A Good Many Thousand

people would like to really know where they can get the best results for the money they spend in what are known as "WANT" advertisements. We think we can prove to them that

---THE TIMES---

is twice as good as the STAR for the money spent and three times as good as THE POST. Here is one case: A lady put a "Want" ad. in the "Star" and paid $1.50 for it. She did not receive a single answer. She put the same ad. in THE TIMES and got nine answers. The cost was 35 cents. In this case each answer cost her 4 cents. In the Star's case she paid $1.50 and got nothing.
