Waugh Meets Teague Tonight In First Show of the T. A. C.

Veteran Texan and Youthful Hoosier Slated for 10 Rounds in Feature

Preliminaries Promise Well, as All Boxers Have Been Training Steadily

About the Bout

Time—8:30 p. m.
Place—T. A. C. gymnasium, upper Terminal hotel.
Referee—Harry Pouder.
Timekeeper—A. Bennett.
Main event—Ten rounds between Bobby Waugh and Tommy Teague to a decision.
Semi-Final—Eight rounds between Cris Wagoner and Jack Berry to a decision.
Preliminary—Six rounds between Jack Maunier and Ace Johnson to a decision.
Curtain raiser—Four rounds between George Courtney and Stanley Bell.
Show under auspices of Tulsa Athletic club.

Tommy Teague.

Bobby Waugh and Tommy Teague who meet in a 10-pound boxing contest at the Tulsa A. C. gymnasium tonight concluded training yesterday and now are waiting for the bell at 8:30. Both fighters have been training during the last week and crowds visiting the gym are of the opinion that the go will be hard fought throughout. All of the preliminary boys are in shape and with the care that has been used in matched them al of the early bouts will be interesting.

The main event will perhaps go the limit. Teague carries the necessary wallop but Waugh has had enough experience to keep away from the Hoosier Mauler. Waugh has a punch but whether he will be able to land will be seen tonight. Teague has outboxed a lot of the best hitters, expects to pile up enough points to offset Waugh's punches. Regardless of the length of the fight plenty of action will be seen as both boys are known for their fast fighting.

Harry Pouder, of the firm of Pouder & Pomeroy, oil producers, will be the third man in the ring for the main event. Pouder is an old boxing fan and has been connected with the game for many years. Carl Morris when he first started several years ago did most of his work in Pouder's private gymnasium, located under his palatial home on North Cheyenne street. Pouder was the first organizer of the old B. M. A. C. that held bouts under the Cresent hotel, now the Terminal and will be much at home in the T. A. C. ring.

The preliminaries are unusually strong, owing to the fact that the fighters have been allowed full usage of the gymnasium and all have been required to work daily in preparation for the match.

Jack Berry, who won instant favor with Tulsans when he knocked K. O. Whitey through the ropes in the first bout here, meets Cris Wagoner in the semi-final go. This bout will solve the question as to who is the welterweight champion of Tulsa, since the T. A. C. has opened several boys have made known their intentions of being "pugs" and the crop of welter needs a little chopping. Eight rounds will be long enough to decide the victor in this bout.

In the other events Jack Maunier will box 6 rounds with Ace Johnson and George Courtney will step four frames with Stanley Bell. These fights will be interesting as the boys are evenly matched and all are in good shape.

The ring is located in the basement of the Terminal hotel and is in plain view of all the seats, cool weather or today and 20 fans insure that the hall will be comfortable. A large seat sale is reported from the S. & W. Cigar store, Terminal hotel and All American shine parlor, these stores will continue the sale until 7 o'clock when the tickets will be moved to the gymnasium.

EPWORTH LEAGUE MEETING

County Union Will Hold Regular Session October 4 at First Church.

Tulsa group Epworth league union of the Methodist church, consisting of the chapters in First, Grace, Orcutt, West Tulsa and Rose Hill churches of this city, and Methodist churches at Broken Arrow, Bixby, Jenks, Park View, Owasso and Sand Springs, will meet in regular session Tuesday night, October 4, at First Methodist church, according to a call sent out by Miss Margaret Corning, secretary. Dinner will be served in the church basement at 6 o'clock and followed by a social at 7 o'clock, a song service at 7:45, the address of the evening by Dr. Franklin G. Dill of the University of Tulsa at 8 o'clock, and awarding of a banner to the league having the largest proportionate number of its members present.

The group union alternates a business session every two months with a conference of the cabinet to which all leaders of leagues are invited to bring their problems for solution. During this month the union has been cooperating with the district union in a stewardship and tithing program, to culminate Sunday in the giving of dimes for the district missionary in China.

Braves and Dodgers Split a Pair; Reds Easily Down the Cubs

PITTSBURGH, Sept. 27.—Pittsburgh today closed the local season with a 4 to 1 victory over Philadelphia in a free hitting contest. Glasner was knocked out of the box in the fifth inning and Cooper held the visitors safe except in the sixth, when two hits, an error and a sacrifice fly scored two runs. The locals knocked him off Winters in other innings, scoring three runs each time.

Score:

Braves and Dodgers Divide.

BOSTON, Sept. 27.—Boston and Brooklyn divided a double-header today, the former winning the first game, 4 to 3, and the visitors taking the second 4 to 0. Powell made three triples and a single in the opener. Score in the second game:

Bohmandt on second and Janvrin on first. Taylor filed to Ford who tossed second and threw to Hulke, completing a triple play. Ford also figured in three double plays.

New Attendance Mark Set by "World Series" of Yank and Indians

NEW YORK, Sept. 27.—A total of 141,980 persons—a new attendance record for four consecutive baseball games—passed through the turnstiles to see the New York-Cleveland "little world series" just finished at the Polo grounds. The figures, made public today by Ed Barrow, business manager of the Yankees, did not include 4,500 "deadheads" per day, so that the number of persons who actually saw the games was 142,000. The best world series of attendance record was in 1917 when 136,996 fans witness the first four games between the New York Giants and the Boston Red Sox.

Purchase of Autos Is Authorized for Police

The immediate purchase of two new Ford touring cars and one new Ford truck by the police department was authorized by the mayor and commissioners Tuesday. The touring cars are to be used in answering calls, and the truck is to be fitted with an enclosed body and converted into a patrol wagon, something Tulsa has not possessed for several years. A dozen bicycles are to be purchased by the police department for the use of patrolmen with large beats.

Tulsans Hear of Death of Bishop W. R. Lambuth

Word of the death of Bishop Walter R. Lambuth, head of the work of the M. E. church, south, in Japan, was transmitted by wire to Boston Avenue M. E. church Tuesday. Bishop Lambuth is well known throughout the denomination and Bishop E. D. Mouzon, who knew him personally, said of him yesterday: "He was one of the best men I ever knew." The bishop was born in Japan, of missionary parents, and gave his life to church work, particularly in the mission field.

PROTESTS SPEEDING

Junior Chamber Will Cooperate With Police to Eliminate Racing of Ambulances Through City.

Adding its voice to that of the Tulsa County Medical society and other organizations and individuals, the junior chamber of commerce at its weekly luncheon at Ed Woods' cafe Tuesday noon protested against the recklessness of ambulance drivers in responding to calls.

Several members of the junior chamber told of witnessing ambulances going at an unreasonable fast rate of speed, especially through the business district. One member explained he at one time lived near an ambulance station in the south part of the city and stated that drivers indulge in speeding even when going a block or two for gasoline.

A committee of three headed by R. Z. Achily was appointed to investigate the ambulance situation and cooperate with the police department or city officials in bringing about effective measures that will curb the speed of ambulances and at the same time protect the lives of scores of pedestrians that might be victims if one of the ambulances should skid into a curb while going 40 or 50 miles an hour. Part of the discussion yesterday centered around Traffic Officer Pittman who was severely injured by a speeding ambulance and who is now confined in a hospital.

E. M. Monsell, president, and other officers and directors of the Sand Springs chamber of commerce were guests at the meeting. Monsell explained that the Sand Springs organization expects to cooperate with the Tulsa junior chamber in the location of factories between Sand Springs and Tulsa.

An invitation was accepted to attend a banquet given by the "sister city" chamber of commerce the night of October 3.

And Her Name Was—

"Hear you got a new car. Does she rattle?"

"Rattle? I'll say she rattles—sounds like a skeleton having a chill on a tin roof."

AID FOR FARMER NOW AVAILABLE

Oklahoma Banks Can Get Money to Loan, Pringley Announces

Special to The World.

WASHINGTON, Sept. 27.—Oklahoma farmers who although offering ample security have been unable to obtain at their banks the money needed to carry on their agricultural operations should, after this, be able to borrow all the money that they require for that purpose, according to Congressman J. C. Pringley.

"I find that few banks and fewer farmers have become aware of the relief offered by the amendment to the War Finance corporation act, passed at this session of congress," says the Oklahoma representative, "therefore I have spared full information to be sent to the banks in my district, explaining that the War Finance corporation will advance funds to banks, which make loans for agricultural purposes."

Oklahoma banks desiring such funds should apply to the agricultural loan agents, L. C. Smith, chairman, Commonwealth National Bank, Kansas City, Mo.

Section 21 of the Act, as amended, provides that the War Finance corporation is empowered to make advances to any bank which may have made advances including the feeding, raising, fattening and marketing of live stock, and that such advances may be made for a period of not exceeding one year and the corporation may, from time to time, extend the time of payment, but not beyond three years from the date upon which such advances were originally made.

JUDGE PLAYS SAFETY FIRST

Wood Case Reset to Allow Probe of Jury Methods.

Special to The World.

MIAMI, Sept. 27.—A charge of irregularity in the selection of the jury to try C. B. Wood charged with the murder of O. B. Vanderpool, was made in district court Saturday afternoon by one of the attorneys for the defense, after the jurymen had qualified and when the hearing of the case was about to begin. Thereupon Judge Fullerton suspended the proceedings and inquired into the matter, with the result that the jury was dismissed and the case reset[illegible] for trial at a later date.

The judge indicated that he did not believe that there had been any real crookedness in the matter, but was unwilling to begin the trial of the accused before a jury when there was a possibility that one member thereof had been improperly chosen. The crime for which Wood is to be tried was committed more than a year ago, and the case has been postponed several times because one side or the other was not ready for trial.

BIG TURNOUT FOR FUNERAL

Private Is Accorded Largest Military Obsequies Given in Olton.

Special to The World.

OLTON, Sept. 27.—The body of George B. Miller, private, who was killed in action in France on September 28, 1919, was buried here Sunday afternoon by the Bruce Turner post of the American Legion, with full military honors. The funeral sermon was preached by Rev. L. L. Scott of the Baptist church and the body was laid to rest in the Olton cemetery. It was said to be the largest funeral procession ever held in this city, as it was estimated that there was at least 250 autos in the procession, besides the people on foot.

This is the third body to arrive for burial in this city, the other two being Private Turner and Private Sherman Graysville Grote, the latter being buried here just two weeks ago. The funeral was held under the auspices of the local American Legion post.

Osages Collect Royalties.

PAWHUSKA, Sept. 27.—"The poor Indian," does not refer to Osage Indian nation, richest tribe of Indians in the world. The Osages today were cutting the regular quarterly oil royalty melon. The sum to be divided is a little matter of $3,120,600. There are 2,229 Indians participating in the dividend, each receiving a check for $1,400.
