D. A. R. Begin Year's Work.

"The National Highways and Colonial Music and Art" will form the topic for the programs accompanying the meetings this coming year of the Tulsa chapter, Daughters of the American Revolution, so announced by Mrs. Charles L. Yancy on Tuesday at a luncheon given by the incoming regent, Mrs. John Murray Ward, at the Country club. Mrs. Yancy, chairman of the program committee, said that in this day with motoring at its zenith, it was thought quite apropos of the times to have national highways a topic of study. The National D. A Serviceable Undergarment.

Pretty "undies" that are practical too, are the type of undergarments

for the woman in medium circumstances to choose. In this style, a very pretty camisole is combined with the popular long bloomers, which for the past few seasons have widely taken the place of petticoats because they are so comfortable. The camisole could be made of flesh, white or peach lining silk at 75c per yard with navy blue or black silk at the same price for the bloomers and then the entire garment would cost about $2.35.

The pattern No. 1556 cuts in sizes 16 years, 36, 38, 40 and 42 inches bust measure. Size 36 requires 3 yards 32-inch material. Price 15 cents, stamps or coin (coin preferred.) Transfer Pattern No. 632—in blue only—15 cents extra.

Our fall and winter Fashion Magazine is ready. Contains over three hundred styles in addition to four pages of embroidery designs, three pages of styles worn by "Movie" stars, and a six-lesson course in dressmaking. Price 16 cents per copy.
