OIL LEASES AND SUPPLIES 44-A

TODAY'S BEST OIL SHOT

Consult the advertisements on the oil page of today's World and see my ad where you have a good chance to put in a few hundred dollars with a pretty good shot to have it return you a good income. If we are wrong on this, some of the best oil men in town are wrong in their judgment. I advertised in this column a deal in June and the fellows that bought interests in that deal brought in two wells, the first 400 barrels, the second 1,500 barrels. I still hold an interest in that deal. This deal looks much better right now than that Bristow deal did when I took it, and it has a good chance to pay back even greater returns. H. G. Hutchkins, 414 Central National Bank Bldg. Osage 2032.
