J. T. HAMMOND NEW PRESIDENT

Elected by Board of Education at Its Meeting Last Evening.

MUCH BUSINESS IS DONE

CLERK'S REPORT—BUILDING REPAIRS—CENSUS TAKERS.

James T. Hammond was last evening chosen by the board of education as its president to fill the place left vacant by the death of the late Judge H. P. Henderson. The choice was unanimous. Mathonihah Thomas made the nomination and in doing so said he was voicing the sentiment of Vice President Byron Cummings, who would have nominated Mr. Hammond had he been present. The nomination was seconded by C. S. Martin. On motion of A. G. Glauque, seconded by W. J. Newman, the clerk cast one ballot for Mr. Hammond.

Mr. Hammond thanked the members briefly for their expression of confidence in him and promised to treat them with the utmost fairness and give all the time he could to the duties of the position, though he felt the difficulty in filling satisfactorily a place held by the late Judge Henderson.

Mr. Hammond will hold office until the first meeting in January, 1910. He has been a member of the board since 1906 and has been a member of the board's committees on rules, teachers and school work and finance. He was secretary of state during the administration of Governor Heber M. Wells. On the board he represents the Fourth municipal ward with Mathonihah Thomas.

William J. Barrette, whom the board at its last meeting chose to fill the vacancy in the membership from the Fifth ward left vacant by Judge Henderson's death, was present for the first time.

The meeting was the first after the close of the fiscal year and a very considerable amount of business was transacted, consisting largely of the adoption of bulky reports that had been considered in committee.

S. A. Whitney, treasurer of the board, reported a balance of cash on hand at the close of June 30 of $189,194.22.

Investigation Postponed.

The board decided not to continue the investigation into the affairs of George M. Bridwell, superintendent of buildings and grounds, this being a busy time with the board's workmen in renovating and repairing buildings. It will be taken up after the stress of work is over.

A request of W. H. Rowe, director of the Utah exhibit at the Alaska-Yukon-Pacific exposition, for a set of pictures of Salt Lake schools was granted and Superintendent D. H. Christensen was instructed to forward the pictures. Mr. Rowe wrote that the educational exhibit under direction of F. N. Poulson was a distinct success.

Jennie Breckon, Jennie Gray and Harriet Hobart, of the teaching staff, were granted leaves of absence for a year.

Building Repairs.

Repairs for the school buildings will be done under the direction of the buildings and grounds committee as follows:

Total $53,936.

The bid of G. M. Anderson to re-slate all blackboards and keep them in repair for 1909-10 for the sum of $1,250 was accepted.

Kletting to be employed to prepare plans, and a boiler room and toilets and sewer connection to be installed at the Hamilton school at an estimated cost of $8,500, Dallas & Hedges to be employed to prepare plans.

WRONGED MAN SLAIN BY HIS WIFE'S LOVER

Watseca, Ill., July 13.—That J. B. Sayler, the Crescent City banker, who was shot and killed Sunday by Dr. W. R. Miller, remained passive for the sake of his 17-year-old daughter, Goldie, while talk of the alleged intimacy of his wife and Dr. Miller was rife, not only in his home town, but in other parts of the country, is asserted by the decedent's closest friends.

Mr. Sayler idolized his daughter. Two years ago he sent her to the neighboring town of Onarga to attend a seminary in order, it is now said, that she might not witness the domestic tangle which was coming into general notice.

Dr. Miller stood in real danger of being lynched last night. More than 100 men thronged the streets of Crescent City, trying to organize for an attack on the jail.

ROCK SPRINGS NOTES.

(Special Correspondence.)

Rock Springs, Wyo., July 12.—The authorities now believe that they are close on the track of one of the murderers of John Jarvie. A man answering the description of one of the suspects tried to change a $100 bill at Point of Rocks, twenty-eight miles east of here on the railroad, and Special Deputy William Allred, and James Jarvie, son of the murdered man, are following him up, having traced him as far as Hanna at last reports. This latest development seems to prove that the robbers got into the safe at Jarvie's store, as Jarvie was known by his sons to have several $100 bills there. One of the suspected men has worked on a ranch in Brown's park and is known to have stayed at Jarvie's over night on several occasions, and he may have learned the combination of the safe. Jarvie's sons have not yet attempted to open it, as they do not know the combination, and it will take some time to get it open. Sheriff Matt McCourt and several deputies are working diligently on the case and further developments are expected soon.

It is now believed that one of the suspects remained in the vicinity of Rock Springs and search is being made for him in the hills.

Rt. Rev. Nathaniel S. Thomas, the new bishop of Wyoming, will make his first visitation to Rock Springs the latter part of this week and will preach in the Church of the Holy Communion on Sunday morning, July 18. In the afternoon, accompanied by Rev. R. S. Stringfellow, he will go to Green River, where a service will be held in the evening.

Cards have been received in Rock Springs announcing the marriage at Washington, D. C., of Jack Iredale, formerly of this place, to a daughter of Colonel and Mrs. P. P. Slaughter of Orange, Va. The bride is a member of one of the oldest and most prominent families in Virginia, and is a lady of charm and accomplishments. The young people are at home at 1200 East Capitol street, Washington, D. C.

The funeral of Edmund Clegg, a pioneer resident of Rock Springs, took place on Saturday from the residence of his daughter, Mrs. John Ramsey, Rev. R. S. Stringfellow officiating. Beautiful and appropriate music was rendered by Mrs. D. M. Thayer and Mrs. Mary A. Clark.

The funeral of John Lee will be held from the Episcopal church on Wednesday afternoon at 2:30. Owing to the popularity of the young man, it will probably be the largest funeral ever held in Rock Springs. Business will be suspended during the hour of the service and the business men of the town will attend in a body.

Friends here of Miss Alma McClure, a popular teacher in the public schools last year, are interested in the announcement of her marriage of George Bassett, who owns a ranch in Brown's Park, Colo., where the happy young couple will reside.

The board of county commissioners has accepted the resignation of George E. Ford, justice of the peace at Gunn, Wyo., and has appointed E. Don Skeen to act in his stead. A. P. Gugas has been appointed deputy sheriff at Wamsutter, and L. O. Battey has been appointed to the same position at Eden. A retail liquor license was granted the Deseret Trading company at Gunn.

Miss Ruth Lange is in from Eden Valley to visit the Misses Vera and Ione Jensen.

Misses Anna and Mabel Pearson have returned from a visit in Denver.

A. Blair is about again after several weeks' illness.

The schoolhouse is being improved with new floors in Rooms 11 and 12.

The ceremony was performed by Judge Lindsay. The bride and bridegroom were the recipients of many handsome and useful presents. After the ceremony a delicious supper was served, after which the guests enjoyed themselves dancing until the "wee sma' hours" of the morning. The young couple will make their home in Eureka.

Important — Read This

The reasons for this great free contest, this grand free distribution of prizes, are twofold—first, to introduce to the people of Utah and Idaho the new name of this old company; second, to bring before the people the name of Boston's favorite piano, the Hallet & Davis.

The present name of the company may be new to some, but as a matter of fact the existence of our firm, either under its present name or its predecessors, runs back for half a century.

Recently the business was incorporated under the title of "Daynes-Beebe Music Co.," and that is the name we want to impress on the minds of every man, woman and child in the intermountain country, the DAYNES-BEEBE MUSIC CO., THE BEST PLACE TO BUY PIANOS.

Then in this advertising campaign we have the active assistance of the Hallet & Davis Piano Co., Boston, capital and surplus $1,500,000. They donate the beautiful Hallet & Davis Piano offered as first prize. This piano is now on exhibition in our show window, 45 Main street. The factory, besides donating the piano, makes us an appropriation for advertising their pianos in this territory through our company, and we propose to use it in this way.

It is expected that the increased demand for the Hallet & Davis instruments, as a result of this campaign of advertising, will justify this expenditure and it will be the means of saving thousands of dollars to buyers.

In purchasing your piano through the Daynes-Beebe Music Co., you have the advantage of our ONE-PRICE PLAN, the plan that saves you money and makes piano buying easy.

The Purchase Checks are good only at our store, and will be accepted at face value towards purchase of any new piano or player-piano handled by us, at regular marked prices, if presented within the time limit. Only one may be applied on the same piano, but on no purchase made prior to July 28, 1909.

We will gladly mail price list of all our pianos on application. Easy payments to everybody.
