Forage Deal Graft.

TACOMA, November 28.—Accused of defrauding the United States quartermaster's department, John J. Sexton, of Vancouver, Wash., was arrested Wednesday at his home in Vancouver by United States Deputy Marshal J. F. Statler, on a warrant sworn out by Capt. Clifford Game, before United States Commissioner Tolen in Seattle, charging him with having received $270 on two orders which should have been delivered to the quartermaster's department at Vancouver.

It is alleged in the charges that Sexton, who had been forage master at Vancouver Barracks for more than twenty-five years, signed a receipt for 27,000 pounds of oats which the government bought from John Wachter, a Columbia River grain man, but which were never delivered to the barracks.

It is alleged that Sexton could easily do this, since he was highly respected and trusted owing to his long tenure of office and was asked to sign unsigned and undated documents. It was his duty to certify to the receipt of all the forage received at the barracks. In this case it is alleged he attested to have the oats delivered to W. F. Edwards & Co., grain brokers in Portland, at a rate of one cent per pound. Edwards & Co. refused to be a party to the transaction but the oats were delivered elsewhere and not at the barracks.

Sexton on account of his long residence at Vancouver Barracks was very prominent in the affairs of the community and which caused to leave the reservation a week ago, his removal was the subject of much speculation which became a sensation when the arrest was made by Deputy Marshal Statler. When arrested Mr. Sexton was tackling down a carrot in the new game he had recently taken up on the suggestion of friends. Sexton is said to have been expecting to be arrested for more than a week, but the actual event caused remarks of "Well, there had to be a first time."

After his arrest Sexton was taken before United States Commissioner Cornish in Vancouver and arraigned. In default of $1000 in the bond for his appearance for trial, the bail was furnished by three prominent citizens of Vancouver.

The arrest of Sexton is rumored to be but the first of other gentlemen in Vancouver. It is possible that Wachter, who sold the oats to Sexton will receive a share of corruption which will charge a number of firms into the case as parties to a well executed and long worked plan to rob defrauding the government of its officials.

MAJOR LONG TO LEAVE SOON

Marine Battalion Commandant Will Be Relieved by Major Neville.

[illegible] Marine Corps [illegible] Washington, [illegible] Major Long will go to Pensacola board for promotion and will shortly wear the insignia of a lieutenant-colonel. He has to report for duty at the headquarters of the corps in Washington.

HILO MAY HAVE A MEDICAL SOCIETY

HILO, November 7.—Owing to the increase in the number of medical men on the island of Hawaii, due to its growth and development, arrangements are being made for the organization of a medical society at Hilo and it is likely to become an actuality within a few weeks. The growing need for sanitary supervision, and that the Big Island physicians may have some voice in territorial county legislation are the main motives for the movement which must be beneficial to the whole Territory.

HE DREW THE LINE.

The Pastor's Wife—I called on Mrs. Harlem this afternoon and found her so beautifully optimistic. One expression she used has haunted me ever since.

The Pastor—What was it, dear?

The Pastor's Wife—There's music in everything.

The Pastor—Huh! I guess she has never listened to our new choir.—Chicago News.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Paw Paw, Mich.—"I suffered terribly from female ills, including inflammation and congestion, for several years. My doctor said there was no hope for me but an operation. I began taking Lydia E. Pinkham's Vegetable Compound, and I can now say I am a well woman."
EMMA DRAPER.

Another Operation Avoided.

Chicago, Ill.—"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."—Mrs. ALVENA SPERLING, 11 Langdon St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.
