Opportunity Determines Obligation.

If plain, chaste presentation of Gospel Truth is of value, we of Berea ought most certainly to manifest growth "in grace."

Rev. A. E. Thompson, of Cleveland Ohio, is visiting Berea and has preached twice at the Berea Church, once at the Baptist Church and will preach there to night. Mr. Thompson occupied the hour usually devoted to a lecture, Tuesday evening at the Chapel, he spoke at the regular Wednesday night service also The discourses on Sunday morning and at night were clear, forceful and scriptural presentations of the "Old, Old Story." The morning subject was Faith, from Luke 18: 8; the night theme; Love, the text Rom. 5: 8. At the Baptist Church, Monday night, "Christ's Power to save to the Uttermost" was the subject treated. All of the sermons were to the point. The preacher evidently spoke from deep conviction and personal experience. With no effort at oratory or display of erudition, the discourses were ensamples of eloquent, gospel truth, expressed in chaste, simple, English, and abundantly proven by the Word.

The address at the Chapel Tuesday night was more than a lecture. It was a fervent appeal, to our young people especially, to secure "Victory over Temptation" by "setting the Lord always before them."

Lack of space forbids further notice other than to say: Any person who listened to these discourses is most certainly under obligation to live purer and higher. The "wayfaring man" could not have failed to understand the truths set forth. Our obligation is measured by our opportunity.

It is a great thing that Berea College is finding a chance for the mountain women to get good money for their homespun.

Ladies who visit Berea from Louisville and Chicago and other cities like to get things like those their grandmothers used to make. And they think the homespun more beautiful as well as more durable than factory-made.
