JANUARY 1, 1910.

J. J. DOWLING, Superintendent. E. S. POLLISTER, G. P. & F. A.

Spurt advertising will not bring the results of continuous hammering. The business man must wear his announcements into the brains of the public by continuous publicity. The man who shouts fish on the highway once a month may not be found in the interval when fish is needed. Drive it into the public, be on the ground and let the public know it today, tomorrow and all the time. We can make business known for little money.
