But on their return they stated that there was no way to communicate without coming in person, and they declare they were too much interested in their work and what their progress developed to lose any unnecessary time.

S. D. C.

The club met at the home of Mrs. Hosmer, nearly all members being present. Meeting was called to order by President Mrs. Eldredge. After the regular order of business was disposed of the following program was carried out:

Mrs. CoLis, in a very able manner, carried her hearers through part of the reign of Charles II. Especially graphic was her description of the London plague of 1665. When the plague was in a house, a red cross in chalk was put on the door, and would be placed outside; a cart came around each day which would stop, and the man in charge would cry out, "Bring out your dead." When a corpse was brought out, it was thrown in a deep ditch. These were troublous times in London, for the next year a terrible fire swept over part of the city and St. Paul's Cathedral was burned. At last the fire was subdued by blowing up large sections of buildings, so that the flying embers would have nothing on which to light.

Mrs. Thackeray read a selection, entitled "Cheerfulness."

Mrs. Eldredge gave an article on "Ancient Rome."

Mrs. Hosmer read from the Literary Digest, "Modern Alchemy."

Mrs. Hodson had a sketch on "Anecdotes of Kings."

All the articles were given in a most pleasing manner and greatly enjoyed by all present.

The club adjourned to meet at the home of Mrs. J. T. Hodson on the evening of January 19th, when the honorary members will be present. W.

"My daughter, when recovering from an attack of fever, was greatly relieved from pain in the back and legs," writes Landon Graves, of Sacks, Ky. "After using quite a number of remedies without any benefit she tried one bottle of Chamberlain's Pain Balm, and it has given entire relief." Chamberlain's Pain Balm is for a certain cure for rheumatism. Sold by John Boyden & Sons.

There is no need of children being annoyed by scald heads, scurvy and skin eruptions. DeWitt's Sarsaparilla Salve gives certain relief and cures permanently. John Boyden & Sons.
