SPORTS

"TERRIBLE TERRY" STILL CHAMPION

Puts Out Oscar Gardner in the Fourth Round.

WAS A ONE-SIDED FIGHT

NO DOUBT AS TO THE OUTCOME FROM THE FIRST.

San Francisco, April 30.—Terry McGovern knocked out Oscar Gardner in the fourth round tonight at Machanics' pavilion. From the first minute until the end came there was never a doubt in the minds of the spectators as to the outcome. McGovern forced the pace all through, and had no trouble in landing when and where he liked. Gardner's swings were very wild and ineffective, and only on two or three occasions did he put a clean blow upon the champion.

Gardner took a terrible pummeling and went down repeatedly from the fierce assaults of the Brooklyn terror. In the fourth round Terry landed half a dozen rights and lefts on face and body and Gardner went down. He struggled to his feet only to go down again.

Gardner landed one left on the body and the blow only served to irritate Terry, who came back at him with lefts and rights in a perfect shower. Gardner received a hard right squarely in the pit of the stomach and as he sagged down Terry sent in a left to the jaw which ended the fight. Gardner lacked steam and was very slow on his feet. On the whole his showing with the champion was disappointing.

The preliminary between Billy Dougherty of Philadelphia and Kid McFadden of San Francisco was a whirlwind affair from start to finish. In the tenth round Dougherty sent McFadden to his knees, and while he was in this position Strickfaden gave him a light and unintentional blow on the face. The referee promptly disqualified Dougherty. The decision was very unpopular with the crowd.

FIGHT BY ROUNDS.

Gardner Took a Hard Pummeling, But Made a Poor Showing.

First Round.—Terry swung left and missed. Gardner landed left on body. Then clinched and exchanged. Terry sent in short left to body and in breaking away swung left to head. Terry forced fighting and landed left on body. They clinch and both try to get in short-arm jabs. Both fighting like clinch and terrier but he beat him to break. Right over down from left to the jaw and took the count. He went to his knees again but was up immediately and fought back hard. Terry forced the fight and landed left on head. Terry sent in left on body and right to jaw. McGovern landed left on chin and Gardner took the count. He got up just as the gong sounded. All McGovern.

Second Round.—Terry rushed and sent Gardner to his knees with a left on the jaw. Gardner clinched. Gardner landed hard left swing on face. It sent him to the ropes and sent his right and left to body. Terry put a straight left to Gardner's nose. McGovern sent right and left to head at close quarters. Gardner sent left to face. Gardner went down from left to jaw but came up quickly. Terry tried right but Oscar ducked cleverly. Terry sent in half a dozen body blows at close range in quick succession and Gardner clinched to save himself. Gardner sent in left to face and another on body very low. They were mixing it at the close of the round. Terry very fast.

Third Round.—McGovern went at Oscar and landed left swing for head. They clinched and both fought at close range. Gardner landed left on face but missed right swing and got several short-arm jolts in quick succession on jaw and body. Gardner swung both hands for head but Terry threw up his shoulders and avoided them. Terry jabbed Oscar in the mouth with his left and sent a right to the heart. Terry swung left and right to head and put Gardner on ropes. Gardner fought back but without effect. Terry was great after him every second. He sent in right and left to body. McGovern sent Gardner through the ropes from right and left to jaw. He forced Gardner from a knock-out. He got back into the ring quickly and went to his corner.

Fourth Round.—Terry went after his man with left to face and right to body. Gardner landed friend swing on head. Terry sent right and left to body and Gardner clinched. Gardner evidently is badly hurt and unable to rise from the floor. The blow that put him down and cut was a right in the pit of the stomach followed by a hard left to the jaw. McGovern goes over and anxiously asked Gardner how he feels. Gardner finally recovers and is carried out of the ring. He appeared very weak and suffering pain from blow in the stomach.

Cycling.

Oscar Julius After Record.

Oscar Julius announced last evening that he would go for the 100-mile record at Liberty park this afternoon. Julius has been in training for the road race that was to have been run today, and does not want to let all his work go for naught. He states that he will have several pacemakers, including Lawson, Parris, Haydorf and Meidsum. Oscar also is in receipt of a letter from Frank Waller offering him a position of steering a motor tandem for Stinson in his match races this summer. He has not decided whether he will accept.

Work Commenced on Saucer.

A force of men was placed on the saucer track yesterday and it is expected to be in shape for the riders to commence training by the latter part of this week. All the old and worn out boards are being replaced with new ones, so as to make it perfectly secure for the heavy machines that may be used the coming season. Permits for the riders to train will be issued as soon as this work is completed, and the training quarters will also be assigned to them. The management states that an unusual number of permits have been asked for, and the track is expected to be alive with riders before the season is many days old.

Baseball.

THE NATIONAL LEAGUE.

New York Won From Philadelphia by Score of 3 to 2.

	Won.	Lost.	Per Cent.
St. Louis	5	0	.833
Cincinnati	4	1	.800
Pittsburg	3	1	.750
Boston	3	2	.600
Philadelphia	4	4	.500
Brooklyn	2	3	.400
New York	2	3	.400
Chicago	0	3	.000

Philadelphia, April 30.—Mathewson had the Philadelphia National league team completely at his mercy today, and New York won by the score of 3 to 2. Attendance, 1,600. Score:

	R.	H.	E.
Philadelphia	2	3	0
New York	3	3	2

Batteries—Orth and Douglass; Mathewson and Smith.
Umpire—O'Day.

Brooklyn, 2; Boston, 1.

Brooklyn, April 30.—Dessau's single and a steal and Long's fly scored a run for the Boston National league team in the first. Not after that they could not get a runner to the plate. Attendance, 2,500. Score:

	R.	H.	E.
Boston	1	5	4
Brooklyn	2	7	0

Batteries—Willis and Kittredge; Donovan and McGuire.
Umpire—Colgan.

St. Louis, 4; Pittsburg, 2.

Pittsburg, April 30.—Both Harper and Philippi pitched fine ball today. Harper kept the hits well scattered and was for chums to the home team when the bases were loaded. Brilliant fielding characterized the game throughout. Attendance, 2,200. Score:

	R.	H.	E.
Pittsburg	2	8	2
St. Louis	4	8	2

Batteries—Philippi and O'Connor; Harper and Ryan.
Umpire—Dwyer.

Chicago, 8; Cincinnati, 7.

Chicago, April 30.—With two out and three men on bases Dexter hit over Dobbs' head, sending in two runs and winning a hard fought contest. Both teams batted hard. Green and Crawford excelled. Attendance, 400. Score:

	R.	H.	E.
Chicago	8	11	3
Cincinnati	7	10	4

Batteries—McGee, Chance and Kling; Newton and Peitz.
Umpire—Emslie.

THE AMERICAN LEAGUE.

Chicago Puts a Stop to Detroit's Winning Streak.

	Won.	Lost.	Per cent.
Washington	4	0	1.000
Detroit	5	1	.833
Chicago	2	2	.666
Baltimore	2	2	.500
Cleveland	2	2	.500
Philadelphia	2	4	.333
Milwaukee	1	5	.166
Boston	1	3	.250

Chicago, April 30.—Detroit's winning streak was stopped today. Chicago's American league team getting the honor of giving them the first drubbing of the season. Score:

	R.	H.	E.
Chicago	4	4	4
Detroit	20	5	3

Batteries—Skopec and Sullivan; Cronin and Buelow and McAlister.

Boston, 8; Philadelphia, 6.

Philadelphia, April 30.—The Boston team of the American league defeated the home team in a ten-inning game and won its first victory of the season. A sensational left-handed catch of a foul by Collins was the feature. Attendance, 4,000. Score:

	R.	H.	E.
Boston	8	16	3
Philadelphia	6	12	3

Batteries—Young and Criger; Mulligan and Powers.

Washington, 12; Baltimore, 6.

Washington, April 30.—The Washington American league team won its second game from Baltimore today. Attendance, 800. Score:

	R.	H.	E.
Washington	12	15	5
Baltimore	6	12	7

Batteries—Lee and Clark; Bresnahan, Nupp and Schmidt and Latimer.

Milwaukee, 8; Cleveland, 6.

Cleveland, O., April 30.—Milwaukee won its first game of the season today. Although Cleveland out-batted and outfielded the visitors, Milwaukee took advantage of Scott's wildness and bunched their hits. Attendance, 1,655. Score:

	R.	H.	E.
Cleveland	6	11	1
Milwaukee	8	9	2

Batteries—Scott and Yeager; Garvin and Dowling.
Umpire—Leahy.

INTERSCHOLASTIC LEAGUE.

Executive Committee Met Last Evening.

A meeting of the executive committee of the Interscholastic Baseball league was held last evening. The eligibility of players was the principal topic under discussion and was debated earnestly a greater part of the evening. The discussion resulted in allowing several men to play under protest until their cases are taken up with the heads of the various institutions interested. The question of ball grounds was also settled. An attempt was made to secure Walker's park, but this could not be done, and it was decided to play on the University grounds. The rule about a pitcher hitting the batter was changed so as to give the umpire power to give the batter a base.

Frank Hughes was selected as the official umpire of the league. All games will be commenced at 2:30 in the afternoon, and the opening contest will take place next Friday.

U. of U. Ball Team.

Captain Bell of the university baseball team announced the line-up yesterday as it will be sent to the league secretary. There are a number of students trying for positions on the team, and the line-up that follows may be changed later on: L. Muir, c.; Taylor and Iverson, p.; Riser, 1. b.; H. J. Muir, 2. b.; Sadler, 3. b.; Bell, ss.; Hirsenvogel, r. f.; Wilson or Welling, c. f., and Nelson, l. f.

Sumner Defeats Grants.

The Sumner school defeated the Grant school in their first game of the season yesterday, by a score of 14 to 6. The batteries were Foats and Beeky for the Sumner, and Sampson and George for the Grants.

Athletic.

THE UNIVERSITY FIELD MEET

"PREPS." AND COLLEGE CONTEST FOR ATHLETIC HONORS.

A Number of the Preparatory Students Make Fine Showing For First Attempt.

The "preps" gave the college a hard chase for held honors in the contest that took place at the university grounds yesterday afternoon. The events took up a greater part of the afternoon, and it was not until a few technical points were decided that the winners could be announced. The meet was held to infuse a little spirit into the boys for the coming contest between the U. of U. and the U. of Nev., and the preparatory and college branches of the institution were pitted against each other for points. Twelve events in all were run off, the winner of each event counting five points, the second three and the third one. The totals gave the college 55 4-5, and the preparatory 51 1-5 points, which is remarkably close for a contest of this kind. Nearly all the students and faculty, as well as a number of their friends were in attendance, and considerable college spirit was shown as the different events were pulled off.

A number of the entries were novices at their work, and some of them proved that with little training they would be able to compete with any of the athletes in this section of the country. Among these is Peterson, one of the "preps." He won first place in the hammer throw and finished well in the shot-put. Peterson has had no previous training in work of this kind, and with careful coaching would get the state records. Steffensen, another "prep," finished first in the shot-put, third in the hammer throw and tied for second place in the high jump. J. F. Sharp appeared for the first time in the jumping events, and got a position each time. Hume, another preparatory student, won the mile run with ease, and has a future before him in the long distance events. The time and distance of the various events were not announced.

The following were the winners and the teams they represented:

100-yard dash—Rideout, col.; Riser, prep.; Weston, prep.

Half-mile run—Sadler, col.; Barney, prep.; Herschvogel, prep.

Pole vault—Johnson, col.; Jacobson, col.; Patterson, col.

220-yard dash—Rideout, col.; Riser, prep.; Shealey, col.

High jump—Johnson, col.; tied for second; Riser, prep.; Steffensen, prep.; Rigby, prep.; Sharp, prep.; Jacobson, col.

Broad jump—Johnson, col.; Draper, prep.; Sharp, prep.

440-yard run—Hume, prep.; Riser, prep.; Leaver, prep.

120-yard hurdle—Johnson, col.; Dougall, col.; Hatch, col.

Hammer throw (sixteen pounds)—Peterson, prep.; Lattimer, col.; Steffensen, prep.

Shot-put (sixteen pounds)—Steffensen, prep.; Hansen, col.; Johnson, col.

Mile run—Hume, prep.; Manning, prep.

220-yard hurdle—Hume, prep.; Hatch, col.; Dougall, col.

AUGUSTUS RESIGNS.

New Physical Director Selected for the Y. M. C. A.

J. A. Augustus, physical instructor of the Y. M. C. A. for the past three years, tendered his resignation yesterday to take effect at once. This action created considerable surprise among many members of the Y. M. C. A. He will leave for Cedar City, where he will train the field team of the branch normal school for the coming contest with the U. of U. After Mr. Augustus finishes his work at Cedar he will go direct to his old home at Topeka, and will re-enter gymnasium work at that place.

Since his connection with the Y. M. C. A. of this city Mr. Augustus has been prominently connected with athletic sports. He has always been one of the first to take a hand in amateur events, and has acted as an official in nearly every contest of any note since his arrival in the city. He is without question the best all around athlete in the city, and his judgment on questions pertaining to his branch of work was always taken as final.

G. P. Daniel has been selected as his successor, and will at once take up the work in the gymnasium where Mr. Augustus left off. Mr. Daniels comes from Rock Island, and was strongly recommended to the local organization.

Settled For May 24.

Manager Shealey of the university track team stated yesterday that May 24, as had been previously announced, was the date selected for the annual meeting between the Nevada and Utah universities.

This has been finally agreed upon, and unless some unforeseen difficulty turns up, the boys from the east bench will be in Reno on that day.

The Trigger.

Gun Club Shoots Today.

The regular shoot of the local gun club will take place this afternoon. The interest manifested in this sport for the past few months promises to be kept up for some time. R. A. Barney, of Provo, has written the local shooters in regard to a tournament to be held at that place, and has secured the promises of several entries. The Provo club has not definitely settled upon the event, but promises to have one if given the proper support.

A. Tucker, representative of the Parker Gun company, was in the city yesterday. Mr. Tucker is one of the best known shooters in the country, having been in the game for the past thirty years.

Miscellaneous.

Winnipeg, April 30.—Jake Gaudaur has cabled George Towns, the English champion, accepting his challenge for a three-mile sculling race for £250 a side and the championship of the world. The race will take place at Bat Portage in August.

MAY FILE DUPLICATES.

Attorney General's Ruling on Piute County Claims.

Attorney General Breeden signed an opinion yesterday to the effect that the state auditor may draw warrants for money appropriated by the legislature on duplicates where the originals are lost. The question was raised in behalf of a number of residents of Piute county. The opinion is given the state board of examiners, who referred to the attorney general a communication from State Auditor Tingey in which he says that "appropriations were made for Piute county and a number of residents of the county for money expended in the prosecution and care of criminals, but the vouchers have never reached his office, and are presumed to be lost."

The information desired was whether the state auditor is authorized to draw his warrant for any money appropriated until the bills, which were submitted to the legislature, and by authority of which the respective appropriations were made, are filed in his office.

MARRIED IN LONDON.

Secretary of United States Embassy Weds Daughter of Earl of Desart.

London, April 30.—W. Bayard Cutting, jr., secretary of the United States embassy here, and Lady Sybil Cuffe, daughter of the Earl of Desart, were married today at All Saints' church, this city. The wedding was a comparatively quiet affair.

The bride was dressed in ivory satin, with a court train and Brussels lace, and wore pearl and diamond ornaments. Two pages in watteau costumes of pale blue satin acted as trainbearers. There were eight bridesmaids.

Joseph Choate, the United States ambassador, and the other members of the embassy were among the few guests present, outside of the families of the bride and bridegroom. Subsequently there was a reception at the residence of the bride's parents.

[illegible] School Building.

Washington, April 30.—The Indian bureau has completed plans for the new Sherman institute at Riverside, Cal., which is expected to be one of the finest buildings in the Indian school service. It will cost $135,000 and accommodate 300 to 400 pupils. The corner stone will be laid in July and Representative Sherman of New York has been invited to make the dedication speech.

Federation of Musical Clubs.

Cleveland, O., April 30.—The second biennial convention of the National Federation of Musical Clubs opened here today with a very large attendance. Mrs. J. H. Webster of this city, first vice president of the federation, delivered the address of welcome. The session was devoted to the reading of reports.

Charged With Fraudulent Voting.

St. Louis, April 30.—The Globe-Democrat today says: The April grand jury, which has been in session since the 1st of the month, made a partial report yesterday, returning, it is said, seventeen indictments against Democrats, charging them with fraudulent voting and repeating.

Going to Pacific Coast.

Chicago, April 30.—Between 30,000 and 40,000 persons departed from Chicago today for points on the Pacific coast. It was the last day of the sale of the $2 tickets. On nearly every road special trains were required to handle the business.

OFFICIALS STRUGGLE FOR 18 LONG HOURS

Waterworks Compromise is Again a Controversy.

PURCHASE IS PREVENTED

EFFORT TO OBTAIN SYSTEM FOR CITY FAILS.

(Special to The Herald.)

Ogden, Utah, April 30.—The proposition for a compromise of the waterworks controversy is off. It died about midnight tonight.

Mr. Eccles and his associates declared positively that it would not be again entertained. Mayor Browning and all but one of the members of the city council worked untiringly all day and half the night to bring about the transaction, but it failed, largely through the efforts of Councilman George W. Jones, who fought the measure to a finish. The result was reached after one of the most exciting days in the business and official history of Ogden. The battle waged from 6 a. m. until midnight.

The particular factor in knocking out the consummation of the deal was the objection of the treasurer and his bondsmen in the manner in which the city council attempted to draw the money.

The situation was not without its humorous features, as the mayor and the city council were engaged until way into the night trying to get about $43,000 of the city money out of the treasury. A dozen times it seemed that they would succeed and the stock in the waterworks company would pass to the city. But finally the treasurer declined to pay the warrants unless he should be given an indemnifying bond by members of the city council. This ultimatum came a little after midnight and right then and there the proposition for Ogden city to control the waterworks went glimmering.

An Early Start.

This, the dizziest day in the history of the city council began at 6 a. m., when the councilmen got Recorder Bluth out to draw the $50,000 warrant on sinking fund No. 1, in favor of David Eccles, the same to be in full payment for the stock of the present holders of the company.

The warrant was duly drawn and notice of the transfer from the general fund to sinking fund No. 1 was also furnished the treasurer. The deal, however, received a setback right at the start. The city, it seemed, did not have the required amount—$40,000—to transfer to the sinking fund, and Treasurer Moyes refused to transfer for that amount, or to pay the $50,000 warrant. There were rumors of an injunction to prevent the closing of the deal, and a special meeting of the city council was called for noon. Meanwhile other objections to the mode of procedure arose. It developed that money in the sinking fund could not be used, except to pay bonds or interest, and the transaction was one of buying stock. Again, it was urged that the city could not buy stock in a corporation, and City Auditor Miller sought advice of her attorney, W. L. Maginnis, as to the liability of herself and bondsmen in case she should draw warrants for such a purpose. Later in the day the point was raised by the opponents of the system that the transfer of the money from the general fund was illegal, for the reason that registered warrants were to be paid with any money in that fund.

Councilman Jones notified all the banks in the city not to cash the $50,000 warrant.

Meanwhile the city council was walking in session from the city hall to the Ogden State bank. Messrs. Dee, Eccles and Allison were on hand to turn over the stock, but owing to the threatened complications, Mr. Allison insisted that the money be paid over in gold, and bystanders waited expectantly to see $50,000 carried over to the First National bank from the Ogden State bank. Mayor Browning and President Thomas grew well nigh frantic as the day wore on and objection after objection was raised. They even tendered all manner of personal guarantees, until they discovered that some objectors were simply sparring for time. Judge Rolapp was in Farmington and no injunction could be secured before evening. Judge Marshall was also out of the state, and nothing could be done in the federal court.

Plan of Action Reached.

Finally an understanding was reached with the treasurer and his bondsmen, and at 5 o'clock the actual session of the city council began.

First, on report of the special waterworks committee, the $50,000 warrant was returned, with instructions for the auditor to cancel the same, as it was not available for the purpose. Such other action as might be deemed expedient to the business was recommended.

A bill for hydrant rental, amounting to $5,320, due the present company from Sept. 1, was allowed.

An ordinance was passed and signed, creating sinking fund No. 3. Then $15,000 was transferred from sinking fund No. 1 to sinking fund No. 2, and $2,680 from the general fund to No. 2. Then a warrant in favor of David Eccles was ordered drawn for the balance of the purchase price. Then they adjourned to get the warrants drawn, while Messrs. Eccles, Dee and Allison waited in the mayor's ante-room, ready to pocket the coin and sign the stock transfers.

Finally Judge Maginnis, after further investigation of the legal phrases, advised the city auditor that she might draw the warrant without making herself or her bondsmen personally liable. The warrants were drawn and given to Mr. Eccles and it then appeared that the deal was consummated, because, in anticipation of such an outcome, arrangements had been made for the treasurer to be at the bank. Mr. Eccles, together with the mayor and president of the council, went to the bank where the city funds are kept and waited for about an hour on the steps. In the meantime the opponents of the proposition had been at work and had got the bondsmen of the treasurer somewhat alarmed. So when that official returned the whole matter had to be explained to them. Objection after objection was raised and Mr. Moyes, the treasurer, wanted an opinion from his attorney. This went on until after 10 o'clock without a definite understanding being reached and finally the gentlemen slipped away for supper.

Effort For Injunction.

In the meantime George W. Jones, A. J. Weber, T. B. Johnson, J. E. Bagley and one or two others were buzzing themselves endeavoring to get an injunction to prevent the treasurer from paying out the money. Judge Rolapp returned from Farmington about 8 o'clock. The matter was immediately presented to him, but he declined to issue a restraining order against a municipal corporation, without first giving them a hearing. He, however, consented to issue an order to show cause why a restraining order should not issue. Such a document was hastily prepared, the grounds being that the city had no right to invest in stock of a private corporation, and that the warrants about to be paid would put the city beyond its debt limit. This order was signed, but could not be served until it had been filed with the county clerk. It was presented to Clerk Hollingsworth in the Weber club, but that official declined to file it, on the ground that it was after office hours, and he was not in his office. Another attempt was made to get Miss Cahoon to file the paper, but this attempt also was unsuccessful. However, the developments in the treasurer's office resulting in his refusal to cash the warrant without an indemnifying bond, made the order to show cause unnecessary. The waterworks people refused to make the transfer unless they had cash in hand, giving as a reason that they did not want to conduct a law suit to collect their money. About $5,300 of water rentals which were paid to the company out of the general fund as a part of the transaction, cannot be recalled, no matter what position the city may wish to assume in the controversy.

Mayor is Chagrined.

Mayor Browning, President Thomas and Councilman J. W. Abbott, who were in at the death of the proposition, were very much chagrined over its defeat, and maintained that it was a sorry day for Ogden. They claimed that the net revenue from the waterworks system would pay the interest on the bonds and leave Ogden City a balance of $26,000 each year, and at the end of ten years the city might, or might not, as it chose, allow the bonds to be foreclosed.

Treasurer Moyes said tonight in explanation of his course: "It was simply a matter for which I and my bondsmen are entirely responsible. My attorney advised me that the method of withdrawing money was not according to law, and therefore we wanted protection."

The warrant presented for payment bore the certificate of the auditor that it was within the legal debt limit.

OGDEN NEWS.

Ogden Office, 203 Eccles Building. Telephone 14.

Ogden, May 1.

FIGHT WITH HOBOES.

Officers Shot at by Some Angry Tramps.

Captain Browning, with Officers Sullivan and Hutchins, had a running fight with hoboes about 5 o'clock yesterday morning. Five shots were fired at the officers, principally at the two first named.

Browning and Sullivan were walking down Twenty-fifth street, when near the corner of Lincoln they encountered three suspicious characters. Realizing that they were under surveillance the fellows at once became angered. And one of them shouted, "Let's do 'em." Browning grabbed one, who struggled and was about to get away. Another ran to the center of the street and from behind a street car gave opened fire. Sullivan dashed at him and after firing five shots in quick succession the fellow ran east on Twenty-fifth street. Officer Hutchins, attracted by the shooting, had started down that way when he suddenly encountered the fleeing hobo who had his gun out and immediately shoved it in the officer's face, ordering him to remain quiet. Then the fellow suddenly broke and ran up the alley past Graham's livery stable and escaped. Meanwhile Browning had landed his man and, with Sullivan's assistance, took him to the station. He gave the name of James Murphy.

Ogden Briefs.

Born, to Mr. and Mrs. Al Herrick, a fine eight-pound girl. All well.

The reading of Miss Oliver, from the "Little Minister" will occur tomorrow night in the Congregational church.

Alex Brewer yesterday filed an action against Cragun Brothers to collect a running account amounting to $91.82.

About 9:15 yesterday morning the fire department was called to the residence of Mr. Ward at 2426 Monroe avenue. The fire started in a chimney in a clothes closet. It was extinguished before the department arrived.

FAIRVIEW MAN'S DISAPPEARANCE

(Special to The Herald.)

Fairview, April 30.—A telegram from Green River station conveys the information that Walkey James, a wealthy sheep owner of Fairview, disappeared from his sheep camp on April 16 and has not been found or heard of since. Mr. James is 70 years of age, a Welshman by birth, and never was married. His nephew and two other men were looking after his flocks at the time of his disappearance.

Wiped From the Docket.

Guthrie, O. T., April 30.—The last act in the drama of the Shawnee postoffice imbroglio was enacted today in the district court room at Tecumseh, when the case against G. G. Boggs was called and erased from the docket. Boggs was charged with misappropriating postal receipts last February, when the real culprit made a confession, completely exonerating Boggs.

LEWIS FOR PRESIDENT OF BENSON STAKE

(Special to The Herald.)

Logan, April 30.—At a meeting held in Richmond this afternoon, Bishop William H. Lewis of Lewiston was named as president of the newly created Benson stake. Brigham A. Hendricks of Lewiston and Alma Merrill of Richmond are his counselors.

At Hyrum, William A. Parkinson, formerly of Pocatello, was installed as president of Hyrum stake. His counselors were not named.

INSURANCE ON THE RIO.

Companies at San Francisco Pay $900,000 on Vessel's Cargo.

San Francisco, April 30.—All the insurance on the cargo of the wrecked steamer Rio de Janeiro, amounting to $900,000, has been paid. The collector of customs at Honolulu sent over by the Rio, $30,000 in treasure, and it was not insured. The steamship company also carried many thousands in its safe, on which likewise there was no insurance. The most valuable portion of the cargo was raw silk.

The loss of the Rio was the climax of a series of very bad marine losses here and in London. As a result, the local agencies of all the foreign marine companies have received notice to cut down the size of lines which they carry.

Find Traces of Shipwrecks.

Victoria, B. C., April 30.—The Indians who found the wreck of the three-masted vessel on Queen Charlotte Island report that traces of the camp of shipwrecked men, with embers of the fire and a blanket rigged up aslant as a tent, were found. Tracks of the unfortunates from the ship led northward, where there are no people, not even an Indian hamlet.

Salisbury to Return to London.

London, May 1.—It is expected that the Marquis of Salisbury will return to London from his villa at Beaulieu, France, toward the end of the week, if the improvement in his health continues.

The Homeliest Man in Salt Lake City as well as the handsomest, and others are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is guaranteed to cure and relieve all Chronic and Acute Coughs, Asthma, Bronchitis and Consumption. Price, 25c. and 50c. For sale by Godbe-Pitts Drug company, Salt Lake City.

Young men up to 26 can find Measure cut for Crescent Shirts or overcoats that will reveal the best tailor work, and be surer of the style. Look for the Red Crescent. Prices are $5 to $25.
Cane, McCaffrey & Co
Broadway Clothiers

In Salt Lake City Only of
J. P. Gardner, 136 and 138 Main Street.

To The Stockholders of the

Bingham Copper and Gold Mining Company.

You are advised that a new company, called Bingham Consolidated Mining & Smelting Company, has been organized under the laws of the State of Maine, with an authorized capital of $10,000,000, being 200,000 shares, par $50, to take over all the property of your Company, and for other purposes as set forth herein. The stock of the new Company will be issued as follows:

100,000 shares, par $50 (making $5,000,000) in exchange for the 200,000 shares of the Bingham Copper & Gold Mining company, and 50,000 shares (making $2,500,000) in exchange for the 50,000 shares of the old, this being at the ratio of one share of the new stock for two shares of the old; and 50,000 shares (making $2,500,000) for the purpose of purchasing the Dalton & Lark, Brooklyn, Antelope and other claims or mines, and for the purchase of the Copper Belt Railway from the Utah & Northern and the Atlantic Western Railroad to the Bingham mine, and to provide $100,000 cash in the treasury—all of which has been underwritten, leaving 50,000 shares unissued in the treasury of the new Company, to be used only for the purchase of additional mines or for such other purposes as may be deemed advisable by the directors.

The Dalton & Lark and other properties purchased consist of 25 claims, embracing over 200 acres, located in the Bingham district in convenient proximity to the Bingham mine. These mines are well known and of great value, having been examined and recommended by well known mining engineers. They have extensive ore bodies blocked out in them, so that a large tonnage can be produced from them for your smelter, and your directors are convinced that these properties will prove a very valuable acquisition to the Bingham proposition.

This arrangement will place your new Company in a strong financial position, enabling it to largely increase its present earnings by adding to the capacity of its smelter. The plan has already been endorsed by 75 per cent of the stock, and your directors recommend that you exchange your stock as suggested.

The Federal Trust Company, of 34 Milk street, Boston, will receive for exchange the shares of the Bingham Copper & Gold Mining Company, between the hours of 10 a. m. and 2 p. m., and until 3 p. m. on May 8, 1901, and will issue therefor negotiable receipts pending the issue of the stock of the Bingham Consolidated Mining & Smelting Company. Certificates must be endorsed in blank, and signatures witnessed and guaranteed before being deposited. No revenue stamps will be necessary if receipts are issued in the same name as the stock. Fractional lots will be purchased by the Federal Trust Company at par for the underwriters. Respectfully,

J. A. CORAM,
D. P. POSEY,
CLARENCE K. McDONICK,
JOHN W. WEEKS,
O. E. WELLER,
E. L. WHITE,
Directors.

Boston, Mass., April 24, 1901.

Bohemian and Austrian Class Vases:

Three hundred assorted, in three lots:
Lot No. 1, worth up to 65c, choice at 35c.

WEAK MEN HERE IS STRENGTH

Are you a weak man? Are you nervous, fretful and gloomy? Is your sleep broken? Have you pains and aches in different parts of your body? Is your back weak and painful? Have you lost the vigor of youth? Is your vital power growing less? Are you Rheumatic and Gouty? Have you Varicocele? These are the result of the waste of vital force. The gentle stream of electricity from Dr. McLaughlin's Electric Belt going into the nerves and weak parts for hours every night, soon restores all the lost energy and makes every organ perfect. It cures permanently in every case.

Dr. McLaughlin's Electric Belt

Has made thousands of homes happy. It is as good for women as for men. Man and wife can use the same Belt. The regulator makes it strong or mild to suit the weakest. It is the only Electric Belt in the world that can be regulated while on the body. You feel the power, but it does not burn and blister as do the old style here mentioned belts. If you are weak or in pain it will cure you. Will you try it?

Pay When Cured.

You run no risk. You pay only when cured, if you can offer reasonable security. Failure to cure costs you nothing, as I take all the chances. The Dr. McLaughlin Electric Belt is the best electric body appliance that has ever been invented. Latest patent June 19, 1900. It is warranted on a bond of $5000 to give a stronger current, last longer and cure quicker than any other electric body appliance made.

FREE I want you to call if you can and test it free. If you can't call send for my book, which gives full information and is worth $100 to any weak man. Sent free, closely sealed.

READ THIS PROOF.
Camp Bird, Colo.
I have been using your Belt now for the past few months, with very satisfactory results. My rheumatism for which I purchased your Belt has about entirely disappeared, and I used to have frequent and painful attacks. I consider your Belt invaluable. Yours truly,
WM. LONERGAN.
