BOXERS TO WORK THIS AFTERNOON

Walsh, Alba and Others to Show Wares in the Training Gym

Youth Who Left Leg in France to Box at Show Tuesday Night

"Young Wolgast" was a promising featherweight boxer in April, 1917, when he made his last appearance in the squared circle in America.

Today he is a one-legged ex-soldier. The missing member was shot away while he was in France, a private in company A, ninth Infantry, second division.

But it takes more than the loss of a good right leg to take the heart out of some men. "Wolgast," as he prefers to be called for the occasion is such.

On Tuesday night at the Pat Walsh-Tommy Alba boxing contest at Convention hall "Wolgast will box a three-round exhibition with Packy Ryan, and will appreciat anything the fans feel like giving him for the effort.

Fellow fans, let's give "Wolgast" a answer Tuesday night that will pay room rent and buy meal tickets for some time.

Pat Walsh of Kansas City and Tommy Alba of Tulsa, rising young middleweights who clash in a 12-round decision contest and a three-round decision contest Tuesday night at Convention hall, both will work out this afternoon at Carpenters hall, 19½ East Second street.

Fans will have a chance to draw a comparison between the two middleweights, for they will follow each other in quick time in the workouts.

Cliff Clark of Muskogee and Jimmy Illey of Tulsa, who box eight rounds in the semi-windup, also will be seen in the workouts this afternoon, as will other boxers who are to take part in the show. The workouts are to start at 2 o'clock so that fans may see them and still get away in time to see the Texas-Cosden game at McNulty park.

It appears that in signing Walsh and Alba for the Tuesday night headliner Matchmaker Lou Newman of the Oil City A. C. has arranged as even a bout as could b imagined. Alba recently boxed a 12-round draw with Kid Palmer, the "Arizona Wildcat," here and Walsh on Friday night boxed 10 rounds with Palmer at Oklahoma City. Referee Nate Jackson awarded the decision to Palmer, but it was a close ruling and Walsh was under the handicap of having been fould in the first round by his opponent.

According to Tulsans who witnessed the bout there is no question but what Walsh was fouled in the first round, but Nate Jackson, the promoter, was serving as referee and ruled that the bout should be continued.

"I'll never again stand for a promoter acting as referee of a bout where one of my boxers is contesting," said Jay Thomas of Kansas City, manager of Walsh, yesterday. "They don't think of the boxers at all. It's all to please the fans with them."

A preliminary carded for Tuesday night's show is causing considerable talk among boxing fans. It is the six-round bout in which "Roly Poly" White of Tulsa will meet Jimmy Perry of Kansas. Perry recently boxed a 15-round draw with Frank Mantell at Collinsville and figures to win over White. But "Roly Poly" thinks differently. White and Perry are welterweights. Another preliminary will see Dean Hood of Tulsa, a promising middleweight, facing Kid Smith. The four-round curtain raiser has not been announced.

Sailor Meets Missourian.

PARIS, Texas, Aug. 13.—Sailor Viggers, who claims to have held the lightweight championship of the Atlantic fleet for four years, and Jack Wolfe, hailing from Monett, Mo., have been matched for a boxing exhibition here at the American Legion hall next Tuesday.

(CONTINUED FROM PAGE ONE)

that I did. He sat with a dark haired young man, whom I did not know. I was placed in such a position that I could not help overhearing what passed between them. I recall the matter perfectly.

Mother Denies Story.

"Burch's companion asked him, 'where are you going?'

"Burch replied: 'Oh, I am going to Colorado on a hunting trip. I'll be back in two weeks.' I noticed Burch's luggage. It consisted of a black satchel, a shotgun case and a fishing rod. I can't say exactly concerning the fishing rod."

Mrs. Burch, mother of the accused man denied today that her son had any gun with him when he left.

"All my son's guns are here in the house," she said.

She also denied that Mrs. Ohenchain loaned Burch $66 to go to California although she admitted he had recently suffered financial reverses and was short of money.

"My son is innocent of any charge. That is all I have to say," Mrs. Burch declared.

COUNTRY CLUB INSPECTED

Fifty embers Indulge in Watermelon Eating and Trapshooting.

More than fifty members of the Oakhurst country club, together with their wives, motored to the club grounds near Oakhurst late Saturday afternoon, where they not only inspected the work that has been accomplished in clearing the land, but also indulged in trapshooting and watermelon eating.

While trapshooting is generally regarded as a man's sport, the women all tried their marksmanship—one shot each. The clay pigeons were comparatively safe during their session with the guns.

About twenty-five large and juicy watermelons that had been in cold storage for the past three days were served in large portions on improvised tables that had been placed in the shade.

The club grounds are being cleared as fast as possible by a large force of men and a large caterpillar tractor that is used to uproot the trees. A golf course expert from New York has already marked out the proposed golf course for the club and it is probable nine holes will be ready for use this fall.

Amico Complaint Dismissed.

WASHINGTON, Aug. 13.—The federal trade commission today dismissed the complaint which had been made against the Amico Oil company of Kansas, with an office at Tulsa, in which unfair competition was alleged. Evidence offered at the trial of the complaint, which alleged false advertising in the sale of the company's stock, failed to sustain the allegation and the complaint was dismissed by the commission on its own motion.

First Nationals Win Hard Game.

The First National Bank team defeated the Sinclair office team yesterday in one of the best played games of the Bank league this season, 3 to 2. Good pitching by both Slater and Balch featured the game. Balch's wildness coupled with poor base running by the Sinclair team was partially responsible for the First National's victory.
