Manufactured only by the California Fig Syrup Co., San Francisco, Cal., is nature's own true laxative. This pleasant liquid fruit remedy may be had of Mr. C. F. Heinzeman, agent, Los Angeles. Sample bottles free and large bottles at fifty cents or one dollar. It is the most prompt, pleasant and effective remedy known to cleanse the system; to act on the liver, kidneys, bowels and stomach gently yet thoroughly; to dispel headaches, colds and fevers; to cure constipation, indigestion and kindred diseases.

Cure For Piles.

Piles are often preceded by a sense of weight in the back, loins and lower part of the abdomen causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm is a very common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address the Dr. Bosanko Medicine Co., Piqua, Ohio. Sold by C. F. Heinzeman, agent, Los Angeles.

The Wrong Man Shot.

Monday night a couple of sheepherders at Temecula got too much tobacco juice, scab-wash or some other hot mixture aboard, which made their heads, legs, eyes and hands all unsteady. Then armed to the teeth, they are reported to have gone after a stage driver named Hackett. Seeing him, or seeing double, which came to the same thing with them, they turned their artillery into active service. A stray ball struck the car serving as office for the California Southern Railway and Wells, Fargo & Co's Express, and which car was standing on a side track. Mr. A. C. Davis, agent of both companies was in the car and the ball inflicted a very severe and dangerous wound in the man's abdomen, with probably fatal results. Davis had been a line man on the California Southern for two or three years, and lately promoted to be agent. He came up here from somewhere in Mexico. He was to be married in a few days. At last accounts the wounded man was alive but not expected to live.

D. D. D.

To insure the perfect digestion and assimilation of food and to cure chronic dyspepsia, indigestion, flatulency, sour stomach, nausea, headache, etc., use De Witt's Dyspepsia Cure. It never fails to effect a cure and is superior to all medicines offered to the public for these troubles. For sale at Littleboy's drug store.

Freight Movement.

It is amazing how freight continues to come into Los Angeles from the east by the three transcontinental roads. At the "turn track," as the "Y" back of Naud's warehouse is called, about 20 cars a day are unloaded. The big freight depot, nearly 1000 feet long and about 50 feet wide, with its two platforms is crowded far beyond its natural capacity with the goods handled there.

All sorts of merchandise are comprised in the daily arrivals. There are dry goods, groceries, boots and shoes, beer, liquors, iron of all classes, glass, sash and doors, lime, cement, hair, agricultural implements, carriages, buggies, wagons, canned goods. It would be very hard to name anything not represented.

The Perfection

Of the age in the medical line is the liquid fruit remedy, Syrup of Figs, manufactured only by the California Fig Syrup Co., San Francisco, Cal. It is agreeable to the taste, acceptable to the stomach, harmless in its nature, painless yet prompt and thorough in its action. For sale by C. F. Heinzeman, agent, Los Angeles.

A Beautiful Present.

Mrs. Richard Dillon, of this city, has presented the editor of the HERALD with a most beautiful bouquet, consisting of a conical pyramid of roses resting upon a border of mignonette. Among the rare cluster of roses were observed many choice buds and full blooms of the Giant of Battle, Chromatella, Solfaterre, La Marque, and other choice varieties, forming a most exquisite combination of colors artistically arranged and filling the air with sweet perfume and a prophecy and foretaste of Easter. Thanks are feeble in expressing acknowledgements for such a charming present.

California's Greatest Product.

The greatest product California has yet produced is Fryer's Abietene, and combining it with Yerba Santa, Mullein and other expectorants and narcotics (without opium,) it makes a cough remedy that cannot be equaled for consumption, coughs, colds, bronchitis, asthma, hoarseness, pneumonia, pleurisy and any and all afflictions of the throat, chest and lungs. Ask C. F. Heinzeman for Fryer's Abietene Cough Balsam and take no other. Price 75 cents.

Important to Consumptives.

The people of Australia and of the State of California have been astonished at the wonderful curative power of Eucalyptus, or gum tree leaves, for all throat and lung diseases. A preparation called the "Gum Tree Cough Syrup," has rapidly sold all over our State, and is the only cure for a cold, whooping cough, bronchitis, etc., that will not make you sick at the stomach in taking. Relieves violent coughing; soothing to fever and all irritation. C. F. Heinzeman, sole agent, Los Angeles.

You will never have a sour stomach if you drink Damiana Bitters.

The beverage for the weak and strong sick and healthy: Ghirardelli's soluble cocoa

Fryer's Abietene Ointment.

Fryer's Abietene is produced in the northern part of Butte County, Cal., and combining it with Vaseline and other therapeutic agents, we challenge the world to produce anything to equal Fryer's Abietene Ointment for old sores, ulcers, salt rheum, corns, chilblains, fever sores, chapped hands, cancers, burns, ring worms, bleeding, blind, itching and ulcered piles, and all eruptions of the skin. Price 25 cents. Sold by C. F. Heinzeman.

Out of the Depths.

Mr. D. Einstein yesterday received a letter from his mother in Germany that showed rough usage on the briny deep. It was badly stained, and attached to the outside was a printed slip from Henry G. Pearson, postmaster at New York, stating that "this is a portion of the mail forwarded from Queenstown, Ireland, per steamer Oregon. It was damaged before being taken from that vessel which was sunk off Fire Island on March 14th." The care taken in securing and drying the mail at New York is certainly commendable. But the injury to mail at sea suggests the necessity of putting the mail on vessels in water-tight cylinders that will float ashore.

How to Shorten Life.

The receipt is simple. You have only to take a violent cold and neglect it. Abernethy, the great English surgeon, asked a lady who told him she only had a cough: "What would you have? The plague?" Beware of "only coughs." The worst cases, can, however, be cured by Dr. Wm. Hall's Balsam for the Lungs. In whooping cough and croup it immediately allays irritation, and is sure to prevent a fatal termination of the disease. Sold by druggists.
