

# Goods!

We want every one in this locality to know of this immense and magnificent line of Christmas Goods that we have ordered for them. It will be only a few weeks when every one will be buying Christmas Presents by the wagon load and that is why we are telling you now of the big line we will have ready for you. It is a easy thing to buy Christmas Presents and it's a good thing to know in advance of a place where practically everything can be had.

Dolls, Jewelry, Watches, Books, Bibles, Albums, Toilet Sets, Fancy Goods, Fancy China, Perfumes, and many, many other beautiful things too numerous to mention.

It will be only a few days before our big HOLIDAY Stock will be displayed—will be all over the store, then look out, for it will be so large and so attractive that the store will be full of buyers right up to Christmas time. Remember, if you come early you get first choice. If you wait until the last minute, you get what is left.

## DON'T DO IT!

Don't be misled by high flown talk and high sounding names and whole volumes of slush describing big stocks, mammoth bargains and all such rot, to rush off and part with your good, hard-earned money for goods that are inferior. Trade at home with people you know and with folks that stand ready to always "make good" on any trade that proves unsatisfactory.

My stock is complete in every line. New Fall and Winter Goods are coming on every train. The goods are all right and first-class and the prices are as low as they can be sold for.

## DO IT NOW!

Try this store on one deal and you will always get your money's worth, never complain and go home happy.

ANYTHING, EVERYTHING, AND THAT THE BEST.

Yours for prosperity,
