AND OBLIGE MANY VOTERS.

☞ See notice headed "Fair Warning" in our advertising column.

☞ See notice of dissolution in another column of our paper.

☞ We are under repeated obligations to Hon. A. R. McCleary for papers and public documents.

☞ The two dollars due for those bills for the Pic-Nic, which came off last Saturday, would be very acceptable. Come up and pay it.

☞ Yesterday (Thursday) was the hottest day of the season, the thermometer stood at 102 degrees in the shade at 2 o'clock, at the Court House.

DIED—In Brookville, on Sunday the 1st inst., FLORA, daughter of Joseph S. and Minerva Wilkerson, aged 10 Weeks

☞ We welcome to our columns today a correspondence from Eldora, Iowa. The story of the Hoosier and the Ducks is a good one. Read it, ye green 'uns, and be wise.

☞ Dr. Goodwin is about to make a tour through the Western States. We need scarcely say to our readers that the Dr. is entirely reliable and competent to transact any business intrusted to him. See his advertisement.

☞ C. F. Clarkson, of Iowa, has changed his Postoffice from Eldora, to "Steam Boat Rock," Hardin county, Iowa, to which place his friends will direct their letters and communications hereafter.

☞ Our paper is again too late for the Friday morning mail, in consequence of our limit & help. We shall do the best we can, and beg the indulgence of our readers.

MARRIED—By Rev. J. W. Keely, July 31st at the Valley House in Brookville. Mr. James Stant and Miss Elizabeth Hadley both of Franklin County

☞ We understand that the impression is current that Hon. A. R. McCleary is associated with this paper in an editorial capacity. In justice to all parties concerned, we here state that Mr. McCleary is not *now*, nor *never has been*, connected with the *American* in any manner whatever.

☞ Dr. M. E. Doughty, Surgeon Dentist, has removed his office, fixtures, &c., from Liberty to Blooming Grove, where he has located.

STATE ELECTIONS.—Elections were held on Monday last in the States of Missouri, Kentucky, Alabama, Arkansas, Texas and the Territory of Kansas.

☞ Andrew L. Robinson is announced as a candidate for Congress in the First District. He is an out-and-out Abolitionist.

☞ Sometime since we mentioned the name of Wm. McClure, Esq., in connection with the office of County Commissioner. We are informed that Mr. McClure will on no account be a candidate for that office. Judge Gantt and S. S. Jackson are announced as Opposition candidates to the Democracy. Both can't be elected.

☞ W. Morrow & Co., at the "Old White Corner," continue to keep up a most excellent stock of goods. Persons coming to town, desirous of making good purchases, had better call and examine their goods, and if not satisfied, call and subscribe for the *American*, either for the campaign or for the year,—the latter is preferable.

☞ Our quandam friend, Isaac N. Roop, Esq., late student of Brookville College, has engaged in the laudable pursuit of teaching the the young idea how to shoot, at Cedar Grove. If we are to take it for granted that a good student will always prove a good teacher, we must say that the people of Cedar Grove have been peculiarly fortunate in procuring his services.

☞ If any of our readers are desirous of knowing the estimation in which *bob price* is held at Rushville, and as to his private conduct, let them read our Rushville correspondence in to-day's paper. We presume, however, there are few, if any, who care anything about it. We were only induced to publish this letter from his constant abuse of us.

☞ Marriage license issued by the Clerk of Franklin County, from the first of July to the first of August, 1858:

Milton Thomas to Mary Ann Bell; Willard Stalkup to Ann Souter; Michael Schmidt to Barbara Seefert; Jacob L. Biddinger to Frances O. York; Joseph Long to Charlotte Lyons; William Weston to Sabriny Linville; Jas Stant to Elizabeth Hadley; John Darmast to Barbary Schitz; Jacob Bemmemier to Abalona Neth; William Poppe to Margaret Wolff.

☞ Hon. Horace Mann has declined the presidency of the North-Western Christian University recently tendered him. The pressing demands of Antioch College forbid him leaving it at this time. The Trustees of the University have elected to the presidency of the Faculty, Elder S. K. Hoshour, an experienced and highly educated teacher. Professor H. has heretofore had the chair of Modern Languages in the University.

☞ The *Jacksonian*, not content with placing over the name of Judge Holman, that part of the infamous platform adopted by the Black Democracy at Greensburgh, endorsing Buchanan's administration, has placed a rooster on the top of it. Judge Holman is at present engaged in canvassing Union County, and "check by jole" with Robinson, the author of this audacious insult, which if he has not the self-respect to resent, he deserves the defeat that awaits him.

☞ We are informed that Matthew R. Hull, in his late speech at Blooming Grove, on last Saturday week, did *not* pitch into Judge Hackleman as stated in our last weeks issue; but that he is opposed to Hackleman, is well known, and he will doubtless, do all he can against him. The facts are he was enjoined before making his speech, but had assailed the Judge in public conversation as by us stated.

It is enough to know that Hull is for Holman, and the latter is astride the *finality* of the Lecompton Platform

☞ Price, of the *Jacksonian*, says that "Tom Goodwin" is in the habit of garbling John L. Robinson's articles. With this we have nothing to do; but one thing we do know of Price; he, sometime since puplished a "private and confidential" letter addressed to him by a young lady of Brookville and *garbled* it. We have the proof in the hand writing of the young lady, which we propose to publish if he dare deny it. "Dont you feel ashamed of yourself for doing such a little dirty pevish trick? Any one but bob-price would.

Appointments for Hon. Jno. T. Cooley.

Mr. Cooley, the anti-Lecompton candidate for the Senate, will address his fellow-citizens, on the political topics of the day, at the following places, to commence at 2 o'clock each day:

Blooming Grove, Thursday, Aug. 5;
Fairfield Friday, " 6;
Union, Saturday, " 7.

Mr. Line is respectfully invited to be present.

Campaign American.

We will furnish the *American* to subscribers until the first of November, at the following rates:

Single subscribers	$0,50
Clubs of ten	4,00
Clubs of twenty	7,00

In addition to the above, a copy will be furnished gratis to the getter up of a club.

Our friends throughout Franklin and adjoining counties are earnestly requested to use their influence in extending the circulation of the American, which service will be gratefully reciprocated.

☞ How many households have been desolated by that terrible disease, Consumption? And how gradual and silent its approaches! A slight cold—a hacking cough—spitting of blood—and the pet of the family lies cold in death! But if she—if any one—would take Hoofland's Balsamic Cordial in the first or second, and sometimes even in the third stage of the disease, immediate relief would ensue and life be prolonged.

So also in Influenza, Laryngitis, Asthma, Bronchitis, and particularly in Croup. The latter disease, the terror of parents, is completely innocuous in presence of the Balsamic Cordial, and be cured by a few doses.

Prepared only by Dr. C. M. Jackson, No. 418 Arch Street, and for sale by Druggists and Storekeepers throughout the United States and Canda. Price 75 cents per bottle.

Dr. Roback in Cincinnati

The most brilliant success seem to attend the practice of this celebrated Swedish Professor since his residence in Cincinnati. The most desperate cases of dyspepsia, scrofula, liver complaint, rheumatism, and cough are reported by the sufferers themselves to have yielded to his "Scandinavian Remedies." These medicines, it appears, act chemically upon the blood purging it from the elements of disease, and curing an infinite variety of disorders, by cutting off the supply of morbid matter which forms their basis. Testimony to this effect, which cannot be impeached, is proffered to all who are hard of belief See advertisement. jly30.

HISTORY OF THE REPUBLIC OF THE
United States of America.
As traced in the writings of ALEXANDER HAMILTON, and of his cotemporaries.
BY J. C. HAMILTON.
Vol. 1 8vo. cloth, $2 50.

"The archives of the Government of the United States having been recently opened to me by the authority of the Library Committee of Congress, I have found a mass of material of great value, much of it heretofore unused. These documents would, had their existence been known, have made a large addition to the works of Alexander Hamilton, recently edited—the autograph letters written by him in behalf of Washington, while a member of his staff, and now in the Department of State, exceeding a thousand in number.

Others have been traced in private collections.—These all relate to the period of the American Revolution, comprised in this and the succeeding volumes.

A wider field of view being obtained, I resolved to enlarge the plan of his work, and to embrace in it both a history and a biography. My object is to present a faithful, honest narrative—a series of authentic statements which will bear the closest scrutiny, and thus be of service to my country."

MASONIC REVIEW.
THE OLDEST, BEST AND CHEAPEST MASONIC Magazine. This old and popular Magazine is now in the Eighteenth Volume. It has been gradually growing in size, and increasing in popularity from the first number of the first volume, and its merits have improved as its dimensions have increased.
At the beginning of this year, we hope our friend will make special efforts to increase its circulation and place it in the hands of every Mason. Its friends claim that it is the cheapest and best Masonic Magazine in the world, and indispensible to the craft. It contains sixty-four large octavo pages in each number, beautifully printed on fine white paper. Each year makes two volumes of nearly four hundred pages each, and each volume contain a title page and index. The price is $2,00 per annum, in advance.
