Tulsa and Oklahoma City Golfers to Fight It Out in Semifinal Round Today

JAMES KENNEDY IS PAIRED WITH HARRY GWINNUP

Bates and Donnelly to Fight for Place in Title Flights

Special to The World.
OKLAHOMA CITY, June 13.—Tulsa was awarded the 1923 amateur championship golf tournament by the state association here today. Harry Gwinnup was elected president of the association.

OKLAHOMA CITY, June 13—Oklahoma City and Tulsa will fight it out for the amateur golf championship of Oklahoma Thursday.

At the end of the second round of match play this evening, E. P. Bates and G. M. Donnelly of Oklahoma City remained in the running to represent the upper bracket of the championship flight, and James A. Kennedy and Harry Gwinnup of Tulsa survived of the lower eight.

Bates and Donnelly will clash tomorrow and Gwinnup meets Kennedy in the semifinal round of 36 holes to determine which shall represent his club in the final match Thursday.

Bates-Kennedy Favorites.

Both are expected to produce hard matches. In his last nine holes this afternoon Bates registered a 33, a feat which had been performed only twice in the history of the Lakeside course, and a few minutes later Kennedy came in with a similar score. Those two probably will rule slight favorites over their opponents in tomorrow's matches.

C. W. Wangerien of Okmulgee, the medalist of the qualifying round, met defeat in the first round of match play at the hands of Bates 3 to 2. In the afternoon Wangerein again suffered a reversal, J. K. Marrs of Oklahoma City beating him in the A consolations.

G. A. Mattson of Lakeside, 1919 champion, started out as if he might uncrown Kennedy, having him 1 down at the turn. The Tulsan, however, squared the match on the tenth, went 1 up on the eleventh for the first time, increased his lead to 2 on the 13, made it 3 in the sixteenth and then they played out for the medal scores, Kennedy registering a 74 and Mattson a 77.

Tulsan Plays Brilliant Game.

In the afternoon Kennedy hooked up with E. A. Leibman of the Oklahoma City Golf and Country club in another good match to win a 3 and 2 victory by shooting the second nine in 33 after being square at the ninth. This is three under par.

Bates, after defeating Wangerein, won over Jack Upsher of Oklahoma City, 3 and 2, which put him in the semifinals. Upsher had beaten J. E. Marrs of Oklahoma City, 4 and 3.

Donnelly went into the semifinals through a 6 and 5 victory over C. E. Webb of Lakeside in the morning and a 3 and 2 defeat of A. J. Peters of Okmulgee in the afternoon.

After beating N. W. Baptist of Tulsa, 6 and 5, in the morning Gwinnup won over H. A. Barnard of Oklahoma City in the afternoon by one hole.

Class A Summary.

First round: E. P. Bates of Oklahoma City won over C. W. Wangerein of Okmulgee, 3 and 2; Jack Upsher of Oklahoma City won over J. E. Marrs of Oklahoma City, 4 and 3; G. M. Baptist of Tulsa, 7 and 6; E. A. Leiben of Oklahoma City, won over A. K. West of Oklahoma City, 2 up; J. A. Kennedy of Tulsa won over G. A. Mattson of Lakeside, 4 to 2.

Second round: Bates won over Upsher, 3 and 2; Donnelly won over Peters, 3 and 2; Gwinnup won over Barnard, 1 up. Kennedy won over Leibman, 3 and 20.

Gypsies Hang Up Another One.

Ray pitched brilliant ball and gave the Gypsies another boost in the percentage column by beating the champions 7 to 1, yesterday afternoon at McNulty park. Besides carrying the burden of the battle for the Gyulses, Ray slammed out a home run in the third inning that started a big rally.

Carter, Texas first sacker, continued his slugging spree yesterday when he connected for two out of three, making him nine hits out of the last 11 attempts. Singleton, Gypsy gardner, pilfered another base and hiked his total for the season to nine. Johnson, Gypsy second baseman, played a great defensive game by handling seven chances perfectly.

Robinson Crusoe As Screen Hero

"The Adventures of Robinson Crusoe," is the world's prize picture of man's ingenuity under difficulties. Because here is a picture of a man who conquered that cruel fate which marooned him for years on a faraway island and became monarch of all he surveyed.

Harry Myers, the noted "Connecticut Yankee in King Arthur's Court" carries the role as Crusoe with all the dash, love of adventure and vitality that made the original hero popular the world over.

Noble Johnson as the man "Friday" the heavy-weight giant can be compared in accordance with the customs of the Carib Indians of the seventeenth century, with his skin the color of a ruddy bronze of the savages of the island.

Every child as well as the grown-ups will clamor to see this screen version of his favorite story. "The Adventures of Robinson Crusoe," will teach and entertain at the same time. Daily fights with the savages, encounters with the strange wild animals which inhabit the isle, and the hazards of the unteaveled jungle.

Showing at the Lyric theater today and tomorrow.—Advertisement.
