GREY STAR NOSES MAYFLOWER OUT IN STATE FAIR FEATURE

Before a crowd of race patrons doubling that of the first two days, the state fair race card was held yesterday afternoon. The feature race, the 2:17 class pace or trot, proved to be just as interesting as it looked on paper and the big crowd was on its feet during every heat.

C. H. Anderson's Grey Star, a strong contender in every heat, won the fourth and fifth heats and first money in the race, nosing L. M. Erickson's Mayflower out of first money by a narrow margin. Mayflower won the second and third heats, finished second in the last two, but in the first finished last. With two firsts and two seconds, Grey Star's fourth in the second heat gave him one point the best of Mayflower for the big slice of the purse.

Dan Z won the first heat in 2:16¼, the fastest time of the meeting, with Grey Star a close second. In the second heat Erickson, with Mayflower, lay in behind Clater Gray and Dan Z until straightened away in the stretch, when Mayflower showed a fine burst of speed and won.

The third heat saw Mayflower off in the lead which she held to the wire, but only to win by a head from Grey Star, which closed like a cyclone on the outside.

The pace told on Mayflower in the next two heats, which came easy to Grey Star, although the mare was a surprise by holding the field safe for the place.

C. P. Wilson's Fleety Gazelle was too fast for the field in the 2:30 trot or pace, and won in three straight heats. The Preacher improved his position in every heat and by finishing second in the last, drew down second money, with C. E. Bennett's speedy little Annie B getting third place in the race.

The track was in fine shape for the harness events, and with continued fair weather the free-for-all today will be run under ideal track conditions.

The running race was a feature yesterday. Wielding the flag as the starter was C. B. Clow, the popular local horseman, who showed a master hand at getting the field away without the assistance of a barrier. The start was perfect for all but Ocalee, a two-year-old, which refused to break, preferring to do some Cheyenne wild west bucking which placed her out of the running.

Luke McCoy led for the first furlong, when Gabriel challenged and shoved his nose in front, to hold it out in a long drive to the wire, to win by a neck from Luke McCoy. Captain Tom was a good third.

Today the feature will be the free-for-all, the blue ribbon harness event of the week. Awaiting the word will be the cracks, Laura B, Whitehall, Charley Worth, Mandolin and Eddie Wood. The 2:25 trot or pace and a mile run will round out the card.

Visiting horsemen have had nothing but praise for the work of the officials at the race card. J. C. Lynch, who is starting the harness events, has presided with a master hand and the starts have been excellent.

YOST LOSES ONE OF HIS BACKFIELD COMERS

Ann Arbor, Mich., Oct. 5.—Michigan's football prospects received a serious setback yesterday as a result of the first serious accident of the season. Harrington, conceded a place in the back field and regarded by Coach Yost as one of the most promising back field men he has found in several seasons, sustained a broken leg and will be out of the game for the remainder of the season.

Harrington was carrying the ball from his position at halfback in the play in which the injury occured. After dashing off right tackle for a substantial gain, he was tackled and fell in such a way as to break a small bone in his right leg just above the ankle.

CAN'T FIND SANDY.

New Orleans, Oct. 5.—T. J. Tortorich, one of the officers of the West Side Athletic club, announced today that all efforts to find Sandy Ferguson and his manager, George Little, had failed and that the heavyweight fight between Ferguson and Jim Barry, booked at the West Side club for October 16, might be called off. Barry is now training in New Orleans. Ferguson was last heard from in Chicago.

FIRST PRACTICE GAME FOR HIGH SCHOOL TEAMS

Regulars and Reserves Meet for Real Gridiron Work—Students Will Practice Cheers.

On account of there being no school Friday practice will be postponed and there will be no practice Saturday because Coach Brusse is to be one of the officials for the Utah-Aggie game. The regular practice was held last night and some new formations were shown to the boys. Both D. A. Callahan and Fred Fennesy were down last night and they were given charge of the ends and backfield, while Coach Brusse taught the line some new tricks.

Coach Brusse and Professor Gillilan, with the aid of the trigonometry class, surveyed the campus and marked it off and the team will have a good field to practice on.

Naylor was not out last night on account of sickness and Juddy Morris, although he was out, is badly crippled with a fractured shin bone. Outside of these men the team is in fine shape and are anxiously awaiting a game, but as yet nothing has been heard from any of the outside schools. The boys have at last found a training table and will now have to follow strict training rules, or they will not be allowed to try out for the squad. The coach stated that the first man who was caught breaking training would be asked to turn in his suit.

Tonight the two teams will line up against each other and some excitement will be promised to those who wish to see the new style of football and Principal Eaton has requested all of the students to be present in order that they might go over their yells.

Class football is now being encouraged in the school and the seniors held a meeting yesterday at noon to choose Howard Candland for their captain. The other classes will meet within the next few days and elect their officers. The class basketball teams for the girls have also been organized.

The line-up of the two teams for tonight's practice game will be:

First team.		Reserves.
Wilson	re	Snow
Yates (Capt.)	rt	Kass
Wallace	rg	Green
Cahoon	c	Judd
Naylor	lg	Dundas
Marsh	lt	Walker
Godbe	le	Yates
Olsen	rh	Johnson
Morris	fb	Hodges
Ward	rh	Whitney
Fitzpatrick	qb	Doran

Coach Brusse will referee and Bardwell will umpire. The linesmen will be Wartinman and Margetts. The game will be started promptly at 3 o'clock.

SHREVEPORT IS DENIED CLAIM TO JACKSON

Cincinnati, Oct. 5.—The claim of the Shreveport club for $1,500 against the Philadelphia Nationals for W. R. Jackson was dismissed by the national baseball commission today. The commission held that the player was on the suspension list when he was sold by Shreveport to Philadelphia and for this reason the first named club could not dispose of him.

A fine of $25 was inflicted against Shreveport for this violation of the rules. The Philadelphia club also was fined $100 for giving the Shreveport club permission to try the player out after the inquiries had convinced them that the player was on the ineligible list.

The commission refused the application of the St. Louis American league club for a rehearing in the case of Walter P. Salm.

FOUR ENTRIES FOR NEW YORK-CHICAGO AERO RACE

Chicago, Oct. 5.—Willard, McCurdy, Ely and Post, who, it now appears, will be the only starters in the Chicago-New York aeroplane race, which will begin next Saturday, made successful trial flights at the Hawthorne aerodrome today. Taking advantage of the fact that there was scarcely a breath of wind, Willard flew to the drainage canal, which marks the first mile of the air route to New York.

The race will start at 3 o'clock in the afternoon instead of in the morning, as previously announced. White letters on a dark background beneath the aeroplane will identify the machines in their flight, as follows:

A—J. A. McCurdy.
B—Eugene Ely.
C—Augustus Post.
D—Charles F. Willard.

FOOTBALL AT GRANITE.

After more than a month's vigorous training Coach J. E. Moss of the Granite High school is ready to name his team. Moss said Wednesday that he would name his team Thursday morning. Captain Leggroan has recovered from the injuries received on the gridiron last week and will play in the opening game with the University freshmen Saturday.

TY COBB LEADS.

Cleveland, Ohio, Oct. 5.—Averages compiled by the News show that Tyrus Cobb of the Detroit team is leading Napoleon Lajoie of the Cleveland team in the race for the batting championship and automobile offered as a prize to the leading batter.

The figures as published today give Cobb 492 times at bat and 187 hits, or an average of .389, and Lajoie 569 times at bat with 212 hits, or an average of .372. Unofficial averages heretofore gave Lajoie a mark of .375 and Cobb an average of .374.

HEAVILY PLAYED HORSES COME HOME

Talent Has Another Good Day at Ogden—Ponies From Helena.

(Special to The Herald-Republican.)

Ogden, Oct. 5.—The winning of four heavily-played favorites hit the bookies here today and the talent was in good form. In the feature race, the fourth, at one mile, Lady Elizabeth, who showed in her last out that she was nearing her California form, breezed to her field and rewarded her players who had made her a post time favorite. Canin receded from 6 to 5 to 3 to 0, and showed no speed.

In the first race Louise B., with a good boy up for the first time, won handily with Pearl Bass and Alta Ray close up. Gaugel outrode Gargan in the second and landed the aged but game old campaigner Aunt Polly first by a head over Inauguration.

Emma G. showed her consistent form by taking the fifth race after seemingly beaten an eighth out. In the last race Genova repeated her victory of Tuesday by getting up to win from Aquiline.

Jockey Post was suspended indefinitely for misconduct at the track and for an incompetent ride on Sir Bon.

Tomorrow two carloads of horses are expected in from Helena and the addition of the Montana horses will further help the game.

The Results.

ALL UTAH FOOTBALL MEN ELIGIBLE FOR AGGIES

Owing to the game with the freshmen next Saturday the Granite high decided not to give the varsity squad the promised practice game yesterday, so Bennion's men will take it out on the freshmen for the remainder of the week.

Every man on the squad has removed his 'conditions' and the eligibility committee gave Coach Bennion the welcome information yesterday that every man on the team is eligible. So there is no longer any possibility of losing any of the men on the eve of the game Saturday.

From the way tickets are selling and the boosting spirit that pervades the campus, a record-breaking crowd of rooters will accompany the team to Logan. The boys expect to win, but are not looking for an easy victory. According to George Brown, the Ogden coach who was down yesterday, the Aggies have a fast team and are playing great ball.

The officials for the Aggie-University game at Logan Saturday have been selected, as follows: Umpire, Benny Baum; referee, Joe Brusse; head linesman, W. Jones.

FOOTBALL BOOMING AT BINGHAM HIGH SCHOOL

(Special to The Herald-Republican.)

Bingham, Oct. 5.—The high school boys are working hard in anticipation of the game with the Collegiate Institute Friday afternoon. Yesterday afternoon Coach Masters put his colts through a good scrimmage.

A yell leader has been appointed and much enthusiasm prevails.

Thomas; right end, Ernest Dean or Joe Cushman; left guard, George Thomas; left end, Ralph Jones; quarterback, Coach Masters; fullback, Dan Coakley; righ halfback, Murphy; left halfback, Lee Dean; substitutes, Ike Geffen, Clifford Mayer, Clarence Grant and William Askew.

WELL KNOWN HORSEMAN DIES OF HEART FAILURE

New York, Oct. 5.—Lucian O. Appleby, one of the best known horsemen in the country, is dead at the Red Cross hospital here of heart disease. He had been actively engaged in racing since 1865. He was a former part owner in the Mammoth Park race track and was one of the builders of the track at Linden, N. J., which was abandoned about ten years ago. His Silver Brook farm at Redbank, N. J., had been the home of many famous horses.

Appleby was the breeder of Henry of Navarre, Knight of the Thistle and other well-known thoroughbreds.

Louisville Races

Louisville, Ky., Oct. 5.—The track was sloppy and the card was greatly depleted by scratches.

The feature, a handicap for three-year-olds and up at six furlongs, was won by the favorite; Follie L a neck in front of John Griffin II. Al Muller was an easy third.

JUSTICE BROOKE BREAKS RECORD TO WIN FUTURITY

Lexington, Ky., Oct. 5.—Justice Brooke, a brown colt by Baron Gale-Expectation, owned by the Dromare farm at St. Clair, Mich., won the two-year-old division of the Kentucky futurity in straight heats and broke the world's record for two-year-old stallions in the second mile in 2:09¼.

The two heats of Justice Brooke also beat the record for a two-heat race by two-year-old trotters. Native Belle had previously taken the record by her two heats in 2:13¾ and 2:07¾ last fall in the futurity here. Her heats averaged 2:10¾, while Justice Brooke's two in 2:11½ and 2:09¼ averaged 2:10½, or a quarter second better.

Mr. Stokes, which had been a strong favorite for the race, was withdrawn on account of sickness.

The 2:08 pace, postponed from yesterday, was won by Independence Boy, his time in the heat run today, which decided the event, being 2:09 flat.

The association announced the putting on of a 2:09 pace for an $800 purse for Friday, October 7, in place of the 2:02 pace, declared off.

Anna Belle Lee, owned by George H. Smith and raced last year by Geers, dropped dead from an intestinal hemorrhage near the turn in the stretch in the last heat of the 2:11 pace. Her driver, McCoy, was unhurt.

FOOTBALL RESULTS

New Haven, Oct. 5.—Yale won from Tufts, 17 to 0, this afternoon, scoring only in the first half. In the other half Yale put in substitutes, who were puzzled by a novelty in formation worked out by Tufts for repeated gains, but the formation was so crudely played that the visitors themselves, by fumbling, lost advantage gained by it. Tufts once held Yale for downs on its four-yard line.

TIGERS ARE BEST.

Princeton, N. J., Oct. 5.—Princeton easily defeated Villanova at football on University field this afternoon by a score of 36 to 0. The game was open and the forward pass was frequently used by Princeton with success. The home eleven scored five touchdowns, a field goal and three goals from touchdown.

PENN HAS TO WORK.

Philadelphia, Oct. 5.—Franklin and Marshall gave the University of Pennsylvania a hard battle today, the home eleven winning, 17 to 0. Mercer was the star of the Pennsylvania team until compelled to leave the game because of injuries.

At Providence—Brown, 5; Rhode Island State, 0.

At Carlisle—Carlisle Indians, 24; Dickinson, 0.

WORLD'S SERIES SEATS MAY GO THROUGH MAIL

Chicago, Oct. 5.—If the plans of the business managers of the world's series do not meet with opposition from August Herrmann, chairman of the national commission, for the first time in the history of championships in this city, the demand for reserved seats at the west side park will be partially met during the engagement between Chicago and Philadelphia.

Secretary Robert McRoy of the American league and Secretary John Heydler of the National league, who will have charge of the seat sales for the big series, returned from Cincinnati and held a long conference yesterday.

It was decided to recommend to the national commission the advisability of having the management reserve the entire lower grand stand, which would make about 15,000 reserved seats.

If the national commission looks with favor upon the recommendation of the business managers of the series, a mail order sale of seats will be instituted. If not, a public sale of seats will be held.

FEATHERWEIGHTS WIND UP HARD TRAINING

McGovern and Reagan Both in Fine Shape for Bout at Ogden Friday.

Gene McGovern, the crack Milwaukee featherweight, wound up his hard work for his twenty-round go with Jimmy Reagan at Ogden Friday night, taking on Tommy Fitzgerald and Eddie Johnson for three rounds. His work delighted a large number of backers, and McGovern will go into the ring with many Salt Lake friends. McGovern has not been bothered in making weight, and is both strong and fresh, as well as confident of stopping the ex-bantamweight champion.

McGovern will mix things from the start, relying upon his strength, hitting power and knowledge of the game to swing the title of battle early in his favor. McGovern, with his trainer, Ben Smith, and party leave tomorrow morning for Ogden. The Salt Lake delegation of fans leaves on the Schuler special, leaving the Rio Grande depot at 7 p. m. and returning after the fight.

Reagan Confident.

(Special to The Herald-Republican.)

Ogden, Oct. 5.—Jimmy Reagan, who meets Gene McGovern at the fair grounds Friday night for the intermountain featherweight championship, wound up his heavy training at the Sanitarium today with three fast bouts. The work of the clever little boxer was witnessed by 200 people, who journeyed to the mouth of the canyon in the morning. Kid Harrison and Young Russell were taken on for three rounds each.

Reagan was fresh and strong after the bouts and pitched rigght into the rest of his gymnasium performances at the back and the rope without any long rest.

One sporting man here bet $500 at odds of 8 to 10 on Reagan last night with a well known Salt Lake fan.

BLEACHERS ONE DOLLAR.

Philadelphia, Oct. 5.—John A. Heydler announced today that the bleacher seats for the world's series baseball games would sell for $1 instead of 50 cents as was announced at Cincinnati. Temporary seats, to be erected in the outfield, will sell for 50 cents.

In the lower pavilion, seats in the first eight rows will be $3 each and the rest of the seats will be $2 each. In the upper pavilion the price of seats in the first five rows will be $3 each, and $2 for the rest of the stand.

DANNY MAHER CAN NO LONGER MAKE WEIGHT

New York, Oct. 5.—It was news in racing circles here today that the present season will see the end of Danny Maher as the leading figure in the saddle on English racing tracks on that flat. He will retire with a fortune of more than a million dollars, earned during his career on the turf. Maher's retirement, it is said, is due to the fact that he cannot do less than 126 pounds, and this as almost prohibitive for any man who aspires to be a leading jockey in England.

The English racing track will continue to know him as a trainer. Maher does not, however, intend to make his home in England, as many of his friends imagine. His heart is in Ireland, the home of his parents, and when he finishes with the turf he intends to settle down among the hills of Tipperary, where he can combine the breeding of high-class thoroughbreds with training horses for others.

OCCIDENTALS TO COAST

Crack Colored Nine Leaves Next Week to Play in Winter League—Z. C. M. I. Gets Game.

Frank Black, manager of the Occidentals, announced yesterday that, following the series with Eureka, the final game of which will be played Sunday, he will take his team to Los Angeles, where he is assured a berth in the Winter league, making the fourth team.

The Occidentals will represent Salt Lake, as they did last year, when they played fast ball, breaking better than even with the teams met.

Yesterday the Occidentals accepted the challenge of the Z. C. M. I. team for a game Friday. The big store team has cleaned up all of the amateur teams in the state, and has wanted a crack at the Occidentals for some time past, and Black said yesterday that he will give the chance. Both Mooney and Langford will work against the Z. C. M. I. sluggers to get in shape for the Eureka games.

From Eureka comes the word that the Miners are putting in overtime for the Occidental games, and that a big delegation of rooters will come to Salt Lake on a special train for the windup of the series.

FLANAGAN IS THROUGH

To Sail for "Auld Sod," Causing Loss to Irish-American Team's Chances.

New York, Oct. 5.—John Flanagan, America's greatest weight thrower, will not be one of the New York athletes to compete in the amateur track and field championships at New Orleans next Saturday. He has withdrawn from the team, and will sail for Ireland next Saturday for a prolonged stay on the "auld sod."

Cable advices just received by Flanagan have caused the change in his plans. A relative died recently, leaving considerable property, and Flanagan has been commissioned to manage the estate.

Flanagan's withdrawal from the championships will probably cause a loss in the per cent columns to the Irish-American A. C. of at least ten points, as it was conceded on all sides that in his present form Flanagan seemed certain of first place in both the "hammer" and "fifty-six."

In all likelihood, Flanagan, during his athletic career, lasting over fourteen years, has won more championship titles, including American, Canadian and Olympic, than any other American.

MOTOR CLUB TONIGHT.

Tonight the Motor club holds its regular weekly smoker, and Secretary Downing has billed a good entertainment with two four-round amateur bouts the feature of the athletic part of the program. The club has seen a rapid gain in its membership rolls, and seems launched on a successful career as a social and athletic organization.
