtain $70,000.

There were 194 new subscribers reported yesterday who pledged $9,650. This figure included $3,579.50 paid in cash. Altogether there have been 693 subscribers. The total cash collected is $11,281.

Despite the light rain and the continued indications that it might turn to a downpour, more than 150 team captains and their workers met yesterday noon. Many new workers volunteered to take the places of those who had worked the first half of the week and whose attention was demanded by personal business and interests. As a result, the total number of workers is as much or even more than it was when the campaign began.

Officials of the Y are elated over the kindly receptions given to the workers, and the lack of criticism of the work of the Y. M. C. A. Organized opposition to the campaign had been half way anticipated, but it failed to develop, as is shown by the large number of subscriptions and the enthusiastic reports of workers.

When the campaign opened, many persons who were solicited asked the workers to call again. Much time was wasted by solicitors because of this situation. There has been a noticeable change in demeanor in the past day or two. Workers are being welcomed, and pledges are being given when the first call is made. This has allowed solicitors to cover nearly twice as much territory and see practically twice as many persons.

The spirit shown by workers indicates that they will remain on the job until it is finished. "We're going to get that $70,000 if we have to work 24 hours a day the rest of this week," one worker declared yesterday. "Honestly, most of us didn't know how highly the Y is regarded by the citizenship of Tulsa, and the great work it is doing until we got into this thing ourselves. We knew in a general way of the Y's activities, but they are greater than we knew of. I'm willing to give my time and my money both if they will help."

News of the Y. M. C. A. is being carried out intelligently to Tulsans through the agency of these workers. It is a campaign of friendship as well as a campaign for money. Results show that both are being obtained.

"If every person knew as well as the board of directors of the institution what Tulsa's association is accomplishing, the campaign would be oversubscribed 10 times," declared H. C. Tyrrell, president. "It's a big subject, one that concerns the character of Tulsa's men and boys and covers more territory than most persons believe possible."

The Saturday luncheon will probably be held in the evening. Y officials hope the full amount asked for will be reported then, that the luncheon may change to a jubilation meeting.

Thursday's luncheon and meeting were enlivened by several piano and violin selections by H. O. Fritts and J. A. Arber.

Brouches Get Pete Knisely.

TOLEDO, Ohio, March 25.—The release of Outfielder Knisely to the San Antonio club of the Texas league was announced today at baseball headquarters here. Knisely has been in training with the Toledo club at Paducah, Ky. The player left this afternoon for San Antonio.

ADORN PARTHENIA PARK IN FLOWERS

Vines and Shrubs Needed to Beautify Y. W. C. A. Outing Camp.

Wanted at once—beautifiers of the park of shrubs and plants to supplement another park's handiwork at Parthenia park.

This was the request made yesterday by Miss Ina Hunter, girls work secretary of the Y. W. C. A. who has "planted and" gardened and flowered beds to increase the beauty of the camp grounds. Immediate contributions of shrubs, "slips" from plants with sturdy constitutions, flowers and vegetable seeds will be appreciated, Miss Hunter said, as now is the accepted time for spring planting and transplanting. Such plants will be called for in the camp Ford car if the donor will telephone the business office of the Y. W. C. A.

English ivy and honeysuckle vines were planted in close proximity to the outer walls of Friendship Lodge yesterday and it is hoped that these vines will be induced to grow and climb to the impressive Tudor over the lodge, which being of rock, the stone walls look dismantled without such adornment. Other accessories of shrubs and plants will be forthcoming from a determined campaign of work by the girls during the week.

A group of girls from the private schools of the city who will spend the camp at Lake Yahola Friday afternoon have volunteered to act as gardeners on Saturday morning. The camp vegetable garden is about a fourth of an acre in extent and proved highly useful last summer.

Another group of girls who will come trooping out to the camp on Saturday afternoon will be the Y. Younger employed girls who acted in three plays given at the Y. W. recently and the members of the Home Club. The younger business girls will remain over the week-end and the Home club will return to town after breakfast Sunday morning to attend church services. A short devotional service is always held each morning at the lodge or in the woods of the canyon.

Address Auto Club.

Dr. E. Lively will address the annual meeting of the Automobile club of Oklahoma at Hotel Tulsa Friday noon on the subject, "What we have done and what we should do." His talk will pertain to the activities of the Automobile club.

A chain of American drug stores will be established throughout China as rapidly as arrangements can be made.
