WOMAN FINDS FATHER DEAD

Daughter Arrives to Nurse Her Parent, Who Passes Away Before She Reaches Him.

(Special to The Herald-Republican.)

Ogden, Oct. 17.—The remains of Le Grand R. Anderson, the wealthy old man who died at the Ogden General hospital of pneumonia several days ago, were sent to Decatur, Mich., for burial last night. The body was accompanied east by Mrs. Grace Hammond, a daughter, who arrived here yesterday with her son. Mrs. Hammond was shocked when she reached Ogden to learn of her father's death. She had supposed from the meager details contained in the dispatch that her father was ill and had come to assist in nursing him back to health.

When Mr. Anderson died at the hospital after several days' illness it was believed that he had no means, but an examination of his will, which he made some time ago, showed that he devised all his property to his daughter, Mrs. Hammond. Mr. Anderson several years ago was a successful farmer in Michigan. Afterwards he engaged in the banking business, which he followed for some time. During the past few years, his daughter says, he has shown a disposition to travel considerably. He was 74 years of age at the time of his death.

MEN ARE BADLY BITTEN

Vicious Bulldog in Ogden Attacks Men and Inflicts Serious Injuries.

(Special to The Herald-Republican.)

Ogden, Oct. 17.—Last evening, while attempting to save his dog from being eaten up by a vicious bulldog, J. Weber was badly lacerated by the bulldog. Another man, name unknown, volunteered assistance to Weber, and the bulldog drove his teeth through the fleshy part of the man's leg. Both men had to call a doctor to dress the wounds.

The bulldog seems to be a tramp, but he shows the scars of many a fierce battle. He has been around town a good deal during the past year or so, but he had never before been known to attack a man. It is said that about a year ago this particular bulldog fought a badger until his eyes were nearly scratched out, and that for a number of days afterwards he was in constant search for the badger, evidently eager to finish him.

MAN NEARLY ELECTROCUTED

Workman Comes in Contact With a Live Wire and Receives Heavy Voltage.

(Special to The Herald-Republican.)

Ogden, Oct. 17.—While working on the steel tower transmission line of the Telluride Power company, immediately east of the city, a young man by the name of Eakin came in contact with a live wire about 2 p. m. yesterday and received a heavy voltage of electricity. After receiving the shock the man fell a distance of about 40 feet to the ground. He was rendered unconscious and it was thought for a time that he would not survive.

He was taken to the hospital, where Dr. Edward Rich was called. The doctor says the young man is badly burned about the arms and legs and other parts of the body, but that his injuries are not considered to be of a fatal nature.

BACK IS BROKEN BY FALL

Austrian Employed at Bingham Mine Plunges Down a Long Chute While at Work.

(Special to The Herald-Republican.)

Bingham, Oct. 17.—Mike Jucomich, an Austrian, employed as timberman in the sulphide tunnel of the Boston Consolidated Mining company, fell down a chute early this morning, a distance of sixty feet, breaking his back. The Austrian was standing on some lagging on the ninth level to fix the gate of the chute. The timber helper, not knowing that he was standing there, dropped the lagging down the chute, the Austrian falling with it past eight sets of timbers.

When picked up he was unable to stand. A physician was called and the man was taken to the local hospital. This morning he was shipped to St. Mark's hospital in Salt Lake. He is unable to sit up, his back undoubtedly being broken by the terrific force of the fall. He is single, 26 years of age, and has been in the employ of the company about three years. He has one brother in camp.

(Special to The Herald-Republican.)

(Special to The Herald-Republican.)

Manti, Oct. 17.—On Friday evening last the Democrats of this city assembled in the council house about forty strong and nominated the following ticket, to be voted for at the coming city election:

For mayor Daniel H. Robison; councilman, four-year term, Andrew O. Anderson; councilmen, Jacob Keller, Alexander Barton and Fred C. Keller; recorder, Frederick Petersen; treasurer, Miss Emma Hansen; justice, C. F. Carlson.

PEOPLE TO VOTE ON PROHIBITION

Lehi Republicans Hold Enthusiastic Convention and Adopt Resolutions.

(Special to The Herald-Republican.)

Lehi, Oct. 17.—In the largest and most enthusiastic convention ever held in Lehi, a convention in which the will of the people ruled, the Republicans of Lehi last night declared themselves in favor of submitting the prohibition question to a direct and separate vote of the people on Nov. 2.

Karl Hopkins was made chairman of the convention, with G. A. Goates as secretary. The real contest of the convention was for mayor. John Y. Smith nominated S. I. Goodwin and Dr. H. C. Holbrook placed before the convention the name of J. H. Gardner, who was nominated on the first ballot by a vote of 220, to 203 for Goodwin. The nomination of Gardner was made unanimous and the following ticket was placed in the field:

Mayor, James H. Gardner; recorder, G. A. Goates; treasurer, Walter L. Webb; justice, Samuel Taylor; councilmen, four-year term, W. E. Packer; two-year terms, Lorenzo Comer, J. E. Bone, J. C. Gough.

An executive committee, consisting of five persons from each of the four districts, was named, this committee to elect a city chairman and fill any vacancies that might occur. The platform, adopted without a dissenting vote, contains the following plank relative to prohibition:

"We endorse the action of the present city council in passing what is known as the prohibition ordinance, and, believing that an expression of the will of the people on this important measure would strengthen the city officials in enforcing this ordinance, we therefore recommend that the question of prohibition be submitted to a direct and separate vote of the people, at the coming election; and we hereby pledge the nominees of this convention, if elected, faithfully to carry out, by every legal and proper means, the will of the majority of the voters of Lehi City, as expressed at the polls on Nov. 2, 1909."

DIES IN CALIFORNIA.

Manti Man Passes Away While on Trip for Health.

(Special to The Herald-Republican.)

Manti, Oct. 17.—Word came from San Bernardino, Cal., yesterday, of the death of George Peacock, proprietor of the Rio Grande Western eating house of this city, who passed away yesterday morning about 3 o'clock. Several relatives of the family from this city left Manti today to meet the widow, who is expected to arrive in this city next Tuesday with the body.

Mr. Peacock was the son of former Probate Judge George Peacock and Mary Lowry, who came to Manti in 1850, where they have made their residence since. Mr. Peacock leaves a mother, wife and numerous brothers and sisters to mourn his loss. He was a man of middle age and was quite prosperous. Funeral services likely will be held here Wednesday, if the remains arrive here in time.

CIVIC DUTIES OF YOUNG MEN

Attorney Tells Hearers to Keep in Touch With Municipal Affairs.

Religious services at the Y. M. C. A. yesterday afternoon were the most successful since the beginning of the series. E. O. Lee, of Booth, Lee & Badger, talked of the civic duties of young men. Mr. Lee was advertised as a "lawyer out of politics." His opening sentence impeached the press agent.

"I note that I'm styled a 'lawyer out of politics.' I have never seen one, and never hope to be one. It is the duty of every man, lawyer or otherwise, to take an active part in politics, if the city is to be best served," declared Mr. Lee.

He went on to urge upon young men the necessity of keeping in touch with the civic progress and government of the city.

"When all men are in politics, politics will assume its natural position in the economy of American civilization; the more interest the layman citizen takes in the fight the less control the ring bosses will exercise," he argued.

The musical program was excellent. Mrs. Corinne Harris Hanner gave two vocal solos and Claude J. Nettleton entertained with the violin. O. B. Gingrich led the men's singing.

Next Sunday A. Q. Adamson, former religious director of the local Y. M. C. A., and recently appointed secretary of the international Y. M. C. A. committee, with station at Foo Chow, China, a city of over 1,000,000 population, will address the men's meeting.
