SLIGHT DECLINE IN STOCK PRICES

Approaching Holiday and International Uncertainty Cause Depression.

New York, Feb. 21.—The approaching holiday and fresh international uncertainties involved profit-taking in various parts of the list today, the leaders yielding 1 to 3 points. Sales were estimated at 525,000 shares.

Early prices in the stock market today indicated underlying firmness, though the more substantial gains were confined to specialties. Gains of 1 to 2 points were made by Continental Can, General Motors, National Enamelling, American Sugar, Mexican Petroleum and New Haven, the latter being most active of the rails. Fractional advances were scored by Central Leather and the coppers, while United States Steel reacted slightly on an initial sale of 5,000 shares. Marine preferred declined 1½ points and Texas Company 1¾, with fractional recessions in Crucible Steel and American Smelting.

Additional early gains included Reading and other coalers at advances of 1 to 2 points, New Haven meanwhile increasing its gain to 3¼ points. Montana Power was strongest of the utilities, rising 6 points, and National Enamelling gained 2¾ on resumption of the dividend. In other parts of the list movements were contrary, United States Steel and Crucible Steel yielding 1 to 2 points, with Baldwin Locomotive, Industrial Alcohol and distillers' securities. Gulf States Steel fell 5 points. Shipping also was reactionary, Marine preferred and Atlantic, Gulf and West Indies losing between 2 and 3½ points.

Bonds were irregular.

Minor rails were in fair demand during the greatly reduced selling of the noon hour. Steel and leading industrials likewise hardened slightly but shippings continued under pressure.

Steel and other prominent industrials were under further pressure in the last hour, with more moderate recessions in rails. The closing was heavy.

FIVE PER CENT DIVIDEND BY ATLAS POWDER CO.

New York, Feb. 21.—The Atlas Powder company today announced an extra dividend of 3 per cent on the common stock, together with the regular quarterly disbursement of 2 per cent.

ALL CHICAGO GRAIN ELEVATORS CLOSED

Announcement Resulting From Railway Tieup Holds Price of Wheat Down.

Chicago, Feb. 21.—Bearish sentiment developed in the wheat market today largely as a result of assertions that the improvement in the railway situation would not meet the hopes which had recently prevailed and that the roads would be again overcrowded. Opening quotations, which ranged from the same as yesterday's finish to 1½c lower, with May at $1.79½@1.80 and July at $1.50⅞@1.53¾, were followed by a decided general setback.

Announcements that for the first time in the history of the trade every Chicago grain elevator had virtually shut down rendered any lasting rally in process impossible. The suspending of operations by the elevators was laid wholly to the difficulty of obtaining railway cars. Prices closed unsettled ⅝@1⅞c net lower, with May at $1.78⅝@1.78¾ and July at $1.51@1.51¼.

The depressing outlook for rails at Chicago prevented the market from recovering. Prices closed nervous at ⅛@¾c decline.

Prospects of enlarged shipments from the country tended to weaken corn. Buyers were scarce. After opening unchanged to ¼c lower prices underwent a moderate sag all around.

Oats gave way with other cereals. Sharp advances in the hog market lifted provisions.

DIPLOMATS CAN'T TAKE MUSIC RECORDS ON SHIP

Halifax, N. S., Feb. 21.—The party of German diplomats and their families on the liner Frederick VIII., held here by the British authorities for examination, will not be allowed to take with them to Germany a large number of phonograph music records. They are made of rubber, which is contraband of war. The records will be confiscated temporarily, and the owners will receive receipts which will enable them to get the discs at the end of the war.

Many friends attended the funeral held this afternoon for John W. Welling. The Rev. E. J. Groeneveld officiated at the services, which were held in the Richards parlors. There were many floral tributes. Burial was in the Mountain View cemetery.

UNLOAD STOCKS BEFORE HOLIDAY

Lightening of Accounts Sends Prices Down at Close of Market.

From a strong opening the stock market eased off at the close today when accounts were evened up in anticipation of the holiday. The range of prices was comparatively narrow. United States Steel opened at 109¾ and closed at 108¾. Coppers held well and rails were comparatively inactive. Total sales were 594,700 shares on the New York exchange.

Anaconda opened today at 80, was high at 80¼, low at 79 and closed at 79¼. Butte and Superior was quoted at from 47⅛ to 47¾; North Butte at from 22½ to 23; East Butte at 14¾; Davis Daly at 6¾ and Tuolumne at 1½.

The Paine Letter received today over wires of the Paine, Webber company says: "The market yesterday showed signs of better buying and nervousness on the part of the shorts. The floating supply of stocks has been nearly exhausted by investment demand and barring accidents higher prices are sure. Coppers will be leaders followed by steels and industrials."

Stock advices received over wires of the Heilbronner company say in part:

Dick says: "It is announced that the St. Louis will not sail and that the crew are being laid off. The congestion is having its effect all over the country in the closing of plants and raising the price of living."

Hutton says: "Looks as though somebody handed out stocks every time they got strong, especially in the railroad list."
