REACTION GRIPS TRADE IN STOCKS

Leaders Experience Early Period of Firmness; Others Recede

NEW YORK, Aug. 24.—Reaction and tendencies were uppermost in the stock market today after an early period of firmness among leaders of the oil, motors and kindred groups. Some of 20 odd issues, comprising for the most part domestic stocks, registered additional recessions, with resultant low records for a year or more. The course of the selling, which contrasted with the progress of the session and embraced many large individual blocks, left little doubt in the minds of observers that further drastic liquidation was under way. Mexican Petroleum, active in the last hour from 2 points rose to a net decline of almost 2 points, and related independent issues, shippings, chemicals and secondary equipments reflected only occasional support and rails finally yielded 1 to 2 points. Sales amounted to 600,000 shares.

Money conditions remained on an easy basis, call loans on the exchange ruling at 5 1-2 per cent, while a 5 per cent rate obtained on time contracts. Foreign exchange continued to the stock market, sterling gaining almost 3 cents from yesterday's low, with strength in French and German, Dutch and Scandinavian units.

Liberty issues bonds recovered part of yesterday's severe decline, but other foreign issues were irregular. Domestic bonds, notably rails, also lacked definite trend and Liberties gave way to fresh pressure. Total sales, par value, $8,275,000.

Sterling and Greece bills advanced in the late dealings. Sterling 60-day bills and commercial 60-day bills on banks, $3.66 1-8; commercial 60-day bills, $3.65; demand, $3.68 3-8; cables, $3.69 1-8; Greece demand, $5.58.

COMBINATION DID NOT WORK

Experiment With Gasoline Has Serious Results for Two Boys.

Special to The World.

PAWHUSKA, Aug. 24.—A new lighting device consisting of a milk can filled with gasoline and capped by a kerosene lamp burner when ignited resulted in the death of James Luntz, the 11-year-old son of Harry H. Luntz, a well shooter of Pawhuska.

The boy had arranged to sleep in a tent with a 13-year-old companion and lighted the lamp to see how it would work. The escaping vapor caused a quick flame which enveloped the tent. A quantity of gasoline saturated the victim's clothing and this igniting caused fatal injuries to his chest, back and head. Luntz returned today from the sanatorium.

SO WEAK SO NERVOUS

How Miserable This Woman Was Until She Took Lydia E. Pinkham's Vegetable Compound

Toomsboro, Ga.—"I suffered terribly with backache and headache all the time, was so weak and nervous I didn't know what to do, and could not do my work. My trouble was deficient and irregular periods. I read in the papers what Lydia E. Pinkham's Vegetable Compound had done for others and decided to give it a trial. I got good results from its use so that I am now able to do my work. I recommend your Vegetable Compound to my friends who have troubles similar to mine and you may use these facts as a testimonial."—Mrs. C. F. PHILLIPS, Toomsboro, Ga.

Weak, nervous women make unhappy homes, their condition irritates both husband and children. It has been said that nine-tenths of the nervous prostration, nervous despondency, "the blues," irritability and backache arise from some displacement or derangement of a woman's system. Mrs. Phillips' letter proves that no other remedy is so successful as Lydia E. Pinkham's Vegetable Compound.

FIRMER PRICES IN WHEAT MART

Wheat and Corn Lead, Pull Oats Along; Sentiment Changes

CHICAGO, Aug. 24.—Firmer prices marked today's trading on the Chicago board of trade. Wheat and corn led on the influence of buying of cash grain for export and pulled oats along with them. Wheat closed unchanged to 1-4c net higher, corn was up 1-4c to 3-4 and 7-8, and oats 1-4c to 3-8. Provisions also were firmer and lard gained 20 to 25 points and ribs 12 1-4c to 20c on the day.

The early trade in wheat showed a switch in local sentiment toward the buying side. Continuation of export business coupled with word that millers were after red winter wheat and finding it hard to get, brought additional recruits to the longs. Country offerings also fell off.

Trading opened in the May delivery today at unchanged to 1c advance, rallied 2 to 4c over September, the difference representing ordinary carrying charges.

Further sales of a half million bushels at the seaboard strengthened corn. Oats followed corn and averaged higher throughout.

Provisions rose on packers' buying of lard and ribs and a higher market for hogs.

Chicago Produce.

CHICAGO, Aug. 24.—Potatoes—Weak; receipts 146 cars; Colorado, Idaho and Utah sacked $1.40@$1.75, Minnesota early Ohios, $1.60@$1.65; Nebraska, $1.35@$1.50.

Butter—Unchanged.

Eggs—Unchanged; receipts 8,469 cases.

Poultry—Alive, unchanged.

Kansas City Produce.

KANSAS CITY, Aug. 24.—Potatoes—25c lower, $1.60@1.25 bushel; western potatoes, $2.75@3.00 hundred, 25c lower.

Eggs—Unchanged.

Butter—Creamery 1c lower, 41c; packing unchanged.

Poultry—Unchanged.

WHAT HOLDS MEN BACK

IN LIFE, IN MANY CASES, AND MAKES THEM WEAK, NERVOUS AND IRRITABLE WHEN THEY OUGHT TO BE IN THEIR VERY PRIME.

As men grow older the iron in their blood is apt to thin and as a consequence their nerves and will power become weakened and they may rapidly lose both bodily and mental vigor. A New York physician says that more than one-half the population of America perishes before middle age and that one of the chief contributory causes of this terrible waste of human life is the destructive weakness brought on by lack of sufficient iron in the blood. There are 20,000,000,000 red blood corpuscles in your blood and each one must have iron, no mere tonics nor stimulants can put you right; starving blood must have iron the same as a starving person must have food—iron is red blood food. But when you take iron be sure to take organic Nuxated iron and not metallic or mineral iron which people usually take. Metallic iron is made mostly by the action of strong acids on small pieces of iron, while organic Nuxated iron is like the iron in your blood and like the iron in spinach and apples. It quickly helps make rich red blood and revitalize your worn out, exhausted nerves. Beware of substitutes. Look for the word "Nuxated" on every package and the letters N. I. on every tablet. Your money will be refunded if not satisfied. If you do not obtain perfectly satisfactory results. For sale by all druggists.—Adv.

SKIN TROUBLE

"I was troubled for several years with a skin eruption resembling eczema. My druggist sold me many kinds of blood medicines and compounds recommended for skin trouble, four which I received no permanent relief. I was advised to try Mendenhall's Number 49 and improved from the time I started to take the medicine. Have taken four bottles and am entirely relieved of the skin trouble and have found it the best medicine I have ever taken and am recommending it to my friends to be taken in place of calomel."—Richard Dickson, 157 Forest St., Spartanburg, S. C. "Number 49" is demanded in chronic blood troubles, rheumatism, catarrh, constipation, torpid liver and as a preventative against appendicitis and gall stones.

Sold by Hamilton & Wetzel Drug Store, 418 West Ninth, 2716 East Admiral.—Adv.
