A Most Worthy Article

When an article has been on the market for years and gains friends every year, it is safe to call this medicine a worthy one. Such is Ballard's Horehound Syrup. It positively cures coughs and all Pulmonary diseases. One of the best known merchants in Moline, Ala., says:

"For five years my family has not been troubled with the winter coughs. We use that so Ballard's Horehound Syrup. I have to buy more as my children from early each spring." Sold by John Borden & Son.
