BONOWITZ SAVES GAME

Saint Outfielder's Fielding Saves Allison When Oilers Threaten.

Special to The World.

ST. JOSEPH, Mo., May 11.—Pitcher Adams of the Tulsa baseball club presented the Saints with the final game of the series here this afternoon, their tenth consecutive win, by passing three men in the ninth inning, following Conroy's two-base hit, and forcing the winning run of the game. The score was 3 to 2. Up to that period the game had been hotly contested, with the Oilers getting the better of the game throughout and pelting Mac Allison's offerings at a rapid rate.

Finn started the game for the Oilers and went good throughout the time he was on the mound, holding the Saints to four safe blows. He was taken out in order to allow a pinch hitter to bat in the eighth, when Manager Abbott saw a glimpse of victory in the offing.

Saints Score First.

The Saints started out in the lead, when Bonowitz led off with a single, was sacrificed to second by Baker and scored on Kirby's safe blow.

The visitors tied it up in the fifth. With two out, Cleveland singled and Connolly doubled, scoring the Oiler third sacker.

The Saints came back in the fifth and went into the lead again when Crosby was safe on McMann's error. He was sacrificed to second by Allison, and scored when Bonowitz doubled to left.

Oilers Even Score in Sixth.

The Oilers came back in the sixth and evened things up. Davis led off with a triple, and came home when Tierney singled. Cleveland filed out and Connolly singled. McManus was an infield out, and Brannon filed out to Bonowitz.

That was all the scoring done up until the ninth. Kirby was an easy out but Conroy doubled to right. Shestak was walked purposely and Adams walked Crosby, while trying to locate the plate, filling the bags. Allison made two attempts to bunt, fouling each. They he waited for three straight balls, fouled another, and was given the fourth ball a moment later. Conroy trotting in from third on the winning force run.

Bonowitz played a wonderful game in the field, going all over the garden for flies and nailing one at the opening of the third, with a jump into the air with his gloved hand. He also cut Cleveland out of a triple in the fourth, by a great running catch of a ground ball that would have gone to the fence, had he not got his bare hand in front of the ball.

DAILY DOPE By Larry Daley

What has happened to the Tulsa Tennis club proposed so enthusiastically a few weeks ago by local followers of the net game? Tulsa has more than held its own in practically every line of athletic endeavor—with the exception of tennis. Kendall college and Tulsa high school have brought honor to this city on numerous occasions. We have Western league baseball. The state golf champion is a Tulsan. But aside from Emory Cook, vice president of the State Tennis association, Tulsa has no representation in the great net game. Only a few racquet wielders from Tulsa entered the state meet last year and they failed to get to the final rounds.

Tennis has never been encouraged in Tulsa, as have other sports. Playing facilities are entirely inadequate to accommodate the large number of players there should be here. Aside from the few courts at Central and Owen parks there are no public courts. We know numerous former players and others who would like to play tennis who do not simply through lack of sufficient courts.

—|—

Only through the organization of a tennis club can the game be properly fostered here. A tennis club can provide the essential number of courts—and it would also do another very important thing toward the development of the game; bring the 1920 state championship tournament to this city.

—|—

Tulsa has been offered the tournament as it was last year. Lack of organization last year resulted in Norman getting the meet. The same will be the case this summer unless something is done very soon toward bringing the tournament here.

—|—

Let's organize!

—|—

Are the Oilers to suffer from the same faults of last season, inability to hit in the pinches and erratic fielding? This seems to be the case, following their loss of six straight games on the road. Contrary to spring training expectations, the Abbotts' weakness does not lie in the pitching box. Richmond, Horris and Billman are three competent hurlers and Adams and Finn look good in their first starts.

It was the distressing weakness in the field at critical moments, coupled with inability to hit when bits meant runs, that lost numerous close games last year and that weakness has already been manifested this season.

—|—

The Oilers still look like one of the league's most formidable clubs. But they won't look that way very long, playing as they played in the first two series on the road.

Waite Hoyt Is Injured; to Be Out Several Days

BOSTON, May 11.—The Boston Americans, facing a series with the Cleveland club, in which the American league leadership is at stake, will be without the pitching assistance of Waite Hoyt, the team's youthful star. He has been taken to a hospital for treatment of a strain and doctors today told Manager Barrow that he would be kept in bed four or five days.

KOOB HURLS NO-HIT GAME

Louisville Southpaw Turns in First Immaculate Pitched Game.

KANSAS CITY, May 11.—Ernie Koob, Louisville's left handed pitcher, hurled the first no-hit game of the season today against the Kansas City American association team. He allowed five passes but never was in danger of being scored on during the nine innings. Only one opponent reached second base. Two Kansas City players were struck out. Five batters look first on balls and in the fifth inning another was hit by a pitched ball.

Koob received excellent support from his teammates. He made a hit and scored one of four runs for Louisville.

ROSE IS HELD FOR TRIAL

Man Charged With Robbing Oil Office Committed to Jail Under Bond

Lewis Rose, charged with entering the office of the Tulsa Refined Oil company, 420 East Second street, on the night of April 20 and robbing the cash register of $20.25, and pointing a revolver at J. W. Allen, in charge of the office, was held for trial by district court under bond of $2,000 at the conclusion of his preliminary hearing before Justice H. J. Gray.

Allen testified that Rose entered the office, held the weapon on the witness and a negro employed by the refining company, rifled the cash register and then left the office.

Coaching From Bench Banned in American League by Johnson

BOSTON, May 11.—Coaching from the players' bench is prohibited in the American league, President Ban Johnson in a formal order sent to all clubs and received by the Red Sox today, announces that a player removed from the bench by an umpire hereafter is automatically suspended for three days.

Coaching from the bench, Johnson declares "has been carried to an extreme by two clubs in the organization this spring and has become a positive nuisance. The 'riding' and abuse of visiting players is unsportsmanlike and does not belong in baseball."

REVISE PLUMBING ORDINANCE.

Charge That Law Is Unfair to Man Who Pays the Bills Is Cause.

The municipal plumbing ordinance is due for an early revision, due to the fact that the charge has been made with the mayor and board of city commission that it is a better thing for the plumber than it is for the man who pays the bills.

The ordinance was passed several years ago. Since that time considerable strides have been made in this business that are not recognized in the existing ordinance, so that it is out of date.

READVERTISE PAVING WORK

Procedure Necessary Although Work Progressing With Contract Let.

Owing to the fact that the city commission held no meeting on Tuesday, April 6, the date when it had been advertised that objections to the awarding of the sewer contract in district 166 would be received and considered it will be necessary to readvertise the contract through the firm of Tibbetts & Pleasant, successful bidders, have already commenced work. April 6 was the date of the primary election.

The cost of readvertising will be paid by Tibbetts & Pleasant because it is a necessary procedure to make the paper absolutely good. The cost of the proposed work is about $100,000.

KENDALL TRAINS FOR DUAL MEET

Local Collegians Meet Chilocco Athletes Here Saturday.

Rain yesterday caused the cancellation of the second game of a two-game series between the Oklahoma Aggie and Kendall college baseball teams and it is probable that Monday's game marked the conclusion of diamond activities for the Kendall tossers.

Athletic endeavor at Kendall is now centered n the dual track meet here next Saturday with the Chilocco Indians. This will be the final test of the Orange and Black track squad before the state meet and Coach Schmidt plans to drive the squad hard to whip them in shape for the meet with the formidable Indians.

Chilocco has a large squad, headed by four especially brilliant athletes, and they promise to furnish stern competition in the dual meet here and in the state title garnes. Haas, sprinter; Hazlett, hurdler, and Hardy and Branan, weight men, are the stars.

An effort is being made by several coaches, one of whom is Schmidt, to have the date of the state meet set back to Saturday, May 22, instead of Thursday, May 20. The next to the last Saturday in May has always been the date of previous state collegiate meets. A meet coming in mid-week will seriously interfere with final examinations and that is the main argument advanced for the changing of the date.
