WATERFRONT ITEMS

The steamship Costa Rica preceded the United States cruiser Charleston up the river by a few minutes last night and tied up to the O. R. & N. wharf at 6:20. She had a splendid passage up and had a full passenger list. The only excitement on the trip was encountering the war vessels which they sighted about two hours before they got to the bar.

The United States cruiser Charleston arrived off the waterfront at 6:25 last night. She was brought over the bar by Pilot Captain Staples and proceeded straight up the river under the guidance of Captain Patterson.

Two torpedo boat destroyers were seen off the bar yesterday morning. One of them turned and went south. The other, the Paul Jones, came up the river and anchored for three or four hours opposite the Callender dock. She later proceeded up under the pilotage of Captain Peterson.

The steamship Alliance returned yesterday from Coos Bay, and was delayed some time at her wharf in order to allow Coroner Pohl to collect his witnesses in the Jennings' murder case. She docked at Ross-Higgins' wharf as the Callender dock was occupied by the Telegraph.

The second ship to arrive at Nushagak this season was the North King of the Alaska-Portland Packers' fleet. The first was the steamship Nicholas of the S. Elmore Company as announced in the Astorian Saturday. The Berlin arrived two days after the North King.

A message from San Francisco under date of June 16 announces the safe arrival of the steam schooner Jim Butler. The steamer Asuncion also arrived and the Cascade, Tiverton and schooner Abbe.

The British steamship Ascat is reported to sail for North China at the latter part of the week. She is now being loaded with flour and full gangs are working on her.

The tug G. R. Vosberg yesterday towed out the schooner Antelope from Nehalem lumber laden.

The steamship Kalibia was sighted by the torpedo boat destroyer Paul Jones on her way up.

The steam schooner Washington came in from San Francisco to load lumber at Rainier.

The schooner Excelsior came in yesterday.

The Magic No. 3

Number three is a wonderful mascot for George H. Parris, of Cedar Grove, Me., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man today. The first bottle relieved and three bottles completed the cure." Guaranteed best on earth for stomach, liver and kidney troubles, by Charles Rogers, druggist, 50c.

EARTHQUAKE IN CHILI.

34 Persons Killed During Recent Shock in South America.

VALPARAISO, Chili, June 17.—Late reports from Valdivia state that 34 persons in all were killed or injured by the recent earthquake. The region affected by the shock extends from Valparaiso to Magellan Straits and from the Pacific to Neuquin, in Argentina.

Success in life is accomplished by increase of enemies. That's why Hollister's Rocky Mountain Tea has so many imitators; it's a success. 35 cents, Tea or Tablets. Frank Hart.

CHARITY REQUESTS

Helen Gould Has Many Strange Pleas for Money.

PREPARED AN ITEMIZED LIST

Request Aggregate Over Two Million a Week and Range From Set of False Teeth To a Million For Cuban Colony.

NEW YORK, June 17.—According to a statement made public today the requests for the gifts sent to Miss Helen Gould aggregate nearly 2,000,000 week. They range all the way from the asking for $15 for a set of false teeth to $1,000,000 to start a colony in Cuba.

Miss Gould gave an itemized list of a week's requests recently to Franz Kallenborne, the orchestra leader. A movement is on foot among the music lovers of this city to make Mr. Kallenborne's orchestral music a permanent feature in New York. For this subscription subscriptions from wealthy persons would be necessary. Miss Gould was one of these consulted. She encouraged Mr. Kallenborne but incidentally cited the fact that this was not the only thing she was asked to encourage. Then she gave him the list.

In the week referred to Miss Gould received 231 requests for money outright. Out of these 199 left the amount to her good will and discretion. Miss Gould was asked in that week for $5,000 to help form an anti-saloon league in Idaho. She received 43 requests for aid for churches, 27 for educational institutions and 26 for libraries. More than $30 were for help and charitable institutions and 26 for libraries.

Four persons, presumably young women wanted Miss Gould to help them buy a trousseau. Eleven persons wanted pianos and 12 wanted Miss Gould to buy their inventions.

Following are some of the other wants:

Bibles, bicycles, a farm and three cows, one invalid's chair, enough air pillows to supply a regiment of soldiers, one set of teeth, five sewing machines, and 15 railway tickets.

PROVE IT ANYTIME.

By the Evidence of Astoria People.

The daily evidence citizens right here at home supply is proof sufficient to satisfy the greatest skeptic. No better proof can be had. Here is a case. Read it:

Mrs. Helen Lewis, of 52 Astor street, Astoria, Ore., says: "Doan's Ointment proved its healing qualities several years ago when I used it and told in a published statement the great relief and cure I obtained from it. I used it for a breaking out around my mouth and lips which had troubled me for a number of years, despite all I could do to get rid of it. My lips would crack and become sore when cold weather set in, and this lasted until it got warm again. I was finally induced to try Doan's Ointment, procuring it at Charles Rogers' drug store. In a short time after beginning to apply it I was cured of the annoyance, and have been entirely free from it since."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Will Cure Consumption

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, cold and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied." T. F. Laurin, Owl Drug Store.

PEDESTRIANS SOUSED.

MADRID, June 17.—A wooden bridge over the river Manzaneres, which flows through the city, collapsed Sunday precipitating more than 100 pedestrians into the stream. All were rescued alive, but more than a score were seriously injured.

Ancient Rome

is now merely a memory of the past. Ballard's Snow Liniment is the family liniment of the twentieth century. A positive cure for Rheumatism, Burns, Cuts, Sprains, Neuralgia, etc. Mr. C. H. Runyon, Stanberry, Mo., writes: "I have used Snow Liniment for Rheumatism and all pain. I can't say enough in its praise." Sold by Hart's Drug Store.
