STOCK SPECIAL REPORT

News just in by wire. Helena Scratch Gravel company has secured five patented and two unpatented claims joining the Montana Zinc Bonanza near Corbin. This will give the company two shipping and producing properties. This fully doubles the value of Helena Scratch Gravel. A crew of men will be put on taking ore out which is already available without delay. I can for a few days sell some of this stock for only 6c. I can strongly recommend this to investors.

Montana Zinc will have hoisting machinery installed by Monday and a week from now. All are invited to go to Corbin and see what Montana Zinc has to offer. We know it, but I want you to see it. It is going to prove a bonanza and dividends by July or August are in sight barring unforeseen accidents. This stock I can furnish at 11c and offers more for your money than anything I know of. It is already one of the most popular stocks. Many are turning in other stocks for Montana Zinc. It is reported today that Beaver Oils is fully financed for active developments and a big demand for the stock has already sprung up. This stock is in line for enormous profits. You can secure some of this today at only 1¼c net.

The Smuggler group near Cedric which has been under development for some time is exposing fine shipping ore in large quantities. This stock can be had at 50c. Capitalization is small. Send in your orders. J. Chauvin, Broker, 112 W. Granite.

ALIAS SUMMONS.

In the District Court of the Second Judicial District of the State of Montana in and for the County of Silver Bow.

Frank P. Myers, plaintiff, vs. Lyda A. Myers, defendant.

The State of Montana sends greeting to the above named defendant:

You are hereby summoned to answer the complaint in this action which is filed in the office of the clerk of this court, a copy of which is herewith served upon you, and to file your answer and serve a copy thereof upon the plaintiff's attorney within 20 days after the service of this summons, exclusive of the day of service, and in case of your failure to appear or answer, judgment will be taken against you by default for the relief demanded in the complaint.

The above entitled action is commenced by plaintiff against defendant for the purpose of obtaining a divorce from defendant upon the ground of willful desertion, it being alleged in plaintiff's complaint as follows:

That plaintiff is now, and for more than one year immediately preceding the commencement of this action for divorce, and for more than one year immediately preceding the 29th day of March, 1917, has been an actual and bona fide resident of the state of Montana.

That plaintiff and defendant intermarried at Spokane, Washington, on or about October 6, 1910, and ever since said time have been and now are husband and wife.

That the said defendant has been guilty of willful desertion of plaintiff, which said willful desertion has consisted in this to-wit:

That the said defendant, for a period of more than one year immediately preceding the commencement of this action, and for more than one year immediately preceding this 29th day of March, 1917, has willfully and without cause deserted and abandoned plaintiff, by voluntarily separating herself from plaintiff on or about the 20th day of November, 1914, and ever since said time has continued to so willfully and without cause desert and abandon plaintiff and to live separate and apart from him, against his will and wish, and without his consent, and without any sufficient or any reason whatsoever, and that defendant has continued to live separate and apart from plaintiff with the intention of deserting plaintiff.

(SEAL.) Witness my hand and the seal of this court this 29th day of March, 1917.

OTIS LEE, Clerk.
By R. E. McGRATH, Deputy Clerk.
William Meyer, attorney for plaintiff.
