TED'S OBJECT SPELLING LESSON---B-A-R-R-E-L AND T-R-E-E

"Oh, here's B-A-R-R-E-L; I wonder what it spells.

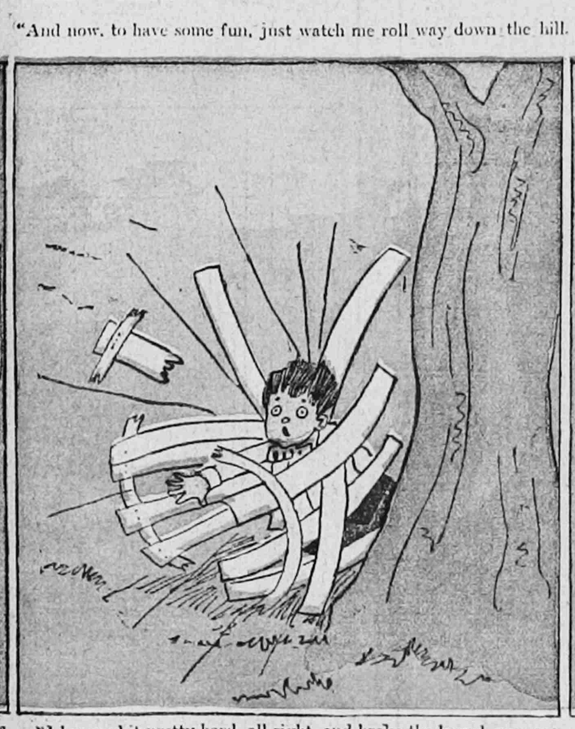
"T-R-E-E is another word; now maybe it spells bells.

"And now, to have some fun, just watch me roll way down the hill.

"Hey, you! I say, look out down there, or you will take a spill!

"I'm sorry, but I told you so; now look at all your eggs.

"Oh, dear, I'm going to bump that tree! I bet I'll break my legs.



"I bumped it pretty hard, all right, and broke the barrel, you see.

"B-A-R-R-E-L spells barrel; T-R-E-E spells tree."
