# LIVE STOCK SHIPMENTS.

**ALL ROADS REPORT GOOD BUSINESS IN THAT LINE.**

**Two Batteries Coming From St. Louis, via the Western—Union Pacific Officials Expected Today.**

Live stock shipments are extremely heavy these days, and the movement of cattle to the east from this section of the country and farther west was never larger than right now. All the agents of the various lines centering here report good business. The Union Pacific has from two to four trains to the east each day. F. A. Sweet, traveling freight agent of the Midland, came up from the south yesterday, where he secured a shipment of 75 cars, which are being hauled as rapidly as possible. The Burlington had 48 cars from the Ireland Land & Cattle company, at Price, which went out over the Western and Denver & Rio Grande. The cattle were consigned to Harris & Sweetser at Omaha. Other shipments are being made daily, and the railroad officials are very much gratified at the showing which is being made. C. Ira Tuttle, general live stock agent of the Short Line, is out on the road, so busy he cannot get time to come home, and is being ably assisted by H. O. Wilson, who has forsaken his office desk to go out and aid him in the work. The other representatives are doing great work in this direction and are rushing cattle to the markets as fast as possible.

### TWO BATTERIES COMING.

**Left St. Louis Yesterday Morning Before Breakfast.**

General Passenger Agent Wadleigh of the Western yesterday received information that two batteries of light artillery, commanded by Major Grugen, left St. Louis yesterday morning at 4:55 and 5:10, destined for San Francisco, and that the same had been routed over his line. The batteries have 280 officers and men and travel in two trains, the first being composed of two baggage, nine tourist and one standard sleeper. The train has two box and seven gondola cars and carries the guns, etc. The troops ought to be in here Sunday.

### BOUGHT A ROAD.

**The Northern Pacific Gets the Spokane & Northern.**

(Special to The Herald.)

Butte, Mont., June 23.—President Mellen of the Northern Pacific and Herr Fromberg of the Deutsche bank and other officers of the N. P. were in Butte today on a tour of inspection for the benefit of the German banker, who represents the foreign holders of Northern Pacific securities. They went to Spokane today to inspect the Spokane & Northern, the officials admitting that the Northern Pacific had just closed negotiations for the purchase of that line.

### COMING TODAY.

**Union Pacific Officials Expected In This City.**

It was given out yesterday that the Union Pacific officials, the president, general manager and others, will arrive in the city some time during the afternoon. The trip is one of inspection, and is being made, so it is stated, with a view to discover any places where more economy can be exercised and also with a view to enlarging the business of the line, if that is possible. The officials have been on the road for some time and will be in this city for a couple of days at least.

**Inclined to Compromise.**

Chicago, June 23.—The western railroad lines are inclined to compromise on the question as to whether the war revenue tax on bills of lading shall be paid by the roads or by the shippers. After receiving the opinions of their attorneys the executive officers have decided that the roads should pay for the stamp upon the original bills of lading, but not for duplicate and triplicate invoices upon which the stamps should be charged to the shipper.

**Railroad Notes.**

H. S. Hallett, a wool buyer from Boston, went to Soda Springs yesterday.

General Agent McMillan, of the Burlington, has gone north in the interests of his road.

A. J. Knollin, an extensive sheep buyer of Kansas City, is in town looking after business.

John Petrie, live stock agent of the Burlington, is in the south, having gone there in the interest of some cattle shipments.

General Agent Brown, of the Midland, is in southern Utah, attending to freight matters in connection with cattle shipments.

The Scotch people celebrate the battle of Bannockburn at the Lagoon today. A trolley party, with bagpipes, was out advertising the event last evening.

The Fraternal union had an enjoyable outing at Saltair yesterday. The magniscope exhibition during the evening was greatly appreciated and was witnessed by 1,200 people.

The Butte baseball team is coming down Sunday to play a game with the Oregon Short Line people at Calder's park on that day. A large excursion is coming with the team from Butte and Anaconda.

A large excursion from Box Elder county, about 300 strong, will arrive in the city on the Short Line today, going to Garfield Beach. The train will arrive in the city at about 9:45, and will have a special direct to the beach. A special train will take the visitors back in the evening.

### TYPOGRAPHICAL ELECTION.

**S. E. Donnelly of New York Elected President.**

Indianapolis, Ind., June 23.—Complete returns, officially announced today at the headquarters of the International Typographical union in this city, show that Samuel E. Donnelly of New York Typographical union No. 6 is elected president over W. B. Prescott, the present incumbent, by a majority of 3,060. The vote is as follows: Donnelly, 11,178; Prescott, 8,627.

The other presidential candidates voted for received the following: Merritt P. Palmer, Peoria, Ills., 597; Frank Hynes, Denver, 654.

Harbor of Boston; sixth vice president, James Ryan of New York; secretary-treasurer, John W. Bramwood of Denver; agent Childs-Drexel home, Victor B. Williams, Chicago. Bramwood, for secretary-treasurer, received a majority of 9,097 over C. P. Connolly of St. Louis.

### HOBSON'S REWARD.

**Proposed Promotion Is the Greatest In Naval History.**

Washington, June 23.—Representative Pearson, uncle of Naval Constructor Hobson, had another long interview today with Secretary Long respecting the reward of that hero. The secretary is puzzled by the conflicting interests in this case. He intends to reward Hobson in accordance with the merits of his feat, but would like to do this without injustice to other officers. A study of the naval register shows that if Hobson is advanced to the grade of lieutenant commander he will have been given a greater reward than was ever known in our naval history. Cushing got 56 numbers and gained one year and nine months' time in his record, yet Hobson, it is calculated, will be given, if made a naval commander, 344, and will gain 20 years in time. He will become senior officer of the navy in the course of about 15 years, and, owing to his youth, will retain that place no less than 20 years, something absolutely without precedent in the annals of the navy.

EVERYTHING YOU HAVE DONE
and
EVERYTHING YOU ARE DOING NOW
or
ANYTHING YOU WANT TO KNOW
Will be truthfully and correctly told you
by
THE WORLD'S GREATEST SCIENTIFIC LIFE READER.
Robert Dale, psychometrist, test and business medium and clairvoyant, being thoroughly conversant with the occult sciences.

Positively
NO EQUAL ON EARTH
in his profession.

HIS PREDICTIONS ARE ALWAYS CORRECT
and
NEVER FAIL TO COME TRUE,
as thousands of people in every land will testify, including many of the nobility of Europe, the press, the clergy, the scientists, doctors, lawyers, professors, and many prominent people, but he refers not to distant lands or foreign cities for testimonials, but to YOUR OWN CITIZENS, who have had a consultation with him. ASK THEM, PLEASE, or call and see the hundreds of testimonials he has from customers.

As a TEST of his natural born and acquired talents.

A SECRET YOU SHOULD KNOW—THE POWER TO CONTROL.

CALL YOU BY YOUR FULL NAME.
Tells you how to be successful in your undertakings and all things pertaining to life.
CONCERNING BUSINESS AFFAIRS.
Gives never failing information regarding all kinds of business, lawsuits, claims, collections, investments, speculations, changes, wills, pensions, insurance, deeds, mortgages, mines, patents, inventions, and all financial difficulties.
LOVE, COURTSHIP AND MARRIAGE.
Gives truthful revelations of all love affairs, troubles, marriages, family difficulties and divorces, restores lost affection, reunites the separated, settles lovers' quarrels, tells how to marry the one of your choice; gives name of the one you will marry and date of marriage; how to win the man or woman you love; how to make your husband or wife or any one be kind and true to you and overpower all your enemies or anybody.
ASSISTANCE FOR TROUBLED OR UNFORTUNATE.
If you are in trouble of any kind, discontented, unhappy, or not satisfied in life, or have domestic or love or business troubles, you will be told
How to overcome all trouble

HOW TO HAVE YOUR WANTS AND WISHES SATISFIED. HOW TO OBTAIN YOUR OBJECT IN LIFE, OR YOUR HEART'S DESIRE. How to live contented and happy the rest of your life and be lucky and fortunate. How to obtain the money you want and WHAT YOU ARE BEST ADAPTED FOR.

Does everything seem to go wrong, and HAS FORTUNE NEVER SMILED ON YOU? HAS YOUR LIFE BEEN FULL OF "UPS AND DOWNS?" Do not despair, as you can yet learn the true road to success and happiness, as both await you if you only know HOW, WHEN and WHERE to find them; all can be told you WITHOUT ASKING A SINGLE QUESTION.

HOW TO CONTROL OTHERS—your friends, enemies, loved ones, husband, wife or any one.

Instructions given on PERSONAL MAGNETISM. It gives one a DOUBLE POWER. It enables a man or woman to exert a strong influence over other men and women, while it gives one the power of resistance against their influence.

In a word, whatever may be your trouble, suspicion, or desire, call on this gifted man and he will point out and show you how to overcome all obstacles that keep you from happiness and success.

Letters containing four questions and $1.00 answered.
