LOCAL NEWS.

J. M. Daigle died at 5:30 P. M. yesterday.

Gospel Temperance meeting at the Bethel Union Church at 7:30 P. M.

There will be a special meeting of the Firemen's Board held next Monday evening.

The Myrtle Jr. crew will commence drilling this week and the senior crew will begin next week.

An old native police officer named Amuo, after a lingering illness, died last night at the hospital.

We have received the September number of *The Friend* which will be noticed in our next issue.

Mr. M. Louisson is erecting a new cottage adjoining his residence on the Fort street side of the lot.

It is rumored on the streets that Mr. Frank Higgins departed for the Coast by the Alameda last Tuesday.

Mr. Hy. Davis is having the front yard of his residence on King street pretily laid out in tasteful flower beds.

The steamer Zealandia may be expected here from San Francisco this afternoon or to-morrow with dates to the 29th.

The rumor that the Woodlawn Dairy and Stock Company had purchased Mr. Henry Macfarlane's 24-gallon cow is without foundation.

The lot on Fort Street, adjoining Mr. Hyman's, is being leveled off preparatory, no doubt, for a new residence, as it is a handy and desirable locality.

At the business meeting of the Bethel Social Union, held last Wednesday evening, the officers and various committees were re-elected for the ensuing year.

From *The Friend* we are pleased to learn that Mrs. Dr. Damon is so much restored in health that her return to Honolulu may be looked for at an early date.

The law library of the late Judge Benjamin H. Austin was moved from the Government Building yesterday and stored in the office lately occupied by the Hon. A. S Hartwell.

A procession of some 14 natives passed along Hotel street about 8 P. M. yesterday, carrying a man on a stretcher. Nothing could be learned from them by our informant, except that the man was ill.

The daily noon meetings at the Y. M. C A. rooms were discontinued on the 13th ult., and are now held on Thursdays only. Due notice will be given when it is resolved to renew the daily communions.

Mrs. E. M. Beckley, curator of the Government museum, has gone to Waialua for a short vacation. While there she will be the guest of her cousin Rev. E. S. Titmoteo, of the Hawaiian Evangelical Church in Waialua.

Dodds' six-horse-bus took the band boys around town yesterday afternoon to play for the circus. The bus was decorated with large banners bearing the following inscriptions in native and English: "Circus to night. Fireman's Benefit."

The Fire department board met Thursday night. There was a full attendance. A discussion took place on fire alarms. The chairman, Julius Asch, appointed members to assist at the circus benefit for the sick fund last night.

Mon Ting, shipping agent, is having a two-story frame store building erected on King street a short distance above the Station House. Mr. Ting will rent the store to Chinese merchants and will have an office reserved for himself in the rear.

Mr. M. McInerny has put a large square window, opening on Fort street, into the rear of his store. This additional light is needed in the new clothing department which Mr. McInerny is about to open with a large and well selected stock of goods.

The Rev. Dr. Wills, a noted public speaker of the United States, is announced by the *Freind* as coming to this city next January to be the guest of Mr. J. T. Waterhouse Sr. We anticipate a grand oratorical treat on the Doctor's arrival.

Mr. H. F. Poor is finishing a neat four-room cottage on Emma street near School street. It will be completed in about two weeks and will be for lease. Mr. Poor's friends have been quite anxious lately to find out what he intended doing with it.

Mr. B. F. Reynolds, executor of the bankrupt estate of the Hawaiian Bazar, who has been suffering from sciatica for several months past, has been taking a rest from business, on the advice of his physician, and appears on the street again greatly improved.

Yesterday afternoon a horse belonging to a native, broke from a hitching post in front of Sachs' store. Jimmie Williams and another gentleman cornered the horse after some amusing acrobatic exercise and gave it to the native, who stood by enjoying the sport.

Bethel Union Church services: Sunday school at 9:45 o'clock. Services with preaching by Rev. E. C. Oggel, the pastor, at 11 A. M. and 7:30 P. M. At the morning service the Lord's Supper will be celebrated. All are cordially invited to these services.

By the schooner Kauikeouli, yesterday, information was received of the reported suicide of a native man named Waikapu, at Napoopoo, Kona, by inflicting four knife stabs in the groin. He is said to have been sick for a long time and took this method of ending his misery.

The Married Men play against the Honolulus at the Makiki diamond this afternoon at half-past three o'clock. On next Saturday the Oceanics will play against the Married Men and the last game of the league season will be played the following Saturday, September 19th, between the Honolulus and the Oceanics.

The main water pipe near the corner of Victoria and Lunalilo street has been exposed for several months past and is liable to be broken at any time by heavy wagons or other vehicles. The earth was washed away by the heavy rains in the early part of the season and it is unexcusable neglect to allow it to remain so.

The Chinese mellon raisers in the neighborhood of Pawaa, Punahou, and Waikiki, complain bitterly of depredations upon their patches. It is alleged, but we have had no opportunity of verifying the report, that certain perpetrators of these melancholy outrages are in the habit of adding insult to injury by plugging the fruit and leaving disparaging notes in the unripe fruit left behind.

The schooner Waiehu, under command of Captain Kibling, sailed yesterday for Kauai and Nihoa, for the Pacific Navigation Company. The schooner will stop at Kauai long enough to take on board a small company of excursionists, and will then sail to Nihoa where she will take on board a few tons of guano which will be brought to Honolulu and divided into test samples for fertilizers.

The Pacific Navigation Company is collecting stable manure, which is being stored in a vacant lot at the foot of Queen street. This manure when well rotted will be shipped to the various plantations as a fertilizer. During last year the company shipped 500 tons of this fine fertilizer. The shipments are made during the months of May, June and July. It is estimated that as large or even a greater quantity will be shipped this year.

Charlie McCarthy put up a unique sign day before yesterday at his soda-water store on Hotel street. The sign was painted on card board by one of the prisoners on the reef and displays considerable ingenuity. It represents Uncle Sam skating on a frozen pond holding a bottle of pop beer in his hand and breathing an advertising aphorism upon the frosty air. Over the old gentleman's head appears a legend which informs the thirsty wayfarer that "Pop beer on ice" is "for sale here." The sign is done in red, white and blue.

The Fireman's Benefit.

The circus tent was gaily decorated last night with Chinese lanterns hung in festoons across the road, along the fence, and around the circus tent. The Firemen had arranged to pay the circus company the amount of $200 for the performance and the amount of receipts over that sum was to go to the sick fund of the Firemen's Board. It is estimated that over 500 tickets were sold. By eight o'clock the tent was crowded there being between four and five hundred people present. His Majesty was present. The performance was undoubtedly the best presented here, and was received with frequent bursts of applause. The acrobatic feats and the performances of Shillito, the clown, were the best things of the evening. It has been roughly estimated that the receipts for the sick fund will amount to at least $400. The firemen have taken great interest in the matter and have succeeded, with the aid of a generous public, in making their benefit a paying one.

A Novel Way of Killing Cats.

Three gentlemen who live in the neighborhood of Beretania and Alapai streets, and who have been nightly entertained for some time past with the veritable cat-opera, have hit upon an ingenious plan for getting rid of these feline vocalists. The cats are caught in a large box trap—sometimes as many as six or eight in a night—and the next morning are put into a bag. They are then hung up and one of the party who is a medium shot, shoots at the bag with a pistol until quiet reigns. The cats are then buried and the operation is repeated. It is fun for the boys but the poor cats—O well, opinion is likely to be divided on the subject.

NOTICE.

Dr. Whitney's Dental Rooms will be closed from Tuesday, August 4th until September 7th. 257-260

Light on his airy crest his slender head;
His body short, his loins luxuriant spread;
Muscle on muscle knots his brawny breast,
No fear alarms him, no vain shouts molest;
O'er his high shoulder, floating full and fair,
Sweeps his thick mane and spreads his pomp of hair;
Swift works his double spine, and earth around
Rings to his solid hoof that wears the ground—(VIRGIL.

VENTURE.

This well-known Trotting Stallion is now standing at the corner of Punchbowl and Queen streets, and breeders, horsemen and stock-owners should take advantage of the opportunity to obtain his blood while they have the chance. He is now looking and feeling nearly as well as he ever did in his life, and moves as lively and his eye is as bright and he is as vigorous as a four-year-old horse.

It does not require a great horseman to discover great points of excellence in VENTURE. The ordinary citizen, upon beholding him, will be impressed immediately with his grand make-up, magnificent length, and elegant finish. If he is not the greatest horse that ever came to this country, he is surely one of the greatest, and as a turf performer, he towers as far above them all as he does above a sucking colt in statue.

A great deal of importance has lately been attached to the value of a horse that is being kept for stock purposes, whether he is standard or not, and the President of the National Association of Trotting Horse Breeders in America strongly advises people not to patronize stallions that are not standard bred, and he also advises them to select one not only standard bred, but if possible one that is standard by his own performance, which is a public record of 2:30, or better, and even more than this by the performance of his get also. Now, if this rule was rigidly applied it would exclude all such great horses as Electioneer and the sires of Maud S. and Jay Eye See, etc., for while they have become greatly renowned by the performance of their get, they never were turf performers themselves.

Now, we will see, for curiosity, how near VENTURE comes to possessing these three qualifitations, namely: Breeding, performances and performances of his get.

As to breeding, he is the peer of any horse on earth, and I don't except the great Hermit, who is the most popular stallion in England, and whose service fee is £500, he being the sire of three Derby winners.

As to his own performances, he meets the requirements, having a public record of 2:27¾—2:30 being the standard of admission.

His get are now just beginning to be appreciated in California, one of which (Vengeance) won a good race quite lately in Sacramento, in straight heats, making a record of 2:34, and is said to be able to trot close to 2:20, when called upon to do so.

With these facts before us, VENTURE looms up as one of the greatest horses, not only in this but in any other country, and the day is past when people will breed anything but the very best; and while the death of two such great horses as Boswell and Bazaar is greatly deplored by all true horsemen, still it is a great consolation that there is so good a horse as VENTURE to fill their place.

VENTURE is an aged horse, but he is one year younger than Dictator, who was sold only last year in Kentucky for $25,000, on the strength of his being the sire of Jay Eye See. His stud fee is $300. He is also ten years younger than Volunteer (sire of St. Julien), whose fee is $500. All things taken into consideration, I cannot see why VENTURE is not as desirable a horse to breed from as any of them, or why he is not as worthy of the patronage of the public. Below I will give his pedigree, of which I invite a comparison with that of any other horse in the country:
