MORRIS IS EFFECTIVE

Tightens When in Danger—Oilers Bunch Hits With Lynch's Wildness.

By LARRY DAILEY

Pitching brilliantly when the visitors threatened, Joe Morris let the Des Moines Boosters down with two runs yesterday and the Tulsa Oilers won the first game of the three-game series at McNulty park by a 4 to 6 score. Des Moines outhit and outfielded Tulsa, but after the third inning, when the Oilers made three, Morris was seldom in danger. On two occasions he retired the side when it seemed they might even the count.

Joe permitted seven hits, but only in one inning was more than one blow made off his delivery. That was in the seventh, when three singles produced a run. Joe struck out three batters in the fourth inning, after Breen had doubled. Two men were on bases when he retired the side in the seventh, after a runner had scored. Nine strike outs were registered by Morris, five of them in a row, including the three batters in the fourth inning and the first two in the fifth.

Lynch's Wildness Costly.

Adrian Lynch was touched for five hits in the six innings he toiled, but the Oilers made them count for their four runs. Lynch's wildness was responsible in a large measure for his defeat, his inability to control his hooks in the third helping produce the three runs. Dressen, who succeeded Lynch, let the Oilers down without a man reaching first base in the seventh and eighth innings which he pitched.

Des Moines scored one in the first. McDermott walked after French struck out. Milan grounded to Cleveland. McDermott going to second. Hasbrook singled to left and McDermott scored when Burke fumbled the ball.

The Oilers won it in the third inning. Tierney, first up, singled scarply to left. Boss Abbott crossed the opposition, and instead of ordering a sacrifice, sent Tierney down. "Cotton" safely reached second and went on to third when French allowed Anderson's peg to get away. Dobbins' single to center counted Tierney. George went to second on Morris' sacrifice. Burke walked, and Barmore took a fast one in the ribs, filling the bases. Davis was passed, forcing in Dobbins. Graham's sacrifice to Maguire gave Burke a score.

The Final Marker.

Connolly's home run over the right field fence in the sixth, his second in two days, was the Oilers' final marker.

The Boosters made their last in the seventh. Coffey and Maguire singled to left and center fields respectively. Anderson filed to Connolly. Lynch struck out. French's long single to left-center scored Coffey. McDermott grounded to Cleveland for the third out.

Neither the Oilers nor Boosters got a man to first in their last two times at bat.

Notes of the Game

Today's game, the second of the series is to start at the usual time, 4 o'clock. Billman, Cowan or Miller will be on the slab for Tulsa, according to Manager Abbott. Merz will probably be Coffey's pitcher.

Pitcher Carl Adams of the Indianapolis American association club has been purchased by the Oilers and is to report today or tomorrow. Adams is a right-hand pitcher.

Charley Barrett, St. Louis Cardinal scout, watched the game from the stands. Barrett is to watch every Western league club play in the southern half of the circuit.

Dressen's fielding in the seventh when he covered first base on Burke's grounder to Hasbrook drew a deserved big hand.

At Streator, Ill.—Henry Vogel vs. Kimmy Kelley, 10 rounds; lightweights.

At Enid, Okla.—Dudley Steel vs. Frankie Nurdin, 10 rounds; lightweights.

At Enid, Okla.—Kid Spack vs. Earl Filabaum, six rounds; bantamweights.

BY LARRY DAILEY.

Harry Krohn, formerly of Akron, Ohio, now making his headquarters in Tulsa and who meets Jack Reeves in a 15-round bout here next Monday night, is a busy boxer. Harry is in great demand and is never without a bout when he wants one. There are several reasons contributing to Krohn's box office drawing ability.

One is his and Manager Shoemaker's great personal popularity; another is his ability to fight; another is his willingness and desire to give the fans a run for their money at all times; and another is his willingness to gamble with the promoters on the gate receipts.

Krohn boxed Young Fitzsimmons at the Grand theater last year. That was shortly after the Leonard-Duffy fiasco and the boxing game here was in an unsettled condition. Harry accepted a date and the receipts were a little more than $100.

Krohn's clever and clean boxing when he drew with Jack Reeves here a few days ago won a host of friends for him in Tulsa, as in other cities.

Krohn went through a fast workout at the Brady hotel yesterday, going through 12 rounds, six in boxing and six in gymnasium work. He will conclude strenuous training today, tomorrow and Saturday, finishing with light work Sunday. Krohn works at 2 o'clock.

Jack Reeves, who meets Young Fitzsimmons in a 10-round no-decision bout at Springfield, Mo., tonight, leaves for Tulsa immediately following that bout and will work here tomorrow. He will also wind up hard training this week.

Frankie Nurdin of Oklahoma and Dudley Steel of Kansas City step 10 rounds at Enid tonight.

Kid Spack, the "Tulsa Whirlwind," meets Earl Filabaum in the six-round semi-windup. Spack made a great hit in Enid when he beat Frankie Hall in the semi-windup to the Nurdin Riley go, and he has quite a large following in the northern city.

SEES RADICALS HIGH UP

Senator Myers of Montana Criticizes Government for Protection.

WASHINGTON, April 28.—Declaring that sympathizers with radicals bent on the overthrow of the government are to be found even "in high places," Senator Myers, democrat, Montana, speaking today in the senate, criticized the administration in general and the department of labor in particular for the failure to halt radicalism.

"The activities of those who would undermine our government are undoubtedly increasing," he said. "In my opinion, this country is seething with the machinations of sedition and bolshevism. Their proponents are becoming bold. They have defenders and sympathizers in high places."

"Look at this man. He has two children to support. He works from 5:30 o'clock in the afternoon until 3 or 4 o'clock in the morning, and all he is paid by the government is $1,200 a year.

"I suppose I will have to send this fellow up, but he has been working like a slave and getting only half of what he would be getting as private secretary to a hod-carrier."

Carlisle pleaded guilty. He will be sentenced tomorrow.

COVELESKIE IN FORM

Star Indian Hurler Has Won Four Games In As Many Starts—May Lead Pitchers.

NEW YORK, April 28.—Stanley Coveleski, star righthander of the Cleveland Indians is setting a pace that may win him the pitching premiership of his league this season.

With the pennant race two weeks old, Coveleski has won four games in as many starts for Tris Speaker's tribe, and is showing remarkably early season form.

It was Coveleski who started the Indians off on the right foot in the opening game of the season when he shut the St. Louis Browns out with five hits while his own teammates were amassing five runs. Since that victory, "Covey" has registered victories over the Tigers, Browns and White Sox in the order named. He handed Chicago its first defeat of the season by outpitching Urban Faber in Tuesday's game at Cleveland.

Coveleski is a big, strong six footer, with a lot of speech when he wants to use it and a good curve ball, though he is also an exponent of the spitter, which is to be taboo after this week.

The work of the big lad from Shamokin in the box for Cleveland last season contributed to the success of the Indians. He was seventh in rank in the American league for effectiveness in 1919.

ICE DEALERS ARE WARNED

Oklahoma Dealers Must Sell Ice in Any Quantities Desired.

By Associated Press State Wire.

OKLAHOMA CITY, April 28.—Ice manufacturers of Oklahoma who refuse to sell small quantities of ice to any applicant will be closed and their charter revoked, according to a statement made public today by Art E. Walker, chairman of the state corporation commission.

Advertisements came to Walker's attention today which have been printed by some ice dealers of the state which announce that no sales of ice of less than 25 cents will be made. He sent notices in each case informing the dealers that they must at once make public a statement that they will sell ice to persons who want as little as 5 cents' worth.

Walker asks the public to inform the state corporation commission of every refusal to sell small quantities of ice, giving the dealers' name. He said the commission would act promptly on every complaint made.

MILLERAND SEES RESULTS

French Premier Pleased at Outcome Of San Remo Council.

PARIS, April 28.—Premier Millerand on his return from San Remo told the chamber of deputies today that the conference just ended would not prove useless. He laid emphasis on the particularly cordial reception accorded to the French representative by Italy, declaring that the entente between the two Latin races was closer than ever. Any idea that the treaty of Versailles would be revised must be given up, the only point to be discussed being the application of U. S. terms, he asserted.

Premier Millerand, informed the chamber of deputies that the Frankfort and Darmstadt territories would be evacuated by the French as soon as the allied commissions have established that the German force over the number allowed by the convention of August, 1919, had been withdrawn.
