DR. ROLLER GOES DOWN TO GOTCH

Kansas City, April 27.—In a fast match Frank Gotch successfully defended his title as wrestling champion of the world against Dr. Benjamin F. Roller of Seattle at Convention hall here tonight. The champion won in straight falls, the first in 37 minutes 55 seconds, with a combination crotch and half-Nelson hold, and the second in 18 minutes 29 seconds, with a reverse Nelson.

In the first bout Roller was generally the aggressor, and Gotch several times appeared to be in trouble, but was always able to turn the tables on his opponent. Roller repeatedly demonstrated his ability to wriggle out of dangerous positions and successfully evaded Gotch's efforts to secure the toe hold.

"Roller is every bit as good as any foreigner I ever met, if not a shade better," was the champion's comment.

"Gotch is a gentleman and the greatest wrestler in the world," said Roller. "He beat me fairly, and I honor him for it."

ANOTHER FAKER NAILED

Foot Race Swindlers Land Colorado Sucker for Big Sum.

Denver, April 27.—Another arrest was made in this city last night in connection with the investigation of the records of J. C. Maybray and his alleged swindling band. E. B. Jacobs, who has lived in this city for several years and has a beautiful home, was taken into custody on a warrant charging him with being an accomplice of Ernest Powers, a foot racer, in swindling J. C. Bowman of Silverton, Colo., out of $13,700. The alleged swindle was accomplished by means of a foot race in which Powers is said to have been a contestant and upon which Bowman was induced to bet heavily.

According to the police here, the race was pulled off in Council Bluffs in July, 1908, and near the finish Powers, on whom Bowman had pledged his pile, fell unconscious and was beaten. Bowman, of course, losing his money. The charge against Jacobs is that he was acting as Powers manager and that the race was a fake arranged for the purpose of robbing Bowman.

NEW LIFE IN TRACK TEAM

Callahan Visits High School and Takes Hand in Coaching Boys.

D. A. Callahan, father of athletics at the high school, appeared on the campus yesterday afternoon, and his coming immediately put new life into the athletes. He put the men through a hard workout and taught them many of the fine points of the game. Mr. Callahan is quite enthused about the track outlook, and he believes that high school will have one of the best teams that it has had in a number of years.

During the afternoon Coach Callahan made a number of changes and worked some of the men out in new events. Korns, the football captain, was tried out on the pole vault and did well, and Beesley also did some good work in this event. R. Richardson was put on the hurdles, and he showed great form, and he will probably be worked out on the hurdles the rest of the season. Mr. Callahan was particularly pleased with the work of Atkins, the new phenom that the class meet turned up, and Callahan thinks he will develop into one of the best all-round men that high school has produced.

The baseball men put in a hard practice in preparation for Friday's game. The full squad was out for the first time for several days, owing to the suspension of a number of the regular men. Mr. Callahan had charge of the practice and was well pleased with the work of the ball team.

The course for the big Sunday school relay race to be run from the state penitentiary to the Y. M. C. A. building next Saturday was measured yesterday.

The Iliff, First Presbyterian, Phillips, Burlington, First Methodist and Third Presbyterian clubs have entered teams in the large class (class A), and the First Presbyterian, Phillips, Iliff, First Methodist, East Side Baptist, Southwest mission and Third Presbyterian, St. Paul's and St. Mark's clubs have entered teams in the small class (class B), comprising an entry list of about 140 boys.

Several friends of the association have kindly let the boys have the use of their autos for hauling the runners to the relay posts, and others are giving their time to judge, start and time the races.

The smaller class race will begin at 2:30 o'clock and the larger class at 3 o'clock.

BILL BINGLEY LANDS LAW BREAKERS

Bill Bingley was busy again yesterday, and as a result three violators of the fish and game law contributed $10 each to the state game fund through the justice court. They are E. Eck, Sam Turner and Joseph Thorpe. They were caught fishing without a license. Bill says there are a number of boys over 12 years of age fishing in the river without paying the license fee demanded by the state and that they will be arrested if caught.

OCCIDENTALS MAKE TRIP TO TWIN FALLS

Arrangements were completed yesterday by the Occidental baseball team for a series of games with Twin Falls, Ida. A series of five games will be played commencing next Tuesday. There is a big street fair going on during this week, and the Occidentals and Twin Falls teams will be one of the attractions.

SANDY SURPRISES SAM LANGFORD

Boston, April 27.—By superior physical condition Sandy Ferguson of Chelsea was able to finish strong in the last two rounds of a 12-round match with Sam Langford of Boston at the Armory Athletic association tonight, thereby winning a draw.

Little championship form was shown by either. Ferguson started off with straight-arm left and right jabs to the head and face and kept it up for three rounds. Langford directed his blows more to the body, with an occasional right to the head.

From the third to the tenth Langford was the aggressor, Ferguson failing to follow up his leads, and in several of the rounds hardly landed an effective blow. In the fourth Langford used his head to butt Ferguson in the chin and was cautioned by the referee.

Langford put over a left and right at the opening of the tenth, when Ferguson started in to rush things, and punished the colored fighter freely with rights and lefts to the face. Langford was evidently tired and was holding on, but Ferguson failed to follow his advantage closely.

Ferguson started the eleventh with a stream of blows upon Langford's face and head, but was unable to place a knockout. Langford could only respond with an occasional short-arm body punch. With Langford decidedly tired, Ferguson came up with a rush in the last round and had things all his own way.

OGDEN PROGRAM ISSUED

First Week's Racing Offers Purses Aggregating $6,750 for Ponies.

(Special to The Herald.)

Ogden, April 27.—The Ogden Jockey club issued its program yesterday for the first six days of racing, beginning with May 5. The purses offered for the first week's races total $6,750.

Last night the following horsemen arrived from Oakland, Cal., with their strings of horses:

Jim Meyers, J. Donovan, W. Wright, Jasper Madison, and two more cars are due to arrive today from the same city.

The great problem now confronting Messrs. Murray and Stover is the question of providing stalls for the many horses coming in from all directions daily. They are endeavoring to secure all stalls available in the vicinity of the track and to this end will spare no efforts. The management will consider it a favor of being informed of good stabling to lease near the track.

NEW LIGHTWEIGHT CHAMP

Max Luttbeg Defeats Albert Wassen for Wrestling Title.

Chicago, April 27.—Max Luttbeg of Kansas City won the lightweight wrestling championship of America by defeating Albert Wassen of St. Louis in the final match of the lightweight tournament at the Illinois Athletic club last night.

The preliminaries having taken up so much time, the principals agreed to wrestle one fall to a finish for the title. Luttbeg took the fall in 25:12 after an exciting tussle with a half-Nelson and bar-arm hold.

Wassen was awarded second money.

Ernest Lindberg of Chicago won third money by winning from Arthur Jones in one fall in 2:09 with a scissor and body hold.

JEFF WILL MAKE JACK RUN, SAYS CORBETT

New York, April 27.—Jim Corbett does not see how Jack Johnson has any chance to defeat Jeffries.

"I can't say how long it will take Jeffries to knock Johnson out," said Corbett, "for that depends on how long it will take Jeffries to catch him. Johnson may stand still with other fighters, but when he sees the big bear coming for him he will run so fast he will burn his shoes. Jeffries is all right."

Corbett said he thought Ketchel had a good chance with Johnson.

FAMOUS HORSE PASSES AWAY

The Bear, Valued at $5,000, Dies at Fair Grounds—East Boosts Salt Lake.

A tragedy occurred at the fair grounds yesterday. A human life wasn't lost, but one of the gamest thoroughbreds this side of the Mississippi river shuffled off to the green pasture land of the equine Elysian fields. The noted horse, The Bear, valued at $5,000, died from a sudden attack of lung fever, the most malignant and dreaded ailment to which the highly tensioned and finely bred thoroughbred is heir. Catching a severe cold while making the trip through the mountains en route from Los Angeles, the horse rapidly developed a high fever, which carried him off yesterday morning in his stall. Many a man, a big one, too, has passed to the great beyond without having as many persons paying vigil at his death throes as thronged about The Bear's stall as soon as it became known that the noted horse was about to die.

From every section of the fair grounds came the owners, trainers, jockeys, darkey rubbers and the nondescript followers of the ponies. The Bear walked around his stall for hours. Then he sank to the straw and with a sudden kick and twitch he sprawled out and died. Had he lived and trained on, The Bear would probably have been one of the stars during the forthcoming summer meet of the Utah Jockey club.

"There was a glorious horse, and it's a personal hurt to know that he has died," remarked General Manager W. W. Finn on hearing the news.

The Bear was a son of the noted English sire, Bowling Brook, his dam being Erla D'Or. He was bred and raised by Wyndham Walden at his Middleburg, Md., farm and became the property of S. R. Lawrence at Butte, Mont., early in his career. He held the world's record for a mile on a half-mile course, having run a mile on the "saucer" at Topeka, Kan., in 1:41½ as a 3-year-old. The mark stands today. Messrs. King & Waltrom were his owners at the time of his death. He won a clever race at Santa Anita park, Los Angeles, last month. Messrs. Reynolds & McDowell offered $5,000 for him at Butte in 1906, but could not get him.

Harvey Woodford has some nice flowers for the Utah Jockey club. He is the turf editor of the Chicago Tribune and he threw the bouquet in his paper on last Saturday. He says:

"The coming summer meeting at Salt Lake looks fresh and good to the eye. General Manager W. W. Finn brought down a piece of big game when he secured P. P. Pomeroy as the presiding steward and Richard Dwyer as the starter. With these two officials in executive harness, the sporting public, not only in Utah, but throughout the country, will repose the utmost confidence in the meeting. Salt Lake has been long known as a hale town and its people a sport-loving tribe. Thousands of people will be attracted to Salt Lake this summer, for you have a strong magnet pulling at you when you can go to a town with the summer climate enjoyed by the Utah metropolis with some racing and the grandest sea water bathing in the world trown in. Salt Lake people will find that its coming meeting will tone up trade and infuse life and pleasure into its routine, in addition to affording the town the best sort of an advertisement for, from my experience, I may say that if you once spend May, June and July in Salt Lake, you'll come back the next summer, too.

Fair Grounds Notes.

That trip over from Southern California took several horses off their pins. The nice sprinter, Taylor George, is ailing somewhat. W. Hobart has him now. Toylor George formerly ran in Plunger Ray Offut's colors, but, after the latter had lost a $3,000 wager on him, he let the horse go for a song.

Look out for Ak-Sar-Ben a month hence. The Ben Brush colt is getting good. He is high in flesh, but fresh and ready to point to his top form a few weeks hence. He is just the sort of a colt to stride around the half-mile track turns. Unless we are much mistaken, here is one of "Toho" Ramsey's lot to tab in the little book.

It is said that:

Harry Stover is a very sick man just now.

The tenting-out brigade at the fair grounds felt last night's rain.

Jockey B. Sullivan is a smart little gentleman.

Our local hotels will be taxed in accommodating the racing crowds a month hence.

Secretary J. W. Rice will be here in ten days' time.

The rain will help the fair grounds course. George Klotz says it is just what it needed.

Glorio will beat The Bear's half mile track record this summer.

You'll find many a once-famous man on the race course. Out at the fairgrounds with the Maple stable is Harry Bassett. When with the Indianapolis team of the National league eighteen years ago, he was one of the grandest and best known ball players in the country. He is the last man in the world one would take to be a heavy turf operator.

ANSON'S TEAM BACK FROM EASTERN TRIP

Chicago, April 27.—Captain Anson and his ball team have returned from the first invasion of the east ever made by a local semi-professional team. While the team lost a majority of the games that were played, it paved the way for future visits, and other local semi-professional teams are expected to follow the captain's example.

WAIVER ON JAMES SLAGLE.

St. Louis, April 27.—Fred Clark, manager of the Pittsburg team, announced today that he had waived claim to James Slagle, former center fielder of the champion Chicago National league team. Slagle will now go to Baltimore for the Eastern league.
