# Oilers Take Second Straight From Miners—Giants Go Into Virtual Tie With Pirates

## Clymers Win Weird Contest; Wild Pitchers Donate Game

### Battery Errors Let Tieing and Winning Run Over in the Eighth

### PRUETT PITCHES WELL

### Runs Enemy Rookies to 7th, Then Weakens, Final Count of Battle 9 to 8

By H. A. BRIDGWATER.

The Oilers made good their second straight effort at the expense of the Miners from Joplin, Mo., yesterday afternoon at Mc-Nulty park, taking a second exhibition by the score of 9 to 8.

For six innings the greatest looked like another shutout for Clymers Oilers, as they piled up a seven-run lead in that period, while "Lefty" Pruett was fielding large on his mound, making the visitors with the greatest of ease and allowing but two singles.

But the Oilers went to pieces in the seventh. Errors by Pruett, McGinnis and Thompson, a base on balls and several hard wallops by Miner batsmen obliterated the Tulsa lead, the Miners pinching the count by chasing seven scores. And in the eighth it looked like the Missourians would win when one base singles by Kreuger, Smith and Doyle off Cullop, who had succeeded Pruett, put them a run to the good. Doyle's wildness in the last of the eighth, however, transformed what began to look like a Tulsa defeat. With the bases full he hit Spellman and walked the next batter, forcing in the tieing and winning runs.

Oilers and Miners meet Sunday afternoon in the last game of the series. Then the Wichita leaders come for a trio of games.

**Oilers Again Score First.**

Duplicating their performance of Friday, the Oilers again scored first, pushing one around in the initial round, after Pruett had retired the Miners. Jimmy Burke worked Young for a pass, and Thompson sacrificed him to second. He took third on Davis' infield out and scampered home when Todt smashed a double through Hamilton at third.

They annexed a couple more in the second. Luke Stewart smashed a single to left and Heving, on the hit and run signal, reached wide and sent a safe one to right that went for three bases when it got by Mueller. Stewart scored on it and Heving romped in a moment later on a wild pitch.

The third inning was uneventful save for the arrival of Umpires Buckley and Burnside, who reached the park at 3:55, evidently laboring under the delusion that this was a country town where they started the games the same time on Saturdays and Sundays as on week days. Bill Friel, Oiler business manager, and Bourg of the Miners had officiated until the regular arbiters had finished their beauty naps.

**Young "Walks" Himself Out.**

The supposed Joplin pitching ace who has pitched more shutouts than any other boxman in the league, lost control of the ball in the fourth and walked himself out of the box. With one out he issued four straight bases on balls, scoring one run. Joe Doyle, who succeeded him, found the bases full, and it so unsteadied him that he started by hitting Jimmy Burke on the shoulder with a fast one, forcing in Heving. The rally ended, however, when Thompson cracked a liner over first that Spears grabbed, doubling Burke.

The Miners threatened in the fifth when Pruett temporarily lost control and walked Spears and Kennedy to open the inning. The next three men couldn't rise to the occasion, however, and Pruett pulled out of the first hole.

Doyle's wildness gave the Oilers a couple more in the sixth and made the score stand 7-0. He walked Stewart, Pruett and Davis, hit McGinnis and let Frank Thompson get a hit to left.

**A Fearful Seventh.**

The Oilers' seven-run lead vanished in the seventh, when the visitors counted seven times, knotting the score. Pruett's own error started the fireworks. He pegged Mueller's tap and McGinnis did likewise on Spears' roller. Kennedy strolled, filling the bases. Thompson then contributed the third error, Mueller counting when Frank missed up Krueger's roller. Singles by Smith and Doyle sent a couple of runs over and left the bases full but all were cleaned on Christenson's double down the third base line. This made six runs and Pruett was relieved by Nick Cullop. Hamilton sacrificed Christy to third whence he scored the tieing run on Robertson's single to center. Cullop finally managed to get 'em out without any more damage.

The Miners went a run ahead in the eighth on a trio trio of singles by Kreuger, Smith and Doyle. A double play with the bases full and one down prevented them from scoring more.

Cullop was derricked in the last of the eighth to let Connelly hit for him. Tommy bounced a safety over Doyle's head. Burke singled cleanly in center and Thompson moved both up with a sacrifice. Davis was purposely passed filling the bases. Todt failed to deliver in the emergency, striking at three strikes for the score. Hit at 4-all when Spellman, playing in Brannon's place, hit on the arm with a pitched ball. Doyle's wildness put the Oilers a run to the good when he walked Stewart, forcing Burke in.

Haugland held the Miners in check easily in the ninth, and the crowd went home happy after seeing two straight Tulsa victories.

**Indiana Bells Win.**

CLEVELAND, Sept. 3.—The Indiana Bells of Indianapolis won the first of a three-game series from the National Acmes of this city here today in the first of play for the Class A industrial championship of the National Baseball federation by a score of 7 to 2. The same teams meet next Saturday at Indianapolis, a double header being played if the Acmes win.

## SAMMY SATAN 5TH TO QUALIFY

### Only One More Preliminary Round Before Elimination Stake

*Card of Seven Races for Sunday Afternoon*

With the arrival of the bracing fall weather and also the approach of the Labor day holiday, the Mid-Continent Racing association decided to deviate from its usual program and offer a card of races for Sunday afternoon. Seven events are on the card for this afternoon, with post time in the first at 4 o'clock. There also will be racing Monday afternoon instead of at night, the racing management deciding to have the card in the daytime so as not to interfere with the boxing show at Convention hall Monday night because so many racing fans are fight enthusiasts also.

The best Saturday night crowd of the late-summer greyhound race meeting journeyed to Mid-Continent park last night to see the speedy hounds chase the elusive electric rabbit.

Interest centered in the fourth event on the program which was the fifth preliminary round of the elimination stake race to be run next Tuesday night. Sammy Satan romped the event and qualified for the stake. Five dogs have now qualified for the elimination by winning one of the six preliminary races, and the sixth will be decided Monday afternoon. The four dogs to qualify before Sammy Satan are Duffy's Mait, Zo Long Dick, Oakland Hannah and Nursemaid. An exceptionally well balanced field is shaping up for the elimination, which promises to be a real race.

Betting Bull surprised the talent, the owners and the mere spectators alike last night by copping handily in the last race, beating such capable spinners as Misty Dawn, Sulsan and Lady Lee. He raced Sulsan out in the first sixteenth and then withstood the challenge of Troublesome Fortune and Misty Dawn in the stretch. Troublesome Fortune beat Misty Dawn for place by a bare nose.

Nebraska Wild Bill also upset the dope by defeating the field Saturday in the fifth race. The crowd lost Rumble Rhyme entangled in Quaker Boy's tape while the dog ran though the detour and a blanket of Oscondoff's Peaches Lady showed a clean pair of heels to other contenders in the second race, winning by eight lengths. Jenetta won the first after a hot race with Wild trishman.

Last night's results:

First race, purse $75, Jonesta, first; Wild Irishman, second; Barb Cannon, third. Time, :27 4-5 seconds. Middlesome Mary and Clara Will ran also.

Second race, purse $75—Peaches Lady, first; Aquaco, second; Clark Bradley, third. Time 19 4-5 seconds. Heady Applause, Blue String and Miss Vindicator also ran.

Third race, purse $40—Rippling Rhyme, first; Quaker Boy, second; Night Rider, third. Time 26 4-5 seconds. Miss Rich, Friendly Queen and Snakey Flo also ran.

Fourth race, purse $40, Sammy Satan, first; Hermis, second; Creole Sue, third. Time, :27 seconds. The only one. Pony Manager and Flying Clara also ran.

Fifth race, purse $40—Nebraska Wild Bill, first; Sawback, second; Cardinal King, third. Time :27 seconds. Old Rosewood, Friendly Fox and Edna Cantrip also ran.

Sixth race, purse $40—Betting Bull, first; Troublesome Fortune, second; Misty Dawn, third. Time 19 4-5 seconds. Sulsan, Lady Lee, and Ernest Wild Bill also ran.

## OKLAHOMA CITY BACK IN RUNNING

### Holland's Men Down Izzies in Second; Omaha and Saints Winners

OKLAHOMA CITY, Sept. 3.—Oklahoma City passed into the series with Wichita today by knocking out Mack Leal, the crack Houston Mission hurler, and Mueller, who had beaten Omaha twice after Omaha had taken the lead in the series. Holland's team in the fifth with the bases loaded pushed across the winning run with no single to its credit.

ST. JOSEPH, Sept. 3.—Pat Ferrit held Sioux City to two hits here today and St. Joseph won the third straight 8 to 1. Fisher drove the ball over the right field fence in the third inning, scoring Jack Beatty ahead of him. Ferrit did not allow a hit until the eighth when Texar drove one through the infield. Texar got the second safe blow in the ninth when he took a grounder over second base.

## UNCHANGED IN SOUTHERN

### Leading Stickers Enter the Stretch in Same Order.

Batters in the Southern association are entering the home stretch in practically the same positions they have held for the past few weeks. Home of New Orleans, who has been topping the list, remains out in front with an average of .385, according to figures which include games of last Tuesday, while Polly McLarty of Memphis is the runner-up with a mark of .355. Griffith of New Orleans is next with .352.

Bernsen of Birmingham, by crashing out another home run, has run his string to 16, while Traynor of Birmingham is showing the way to his base stealing with 57 thefts.

Other leading batters:

Don Brown, Little Rock, .344; Bogart, New Orleans, .340; Shallenbarger, Nashville, .340; Burke, Nashville, .339; Harper, Little Rock, .337; Bernsen, Birmingham, .337; Camp, Memphis, .336; Traynor, Birmingham, .336; Stewart, Birmingham, .329; Houghlin, Memphis, .328.

## AROUND BASES IN 13 2-5 SEC.

### Former Western Association Player Sets a New Record

ROCHESTER, N. Y., Sept. 3.—Maurice Archdeacon, center fielder of the Rochester International league club, established a new world's record for circling the bases of a baseball diamond in a formal game before yesterday's Rochester-Newark game. He made the circuit in 13 2-5 seconds, finishing the final stretch in the face of a strong wind. The former record, 13 4-5 seconds, was made by Hans Lobert in 1910.

MUSKOGEE, Okla., Sept. 3.—Maurice Archdeacon, who established a world's record at Rochester yesterday for circling the bases in a baseball field, is a product of the Western association. He was a member of the Fort Smith team in 1916. He failed to make good there and was released. Archdeacon's home is in St. Louis.

**Sox Get a New Southpaw.**

CHICAGO, Sept. 3.—John D. Thompson, a 26-year-old left-handed pitcher of the Victoria, B. C., club, joined the Chicago White Sox today. He will pitch tomorrow.

## *Winner of Palmer-Warner Battle Monday Night May Get Crack at M. Gibbons*

### Juicy Reward Should Spur Labor Day Opponents to Do Very Best

### Middleweights to Conclude Training With Workouts This Afternoon

By H. A. BRIDGWATER.

A reward for the winner that ought to make Kid Palmer and "Frisco Kid" Warner battle like Trojans in their 12-round decision engagement at Convention hall Monday night is in prospect.

The "juicy plum" that probably will be plucked from the pugilistic tree by Monday night's victor is nothing less than a 12-round bout with Mike Gibbons, the celebrated St. Paul "phantom," who is in the midst of a wonderful comeback campaign and heading march toward the middleweight championship.

While no definite arrangement has yet been made for a match that would bring Gibbons to Tulsa, Matchmaker Louis Newman of the Oil City A. C. yesterday received a telegram from Mike Collins, the phantom's manager, proposing a match with Palmer or Warner here about September 15. Gibbons will be in the southwest shortly anyway, being matched to go 15 rounds to a decision with Mike O'Dowd at Wichita on October 18.

**Big Event for Either.**

A go with Mike Gibbons would be a red letter event in the career of either Palmer or Warner. While a victory over the renowned Minnesota "ghost" would be almost out of the question for either of them, even a really creditable showing with him, perhaps a draw, would be a great thing for either. Moreover, a match here with Gibbons would draw a packed house and would mean a fat purse for Palmer or Warner.

With this reward in view, the participants in Monday night's card polished off their training with very light workouts yesterday afternoon at Terry Lone's Terminal hotel gymnasium. They both looked very fit and showed well in the training stunts.

Warner, as a result of his knockout victory over the shifty and clever Pat Walsh of Kansas City last week at Leavenworth, Kan., is an equal choice with Palmer. While the "Arizona Wildcat" is conceded to be faster than his opponent and also to pack a dangerous wallop, Warner is even a harder hitter. Warner in his workouts here also has looked anything but slow and should prove a worthy foe for Palmer.

**All Boxers Work Today.**

Palmer and Warner will finish their training with public workouts this afternoon at the Terminal gym. They will appear between 2 and 4 o'clock.

Other boxers on Monday night's holiday card also will go through their paces this afternoon for the entertainment of boxing fans. Jack Hurley, Jimmy Riley, Jack Berry and Chris Wagner, participants in the two eight-round special events, all will be seen in action. The bout between Wagner and Berry is causing some comment, as both boys have been seen in only victorious bouts here. Wagner is the lad who had such an impressive win over Dean Hood of Tulsa at the last show and Berry is the conqueror of the tough and willing Roly Poly Whitney. Riley and Hurley are old rivals, who, strange to say, have never met. Matched several times their bouts all have fallen through for some reason or other, but this time there is nothing in sight to prevent them getting together.

*Pacific Coast Kayo Artist Who Debuts Here Monday Night*

Ed Warner.

"Frisco" Ed Warner is to be Kid Palmer's opponent in the feature event of Monday night's boxing show at Convention hall under the auspices of the Oil City A. C. Warner's most notable recent feat was knocking out Pat Walsh of Kansas City in the third round of a scheduled 10-round bout at Leavenworth, Kas. While he had made creditable showings in former matches, it was this that brought him forcibly to the attention of the Oil City A. C. and Tulsa boxing fans.

## CITY NET MEET NEXT ON BOARDS

### Arkansas Valley Tourney Stimulated Local Interest in Game

With the Arkansas Valley Tennis tournament just passed, another interesting Tulsa net event is listed for the latter part of the week. The city tournament starts next Saturday on the Y. M. C. A. courts, Eleventh and Norfolk. Since a number of the men expected to compete in the Tulsa event are leaving in the morning for the state tournament and will not be on hand for the opening day, arrangements are being made so that their matches can be played next week.

It is expected that faster tennis will be seen in the city tournament this season than in the one that was played on the city courts last year. The recent Arkansas Valley event stimulated the enthusiasts sufficiently to cause them to practice.

Although the entry list was fairly large in the previous city contest, it is expected that the number will be much greater when the drawings are made Friday night.

E. A. Cook, winner last season, looks like one of the favorites again. Cook is playing a good game and although at present not up to his standard, he will no doubt be the center attraction on the day of the finals. The Cook-Stove combination that gave Sellers and Penfold a merry chase in the Valley till, looks like one of the fastest tandem combinations.

E. Monnet, one of the lanky artists in the Tulsa net circle is sure to speak for himself. Monnet has a long standing record and with the passing week to get in trim he will be in fair shape. J. L. Dyer, winner of the tournament in 1918, J. H. Miller, runner up in the singles event last year, are a couple more interesting entrants.

Entries will be taken at the physical department of the Y. M. C. A. any time up until 6 p. m. Friday, September 9.

*Jack Lelivelt Sticks on Top in Western L. With Average of .431*

Jack Lelivelt of Omaha continues to hold the scepter with telling effect in the Western league. His average is .431, while Harper of Oklahoma City, in his closest rival with .405. Herk Wichita cracked out three home runs, bringing his total for current series to 25. Hasty of Omaha brought his base stealing total to 40. The averages include games of Tuesday.

Other leading batters:

Kase, Wichita, .340; Metz, Sioux City, .336; Griffin, .332; Gruber, Des Moines, .315; Blakesly, Wichita, .310.

*Scott Plays in 800 Major League Games Without Missing One*

BOSTON, Sept. 3.—Captain Everett Scott of the Red Sox took part in his 800th successive major league game yesterday. His continuous play, long since a record, started June 20, 1916. The preceding record was held by Fred Luderus of the Philadelphia Nationals, who, in 1919, completed 533 successive games. The longest known previous record of organized ball, 577 games, without a break, was made by George Pinckney of the Brooklyn American association team over a period from 1885 to 1890.

## JOE MEGEE HIGH GUN

### Breaks 96 Out of 100 Clay Targets at Tulsa Shoot; Also Wins Registered Event.

Joe Megee, clever marksman of the Tulsa Gun club, had an easy time with eight other gun pointers yesterday afternoon on the Tulsa rifle range grounds, when 96 out of 100 clay targets fell powdered to the ground as a result of a well trained eye. While R. C. Geck won the position of the best he could do was four birds behind, having a score of 92.

Megee also won the registered shoot on the first 50 targets, cracking 48 of the registered birds. Joe Megee, Lester Gillespie and Joe Fosselman will go to Oklahoma City, representing the Tulsa Gun club in the big Labor day shoot at that place.

*Two-Team Races Hot in Both Big Leagues; Yanks Increase Lead*

NEW YORK, Sept. 3.—New York went into a virtual tie with Pittsburgh in the National league pennant race today, while the New York Americans increased their lead over Cleveland to two full games.
