Oilers Make Great Start in Final Series of Long Road Trip

DES MOINES, Aug. 29.—The Oilers took the lead in the early innings of today's game and at no time did there appear a chance for the local team to hang them. Tulsa bunching its hits at times when needed to bring in the runs. The final score was 8 to 2.

Lelivelt's crew pounded the ball for 16 safe hits for a total of 20 bases, including Lamb's terrific home run. McLaughlin had the Boosters eating out of his hand all the way. Wolfram opened the game for Des Moines but was relieved by Trepton in the ninth.

Yanks Have Edge On Brown Combine In Bunting Chase

By DAVIS J. WALSH.

NEW YORK, Aug. 29.—If it comes to a head and head dash down the wire as it most certainly will, the New York Yanks enjoy an advantage over the St. Louis Browns in the one department that ultimately wins and loses ball games—pitching.

Urban Shocker, Brown's "ace," is the best right-hander in the American league, but no one man can pitch a ball club into a pennant. The fact that the Browns are up there at all is due to the early season victories of Vangilder, Pruett, Kolp and others. The fact that the Browns now trail the Yanks by a game and a half, thanks to the Yanks' winning three out of four in the series just closed, is due to the late season flop of Vangilder, Pruett, Kolp and others.

Manager Huggins who knows plenty about baseball in general, cannot be mentioned in the same breath with Lee Fohl when it comes down to a matter of developing pitchers and nursing them along. Huggins has had nothing to do with the sudden return to work of Hoyt, Mays or Jones, or the steady all-season performances of Rush and Shawkey. This just merely happened.

Fohl, on the other hand, has managed to work Davis, Vangilder, Kolp, Pruett, Bayne and Shocker to such judicious effect that it was not until recently that St. Louis pitching really began to look a bit careworn. Perhaps Fohl may be able to work a couple of them into form when the club returns to St. Louis. If he does, at least one section of the world's series is likely to be played no farther east than the west bank of the Mississippi, for the Browns are a team that needs less natural aid than the Yanks.

Split Double-header.

PITTSBURGH, Aug. 29.—Superb pitching featured the double-header which Pittsburgh and Brooklyn divided here today. The Dodgers won the first game, 3 to 2, and the Pirates took the second contest, 8 to 6.

The opener was a thrilling duel between Hamilton and Reuther, but the breaks went against the former. In the first inning with two out and Griffith on base Neis drove a sharp liner to right. The ball hopped into the bleachers for a home run. Adams' perfect control for other Cadore's speed in the second contest. Eleven Dodgers' drives were caught by the local outfielders and only six hits were made off the veteran.

YANKEE SLUGGERS HELP JONES PUT SENATORS DOWN

White Sox Beat Tigers in 10 Innings, Browns Take Indians Under

NEW YORK, Aug. 29.—The New York infield gave Sam Jones remarkable support today and the American league champions defeated Washington in the first contest of a three-game series, 4 to 1. The Yankees hit Johnson freely, especially in the early innings, but needed home runs by Pipp and Ruth to score two of their three runs. It was Ruth's twenty-seventh home run of the season. Washington filled the bases with one out in the ninth on Witt's error and two passes on balls, but Jones fanned Rice and Harris lined to Meusel. Peckinpaugh collided with Jones at first in the fourth inning and had to leave the game.
