Hon. W. M. Reed, candidate for Commonwealth Attorney, announced in this issue, spent Saturday in Hickman, mixing with the people, and made a splendid impression. He is highly commended by those who know him best as a clever gentleman, good lawyer, and well deserving favorable consideration.

There are some little boys in Hickman, who are in the habit of using their 'slings' regardless of the rights of others, breaking windows, &c., and the police will be compelled to bring them before the police court, where they will be fined and probably locked up in the calaboose. Out of regard to parents the law has not been enforced, but parents are warned that patience has ceased to be a virtue.

**JUST RECEIVED!**

The largest and prettiest selections of DRESS GOODS ever brought to Hickman, and we propose to sell them to suit the times. It will be to the advantage of all to examine our stock before purchasing.

OUR HONORED GUEST.—Dr. J. D. Leslie, of Lincoln, Nebraska, who served the suffering people of Hickman so nobly during the yellow fever epidemic of 1878, surprised our community by his unexpected arrival on last Thursday night, and, the past week, has been the guest of—well, of our whole people, for indeed, there is no man living for whom our people hold a higher regard or cherish a more sincere feeling of grateful appreciation. No matter then whether he has sat at the table of this or the other one, he would have been as cordially welcomed at any of our homes—poor or rich, cultivated or unlettered, white or colored, for to be a citizen of this community is to love, honor and respect the name of Dr. J. D. Leslie. In this simple, unostentatious way our people sought to entertain our guest. His greeting has been an ovation of the heart rather than of display, feted upon home hospitalities, and such society courtesies as a good people are wont to bestrow upon those they love well. Of all the noble band of physicians who volunteered in the terrible scourge of 1878, here or elsewhere in the South, there were none who proved nobler than he. The people of Hickman feel and know all this, and hence if their actions or expressions of respect may appear somewhat extravagant, it should be pardonable. The most bountiful blessings of Heaven are prayed for him, and may he live long to enjoy the honor and respect he so richly deserves.

### COUNTY FAIR.

At a meeting of the stockholders of the Fulton County Agricultural and Mechanical Association, held in Hickman, Saturday, May 1, 1880, pursuant to a call of the Board of Directors, John R. McGehee was called to the chair, and Geo. Warren appointed secretary.

Mr. C. L. Randle, president of the Association, stated the object of calling the stockholders together, viz., to consider the general condition of the Association, and to obtain the voice of stockholders as to future operations

After a general discussion and consultation as to the situation of affairs, Mr. M. B. Shaw offered the following resolution:

*Resolved*, That the Secretary and Treasurer be authorized to sell the Fair grounds, pay off the indebtedness of the Association, and report result of action to the Board of Directors.

The resolution was adopted.

It was also moved and seconded that the proceedings of this meeting be published in the Hickman Courier.

On motion, the stockholders' meeting adjourned.

JNO. R. MCGEHEE, Ch'm'n.
GEO. WARREN, Sec'y.

The local of the COURIER visited Union City last Sunday—found service in progress at several churches—did not find either of the three U. C. preas—all weakly—but we suppose they didn't attend. Didn't visit any saloons or such places. Different editors have different habits. Our failure to meet may be somewhat hyperbolically described.

LESLIE COURTESIES.—A party of our citizens accompanied Dr. Leslie to Reelfoot Lake, and spent a couple of days very pleasantly.

The young ladies of Hickman tendered Dr. Leslie a public reception at the residence of Dr. C. H. Hubbard, which was attended by the elite of the city. The occasion was delightfully pleasant.

The members of Leslie Lodge, Knights and Ladies of Honor, received Dr. Leslie in their lodge room, Friday evening. A welcome address was delivered by Dr. Gober, the Protector of the lodge, and responded to by Dr. Leslie.

The young men of Hickman gave a grand ball in compliment to Dr. Leslie, at McCutchen Hall, which was largely attended, and, in every respect, pleasantly conducted.

Dr. Leslie, and a select party of friends were entertained by Elder Warren Thomas, colored, and all enjoyed a splendid supper.

In addition, Dr. Leslie was the recipient of any and every courtesy our good people could conceive would be pleasant and agreeable to him.

### The District Medical Society.

PADUCAH, KY., May 1, 1880.

*To the Medical Profession:*

It gives me great pleasure to announce that the regular semi-annual meeting of the South-Western Kentucky Medical Association will convene at 12 o'clock, M., on Wednesday, May 12th, in the city of Paducah. A large attendance of the profession is expected. The occasion promises to be of unusual interest; for, in addition to the discussion of important medical questions, the subjects of hygiene and general sanitation are to be earnestly considered in connection with the public health, and the prevention of disease. Hon. Q. Q. Quigley has accepted an invitation to deliver an address upon "The Relations of Law and Medicine." All that can be done will be done to make the approaching re-union both interesting and profitable to all who shall favor us with their presence.

Our railroads have agreed to convey delegates to and from the convention at *one and one fifth fare*, on excursion tickets, for the round trip, obtainable at the various stations.

A cordial invitation is offered to the physicians of Tennessee, Kentucky, Illinois and Missouri to come and join with us in cementing the bonds of our brotherhood of Medicine, and in pushing onward the car of medical progress.

Fraternally, J. W. SINGLETON,
Ch'rm Com. of Arrangements.

They also keep Lone Star, Wittenburg, and Grand Tower Flour, at bottom prices. They have also just received one hundred dozen fruit jars, and other things too numerous to mention. Call and examine one of their price currents before buying elsewhere—published weekly.

### DIED.

In this city, on the night of the 4th instant, at the residence of Antoine Steagale, Miss IDA SCHARFF.

### OBITUARY.

RICHARD SAMUEL BRANSFORD, eldest son of the late Rev. Gideon H. Bransford, of the Memphis Conference of the M. E. Church, South, died at his home in Fulton county, Ky., on the morning of May 1st, 1880, at 12:30. He has been a member of the Methodist Church from childhood, and for some time steward and class leader. He was a practical man, a successful farmer, a useful citizen, and more, he was a firm believer in Jesus. The dear wife and children are heart-broken, but the grace of the Lord Jesus only can bind up the broken hearted. We are all sad but can look through tears and see that our beloved is ours yet, and is not dead but sleeps in Jesus.

A National Convention of women, who desire and demand the extension of the privilege of voting to the gentle sex, will be held on the 2nd of June at Chicago. Col. Susan B. Anthony, the chief exponent of the cause, will be there in all her glory, and she intends to storm the Republican National Convention with stentorian appeals in behalf of her down-trodden sex.

**New York's Chivalrous Men.**

The New York Herald gives a sorry account of the men at Madison Square Garden when the crash came the other night:

A rush was made for the doors. The scene that followed beggars description. Strong men, gallants who but a moment before had been paying devoted court to lady loves forgot manhood and bounded headlong for the doors, leaving partners to escape as best they could or be buried in the ruins.

Mr. Hocking, the ticket taker in the art gallery, in his account says:

Then I saw from the head of the stairs one of the most terrific scenes I ever witnessed. The people rushed from the dancing hall with pale faces and garments torn. No regard was observed for the Ladies whatever. I did not see a single act of manliness in the struggling mass, who seemed to have lost their senses. Right in front of me I saw four fashionably dressed young men drop the arms of the ladies they were escorting and dash down the stairs like the cowardly hounds they were.

The army worms have made their appearance on the Davy-farm, near Moscow, in this county, and are mowing the grass fields before them.

Mr. A. S. Arnold, of Clinton, is dead. He was several times sheriff of Hickman county, and represented Hickman and Fulton one term in the Legislature. He was a clever, kindhearted man.

**Cathartic Pills**

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhœa, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.

The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

**ONE DOLLAR PER A YEAR.**

The next Presidential election will determine questions of vital importance to every citizen of the Union. Upon its results will depend the perpetuity of our republican form of government. All these questions will be thoroughly discussed in the present session of Congress. It is our desire and our purpose, so far as we can contribute to that end, that every citizen shall be fully informed upon all these questions of such vast moment. Is our national government to be henceforth an imperial despotism? Is the bayonet to rule the ballot? Are the rights of the States, expressly reserved in the Constitution, to yield to centralized dictation? Shall arrogant and imperious party leaders, under the *ægis* of Liberty, rob the citizens of liberty? Shall Mammon be the only deity who shall be acknowledged as having divine rights? Shall labor be deprived of its just rewards? In order to bring it within the means of every man, mechanic, farmer and laborer, in all vocations, even in these hard times, to inform himself what political parties are proposing, we have reduced the terms of the Weekly American to ONE DOLLAR a year. For six months, 75 cents; Three months, 40 cents. The real value of the paper will not be decreased with reduction of price, but will be vastly increased in proportion to price.

ARM AND HAMMER BRAND. CHEMically Pure.

CHURCH & CO'S CONCENTRATED SODA.

AGENT'S NOTICE.

Impure Rietsch Soda is of a slightly dirty white color. It may appear white, examined by itself, but a COMPARISON WITH CHURCH & CO.'S "ARM AND HAMMER" BRAND will show the difference.

See that your Baking Soda is white and CURE, and insist on ALL SIMILAR SUBSTANCES used for food.

A simple but severe test of the comparative value of different brands of Soda is to dissolve a dessert spoonful of each kind with about a pint of water (hot preferred) in clear glasses, stirring until all is thoroughly dissolved. The deleterious insoluble matter in the inferior Soda will be shown after settling some twenty minutes or sooner, by the milky appearance of the solution and the quantity of floating flocky matter according to quality.

Be sure and ask for Church & Co.'s Soda and see that their name is on the package and you will get the purest and whitest made. Use the rich color note, in preference to Baking Powder, save twenty times its cost.

Sent one pound package for valuable information and read carefully.

**Citizen Tax-Payers!**

I do not wish to be considered harsh, nor do I wish to speculate on your delinquency. But I am constrained to tell you candidly who have not paid their taxes for the years 1877 and 1878, that unless the same is paid promptly I shall levy upon and sell your property. Remember that the law allows fifty cents for every levy, and six per cent. additional, all of which must be paid by the party owing the taxes. Shall I make these costs, or will you pay up and save it yourselves? That is the question. I mean business.

Respectfully,
jan7 D. R. WALKER, Sheriff.
