Bloomsburg Democrat.

LOCAL DEPARTMENT.

Wednesday, Dec. 25, 1867.

☞ Read the new advertisements in this week's DEMOCRAT.

☞ The Pennsylvania Legislature will meet on the 7th of January next.

☞ The Prospectus of the *Daily Age* will be published in the next DEMOCRAT.

☞ The Court advertisements will appear in our next.

☞ John K. Girton sells *good* groceries and *cheap*. He merits a liberal share of the public patronage.

☞ A. Hartman has on hand a large assortment of Christmas toys, candies, nuts, &c., for sale cheap. *

☞ At a special session of Court at Harrisburg on Monday the case of the Commonwealth vs. the Lackawanna and Bloomsburg Railroad, was tried and the jury rendered a verdict of $2,580.11 for plaintiff.

☞ SAMUEL SNYDER retired from the office of Sheriff last week. He made a careful and attentive officer. It is his intention to remain in town till the first of April when he will remove to Mifflin Township upon his farm.

☞ Saturday, the 14th inst., the thermometer indicated twenty-two degrees below zero, at this place. The mails to and from this place were delayed for some time on account of the severe storm.—*Lockport Journal.*

☞ We have received a copy of the second number of the *Williamsport Advertiser*, by Frank R. Snyder, for gratuitous circulation. It is an improvement on the first number, but we shouldn't think the enterprise much more than paid expenses.

☞ The Jury Commissioners met on the 18th, and filled the wheel for the coming year. The jurors for the February term will be published in our next. They will be drawn this week. We learn that two week's Court has been ordered.

☞ The rain on Saturday evening and Sunday last pretty nearly destroyed the sleighing, although at present writing (Monday) it is blowing up cold, indicating, instead of a general break-up, more good sleighing and a continuation of severe cold weather.

☞ The Susquehanna River is frozen over at or near Espy. Teams have been passing over on the ice for the past week or more. We notice that the people have been crossing the river at Lewisburg and that Mr. Philip Billmeyer's horse broke through one day last week, and was with some considerable difficulty saved from drowning.

☞ The editor of the *Republican* tries to chuckle a good deal over the appointment of a Radical Post Master at Berwick. Mercy did this, eh? The real "copperheads," saw nothing of the "bombshell in their camp." If Mercur has so much influence down there at Washington, it is possible that he could do something for you. There is a Post Office in this town.

☞ We noticed one evening last week an unusually large and eager crowd gathered in front of J. J. Brower's cheap cash store. Upon inquiry we ascertained that an invoice of new goods had just arrived, and that the store room was insufficiently large to "take in" the whole crowd. He intends building a new and larger store room next summer. His furs and all articles in season are going off rapidly.

SLEIGHING.—The heavy fall of snow affords fine sleighing and our citizens are making the most of it. Everybody appears to be 'going it' but the printers, and they must stick to the 'case' and 'get the paper out.'

"Sleighbells ringing all the day,
Money spent and thrown away,
Oh, there is the duce to pay
When we go out a sleighing."

☞ MORDECAI MILLARD, the newly elected Sheriff of Columbia County, entered upon the duties of his office last week. If we mistake not he will make a most capital officer, as he is of that kind of material out of which good officers are made. Democratic Centre well deserves to have one of the best offices in the County. She is properly rewarded for her long continued large Democratic majorities.

☞ GEN. TOM THUMB and Company gave an interesting entertainment to a large, but mixed audience, in Snyder's Hall, on Friday evening last. These little folks,—Thumb and wife, Com. Nutt and Miss Warren,—have been traveling quite a number of years, both in this country and in Europe, but looked exceedingly well—no larger, did not appear older. They are now going west-ward.

☞ NO PAPER NEXT WEEK.—In accordance with time-honored custom no paper will be issued from this office next week. Printers need rest and relaxation as well as others, and boys demand their regular holiday. Once and all of our patrons a merry Christmas and a happy New Year! Our job and business rooms will be open as usual, week as usual, and the editor will be at his post ready and anxious to wait on customers, by doing their work for the cash, as they may come.

Mythologian Society connected with Bloomsburg Literary Institute, at their last entertainment, in the Institute, on Saturday evening last, to an appreciative audience, consisted of Calisthenics, &c. All performed their parts well. Many, if not the majority, were agreeably surprised to find the society composing this Society possessing such proficiency in this particular branch of education. Success to the society. J. Buckalew, President. Bloomsfield, Secretary.

☞ GEORGE H. BROWN, having sold his hotel property at Rupert, has removed to this town. It seems natural to see GEORGE "about."

☞ We issue the DEMOCRAT one day earlier this week on account of our publication day coming on Christmas. Our next paper will be issued on the 8th of January.

☞ Attention is directed to the prospectus of the "Old Guard" for 1868, in another column of the DEMOCRAT. This magazine is edited by C. CHAUNCEY BURR, who made a speech at the Nob Mountain Meeting in August 1855.

☞ As there will be no paper issued at this office next week, should a Democratic victory occur, we trust our Radical contemporary down town will not neglect to chronicle it. By so doing he would confer a favor upon the Democracy besides make his paper more interesting.

☞ On Tuesday morning, Mr. John McAnall, Radical, received the appointment of Postmaster for the Borough of Berwick, vice, E. G. Hore, resigned. The appointment was secured through the influence of Judge Mercur.—*Berwick Gazette.*

☞ Our friend, Wm. McNinch, of Madison Township, left at our office this week an ear of corn of extraordinary growth. It is a perfectly formed ear, but the curiosity of its make is, that it consists of fourteen complete rows below, and seven above. It is one of the freaks of nature which are unaccountable. The ear, which is of fair dimensions, is about equally divided as to "rows."

☞ MARLON KASE, Carrier-boy of the DEMOCRAT, requests us to announce to his patrons that he will pay them his annual visit on New Year's day with his address, and hopes to receive a *liberal* welcome, one that will make him feel cheerful and happy, and enable him to "show *quarters*" to all who are deserving and kind. He has paid his patrons fifty weekly visits in the past year, for which he should not be considered of having a "hard check", if he expected from each a *quarter*.

☞ We notice that a large number of papers have suspended publication during the holidays, among which we will mention the following: "Danville Intelligencer," "Montour American," "Lewisburg Journal," "Wyoming Democrat," "Monroe Democrat," "Carlisle Volunteer," "Bellefonte Watchman," "Perry Co. Democrat," "Sullivan Democrat," "Berwick Gazette," and many others. The custom is becoming quite general throughout this State.

☞ Seven more numbers will complete the present volume of the DEMOCRAT. Our expenses are heavy, and our patrons have paid us liberally notwithstanding the tightness in money matters. We are daily preparing a Roll of Honor for our next issue, which will appear on the 8th of January and all who desire to be entered upon that Roll have till then to call upon us. We hope to see many strange faces between this and that time.

FROZEN TO DEATH.—On a cold day recently, Mrs. Myrunett Kraisle and her two daughters started from Frenchville, Clearfield county, to Simeneshoning a distance of twenty-six miles. They were all thinly clad and had provisions for only one meal. Night overtook them in the woods where they remained without shelter, and in the morning the mother was found dead. The little girls were rescued by some hunters.

☞ A FINE LOSER.—One day last week Dr. C. F. HARRISON sold to GEORGE W. MAUGHAN of the Forks Hotel, in this town, one of the finest and most valuable horses in this section of country. He is a stallion, in his fourth year, over sixteen hands high, weighs ten hundred and some pounds, and is a chestnut sorrel, with handsome mane and tail. He is from blooded stock—the best in the country. We have his pedigree, but will not give it here. For speed, this stock is among the *very best*, and at the proper time this horse will make his *own record*. We are not positive as to his present cost, but when we say that Mr. M. paid about $1500.00 we do not exaggerate.

SUDDEN DEATH:—On Thursday evening last this community was startled by the announcement of the sudden death of our townsman, LEONARD S. STINEMAN, acting Constable of this Township. He had been at Centerville and Lime Ridge, this county, on official business, during the day, and was on his return home, when he stopped at the Public House of CHARLES H. DEITTERICH, in Espy, and while eating his supper was taken suddenly ill and died in a very few moments, before medical aid could be called in. We believe the real cause of his death is unknown. It may have been disease of the heart. He was a man of strong constitution, and rarely known to be sick. The remains were brought to his residence the same evening, and interred in the Cemetery on Sunday last by the honors of war; the Brass Band leading the funeral procession, which was composed, in spite of the inclemency of the weather, of soldiers in arms, relatives and a large number of friends. He was one of the first to volunteer, at the outbreak of the war, and served *faithfully* for *over four years*, passing through all the hard-fought battles in Virginia, Maryland, and Pennsylvania, and receiving one very *severe wound* which came near destroying the use of one of his arms. He leaves two children, one a young woman and the other a son of about fifteen, who have the sincere sympathy of the whole community. His age we have not learned, but would suppose him to have been over sixty. Thus another soldier has passed away. "Peace to his ashes."

☞ HON. BENJAMIN F. BUTLER, of the Rump Congress from Massachusetts, and still of "spoons" notoriety, has sent us his speech, delivered in the House of Representatives, on the 26th of November, on the "Reduction of the Currency." We read the larger portion of Butler's speech, and made up our mind that he did not well understand his subject and soon quit him. It is a subject that must fall into abler and more experienced hands than Butler and Stevens.

THE GREAT MEDICAL ANNUAL.

Hostetter's United States Almanac for 1868, for distribution, gratis, throughout the United States and all civilized countries of the Western Hemisphere, will be published about the first of January, and all who wish to understand the true philosophy of health should read and ponder the valuable suggestions it contains. In addition to an admirable medical treatise on the causes, prevention and cure of a great variety of diseases, it embraces a large amount of information interesting to the merchant, the farmer, the planter, the mechanic, the professional man; and the editorial department has made for each month such miscellaneous matter as are most suitable for a correct and comprehensive NATIONAL CALENDER.

The nature, uses, and extraordinary sanitary effects of HOSTETTER'S STOMACH BITTERS, the staple tonic and alterative of more than half the Christian world, are fully set forth in its pages, which are also interspersed with valuable receipts, humorous anecdotes, and other instructive and amusing reading matter, original and selected. Among the Annuals to appear with the opening of the year, this must be one of the most useful, and *may be had for the asking*. Send for copies to the Central Manufactory, at Pittsburg, Pa., or to the nearest agent for HOSTETTER'S STOMACH BITTERS. The BITTERS are sold in every city, town and village of the United States.

BOILS.

Like the volcano, boils give issue to the foul and fiery contents of the deep interior. To remove the cause of such suffering it is only necessary to vitalize the blood by supplying it with its *Life Element*, Iron.

THE PERUVIAN SYRUP,

(a protected solution of the Protoxide of Iron) will do this effectually, and give *strength, vigor* and *new life* to the whole system.

EXTRACT OF A LETTER FROM REV. RICHARD S. EDES, OF BOSTON, MASS.

"For years I was a sufferer from Boils, so that my life became wearisome through their frequent and persistent recurrence; finally a carbuncle formed in the small of my back. During its progress large pieces of decomposed flesh would come every day or two out away and the prostration and general disturbance of the system were great. Before I had recovered from this attack two smaller carbuncles broke out higher up and I was again threatened with a recurrence of the sufferings to which I had so long been subjected. It was at this time that I commenced taking the PERUVIAN SYRUP. I continued taking it till I had used five bottles; since then I have had nothing of the kind. For years I was one of the greatest sufferers. Other medicines gave me partial and temporary relief, but this remarkable remedy with a kind and invisible scheme, went directly to the root of the work with a thoroughness worthy of its established character."

A YOUNG LADY RETURNING

To her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic finished face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the Circassian Balm, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. WISTAR'S BALSAM OF WILD CHERRY.

Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Quinsy, and the numerous as well as dangerous diseases of the *Throat, Chest* and *Lungs*, prevail in our changeable climate at all seasons of the year: few are fortunate enough to escape their baneful influence. How important then to have at hand a certain antidote to all these complaints. Experience proves that this exists in *Wistar's Balsam* to an extent not found in any other remedy; however severe the suffering, the application of this Soothing, Healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

MR. JOHN BUNTO,

Of Baldwin, Chemung County, N. Y.,—writes:

"I was urged by a neighbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the bottle himself. On the strength of such practical evidence of its merits, I procured a bottle. My wife at that time was so low with what the physicians termed Scated Consumption as to be unable to raise herself from the bed, coughing constantly and raising more or less blood. I commenced giving the Balsam as directed, and was so much pleased with its operation that I obtained another bottle, and continued giving it. Before this bottle was entirely used, she ceased coughing and was strong enough to sit up. The fifth bottle entirely restored her to health, doing that which several Physicians had tried to do but had failed."

ASTROLOGY. THE WORLD ASTONISHED AT THE

Wonderful Revelations Made by the Great Astrologist, MADAME H. A. PERRIGO. She reveals secrets no mortal ever knew. She restores to happiness those who from doleful events, catastrophies, crosses in love, loss of relations, and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars she see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves as if in person. A full and explicit chart written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned.—The strictest secrecy will be maintained and all correspondence returned or destroyed. References of the highest order furnished those desiring them.—Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address, MADAME H. A. PERRIGO,
