LEGAL NOTICES

IN THE DISTRICT COURT OF THE SECOND JUDICIAL DISTRICT OF THE STATE OF MONTANA IN AND FOR THE COUNTY OF SILVER BOW.

Ollie Adams, plaintiff, vs. George Adams, defendant.

The State of Montana sends greeting to the above named defendant:

You are hereby summoned to answer the complaint in this action which is filed in the office of the clerk of this court, a copy of which is herewith served upon you, and to file your answer and serve a copy thereof upon the plaintiff's attorney within twenty days after the service of this summons, exclusive of the day of service; and in case of your failure to appear or answer, judgment will be taken against you by default for the relief demanded in the complaint.

Plaintiff further complains of the defendant and for cause of action alleges:

1. That the plaintiff and defendant intermarried in the city of Perry, state of Oklahoma, on the 17th day of January, 1903, and ever since and now are husband and wife.

2. That the plaintiff is and for more than one year immediately preceding the filing of this action has been a resident of the state of Montana.

3. That since said marriage the defendant has been guilty of extreme cruelty and willful neglect towards the plaintiff and has inflicted grievous bodily and mental sufferings upon the plaintiff by a course of conduct towards and treatment of said plaintiff and existing and persisting in for a period of more than two years, and particularly for a year immediately preceding the commencement of this action for divorce, which justly and reasonably is of such a nature and character as to destroy the peace and happiness of the plaintiff and entirely defeat the purpose and legitimate object of the marriage, and to render the continuance of marriage relation between plaintiff and defendant impossible, unreasonable and intolerable to this plaintiff, in this to-wit: That beginning about two years before the commencement of this action, the said defendant without cause or reason began to quarrel with said plaintiff and during said quarrels would curse and swear at said plaintiff. That said quarrels have been frequent and more violent. That at times said defendant would assault, beat and bruise said plaintiff without cause or provocation. That said defendant would call plaintiff vile names and otherwise abuse said plaintiff. That during said time defendant would call plaintiff the following and unwarranted names, "You son of a bitch" and many other and similar and equally vile names. Said defendant has questioned the chastity of said plaintiff.

4. That during said marriage plaintiff has had to work to provide for herself and children the common necessaries of the idleness of said defendant, said defendant having the ability to do so.

5. That said conduct of the defendant towards the plaintiff was and is of such a nature and character as to destroy the peace of mind and happiness of the plaintiff, and did and has destroyed her peace of mind and happiness and render her miserable and unhappy.

6. That as a result of said marriage there has been born to them five (5) children, Laura, David, Wonda, Maurice and Tressa Adams.

Wherefore, plaintiff prays that the marriage between plaintiff and defendant be dissolved and that the said plaintiff Ollie Adams be released from the marriage relation and obligations. That she be given the custody and control of the said minor children above mentioned, and for such other and further relief as the court finds just and equitable in the premises.

(SEAL.) Witness my hand and the seal of said court this 12th day of May, A. D. 1917.
