"POP" GEERS WINS $5,000 STAKE RACE

PITTSBURGH, Aug. 14.—The feature of the supposedly invincible Mabel Trask in the $5,000 stake for 2:06 trotters was the feature of the closing card of the grand circuit at Brunot's Island track.

Pop Geers and the bay stallion Dr. Prince, was the combination which brought about the downfall of the mare from the Far Niente. She was a 125 to 42 favorite in the sentiment. In the first heat she led quite without duty until of the wire, when Dr. Prince passed her and won. In the next tough the again led to the stretch, but in a hard drive was beaten in 2:04 1-4 by the stallion. Prince led all the way in the third heat, the Mabel Trask going in a heat behind the field. CITY LEAGUE TWIN BILL FAST AND SNAPPY TO END

Two rattling good games were staged in the City League last Sunday afternoon. The games were very similar as both winners made the lone score on an error at a critical moment and in each case were the pitchers the main factors in the argument.

Smith and Barbour locked horns in the first game with the former received the winner. The lone Independent denied the visiting stalwarts. Rogers tried to hit the right field house in an effort to complete a double play. It was another good question that can be used to prove the strength of a certain warm region.

Young, the league's hard luck pitcher, was again a loser of a game that he had as much right to as Wharton. Catcher Maxwell sent another piece of pavement to His Satanic majesty when he threw over Autry's head in an effort to stop a double play and Shack Marvelled some without having to be towed in. There was but one extra base hit in either game, both doubles.

CONCRETE WORK IS BEGUN ON THE PAVING PROGRAM

The initial blocks of paving under the present contract were finished yesterday similar as the concrete foundations are concerned. The men in charge seem well pleased with the progress and gives out the statement that with suitable weather as the machinery having arrived, no further hitch is probable until the contract is completed.

WESTERN PAVING COMPANY ESTABLISHES ITS OFFICE

The Western Paving Company of Oklahoma City has established its headquarters here at least temporarily by reason of the fact that numerous contracts have been secured in the section of the southwest. This is the company having the greatest stretch of paving under the present contract. Secretary Felton will be in charge of the Amarillo office.

The Board of Trustees of the Amarillo Independent school district will receive sealed bids for the Treasurership of its funds for the year 1916-1917, said bids to be in the hands of A. E. Meyer, by August 26th, 1916. The board reserves the privilege of rejecting all bids if found desirable.

Panhandle Farmers' Congress Will Have Great Attendance

As an outstanding feature in the development of the Panhandle and Plains Country of Texas, will come the Panhandle Farmers' Congress August 24-25. People all over the district are awake to the importance of the upcoming three days meetings, at which time men expert in farming and allied interests in the southwest will participate in the program.

The following, clipped from the Shamrock shows that the people down that way are getting in shape for the meeting:

The Silver Farmers' Institute held its regular meeting last Saturday with something over forty members present. The total roll of membership is now 153. A very interesting session was held, and the principle business was the election of delegates to the Panhandle Farmers' Congress which meets in Amarillo on Aug. 24th to 26th inclusive.

The delegates elected were: F. A. Williams, T. J. Axel, J. L. Benton, A. E. Davis, J. H. Harrison, M. G. Leverett, D. C. Stokes, W. P. Brown, R. H. Brewer and E. P. Parton.

The Shamrock Farmers' Institute meets every first Saturday in the month at 2 o'clock in the Opera Theatre.

Mrs. Anna Layrock, writing for the Claude News, has the following to say regarding preparations for the meeting:

At the meeting August 5 at the court house of Claude twenty of the best farmers in Hamlin, were in Armstrong county who realize that the state is trying to help us if we help them by attending this meeting and who also know that if those institutes were not benefitted the government would not be spending those five million dollars to help farming interests in the Union. Wynn of Canyon, whose business was to encourage our own people to attend the Panhandle Congress in Amarillo, August 24, 25 and 26.

Mr. Wynn said: "The world now turns its attention to farmers." Those institutes put the school into the home without expense, will great effort for better homes by sending our boys and girls on the farm and fitting them for their life work.

If these institutes were not beneficial the railroads would not co-operate and furnish free transportation if we would attend these meetings.

We would conserve our energy by planning and discussing why the producer gets 46 cents out of every $1 and the outside world gets the rest and plan so as we farmers might be able to get our full price.

This cannot be done unless more interest is taken in the rural or local institute.

The delegates the state allows the Farmers' Institute of Claude to send to Amarillo were nominated as follows: Messrs. C. E. Nickell, Clyde Smith, E. C. Clay, Ernest Breedlove, Mesdames C. P. Clay, L. E. Johnson, Zibbie Matthews and Misses Nora Gobe and Lilian McClure.

A motion was made that the women as the Armstrong county federation meet with the institute in Claude on the first Saturday of each month.

Let us work together and get busy and build up Armstrong county by getting the A. and M. college to locate that school in our community. The only way this can be done is to work together and the best way to work together is to get together on September 2nd and the first Saturday in next month and begin the good work.

A program for the day will be printed later.
