ONE MILE AUTO RECORD BROKEN

Marriott Drives His Car Over Ormond Course in Florida in 31 4-5 Seconds

HOTEL ORMOND, Fla., Jan. 23.—The world's record for the mile was twice lowered to-day in the fourth annual Ormond-Daytona automobile tournament, and both times by the same car, the cigar-shaped steamer driven by Fred Marriott. In the first start the contest for the Sir Thomas Dewar trophy, the racer made the mile in 32 1-5 seconds.

Rain during the morning delayed the starting of the races, and the course was not in the best condition for high speeding. In the one-mile international for the Dewar trophy the preliminary heats were run, Marriott, Lancia and Cedrino qualifying for the final. The second heat was particularly close, only three-fifths of a second separating Lancia and Cedrino for first and second places. In the final Marriott won, going the mile in 33 seconds flat. Cedrino was second. Lancia, owing to trouble with his car, was unable to start.

In the one-mile heavy-weight championship for gasoline cars two preliminary heats were run off, Cedrino, Fletcher and Lancia qualifying for the finals. Lancia won the first heat, with Fletcher a close second.

The steamer racer driven by Marriott was the only entry in the one-mile championship for steamers, and did the mile in 31 4-5 seconds, breaking all mile records, including his own former one.

The middle-weight one-mile championship for gasoline cars went over until tomorrow. The summaries:

One mile, international, for the Sir Thomas Dewar trophy—First heat won by Marriott (steamer), in 32 1-5 seconds; Earp (gasoline), 40 seconds flat. Second heat won by Lancia (gasoline), in 37 3-5 seconds; Cedrino (gasoline), 38 1-5 seconds. Final heat won by Marriott, in 32 seconds; Cedrino, 38 seconds, second.

One mile, heavyweight championship for gasoline cars—First heat won by Cedrino, :39 3-5; Fletcher, second, :39 4-5. Second heat won by Lancia, :42; Earp, :43 3-5, second. Final heat won by Lancia, :37; Fletcher, second, :37 3-5.

One mile, steamer championship, one entry—Marriott went the mile in :31 4-5.

SAN JOSE, Jan. 23.—A charge of assault to murder was made this morning against Salvador de Salvo, the Italian butcher who Sunday night shot a Chinese in Chinatown. The latter is still in a precarious condition. De Salvo has applied to the Superior Court for a writ of habeas corpus.

TACOMA LOSES ITS FRANCHISE

Northern City Is Dropped by Pacific Coast Baseball League Officials

GAMBLING PROHIBITED

Determined Stand Is Taken on Evil, Which Has Assumed Serious Proportions

The men who control the destinies of baseball on the Pacific Coast were in session all day yesterday, and their deliberations will consume several more days. The clubs and their representatives at the meeting were:

San Francsico—Andrew J. Clunie.
Los Angeles—James F. Morley.
Oakland—J. Cal Ewing.
Tacoma—W. Schreeder, proxy for David Evans, president of club, and Michael Fisher.
Portland—Judge W. W. McCredie.
Seattle—J. P. Agnew.

The following officers were elected for the ensuing year:

President, E. F. Bert; vice president, Judge W. W. McCredie; treasurer, A. J. Clunie; secretary, James H. Anderson; directors, A. J. Clunie, J. Cal Ewing, J. F. Morley, W. W. McCredie, J. P. Agnew and one to be chosen.

Of the six cities which made up the league last season all were granted franchises except Tacoma. Mr. Schreeder, who represented the latter club, worked earnestly to gain a place for it in the league this season, but without avail. Some California city yet to be named will take its place. The applicants are Fresno, Sacramento and Pasadena. Messrs. Evans, Hunt and Nelson presented the claims of Fresno. They will be reinforced to-day by some mysterious individual whom they call "the angel," and with his backing they expect to carry the day.

If Pasadena is selected it will occupy the same relative position to Los Angeles that Oakland does to this city. This would mean continuous baseball in the south. All the Tacoma players revert to the league and will be assigned to the city that supplants Tacoma.

A schedule committee, consisting of Messrs. McCredie, Clunie, Ewing, Morley and Agnew, was appointed. This committee will make a rough draft of a schedule at once and will submit it to the league officials before they adjourn.

The price of general admission was reduced from 35 cents to 25 cents, the amount charged for many years. Reserved seats in the grand stand will be 25 cents extra.

The officials took a firm stand in the matter of gambling on the games. No betting will be permitted and any manager countenancing it on his grounds will be fined $500. The motion to stop gambling was received with applause, all the delegates being in favor of its suppression.

Before the meeting yesterday, A. J. Clunie, the controlling owner of the San Francisco Club, held a long conference with James F. Morley and J. J. Gleason. It was practically agreed that if Morley can close out his interests in Los Angeles he will manage the team, while Gleason will have charge of the grounds and the other business details. If Morley cannot leave the south the entire management of the team will be placed in the hands of Gleason. No other persons are being considered.

The magnates will meet again to-day.

CARDINAL BASEBALL MEN WILL PLAY MANY GAMES

STUDENTS WILL CONTRIBUTE FOR STANFORD'S TRACK

Work Will Be Commenced on the New Athletic Field at Palo Alto At Once.

STANFORD UNIVERSITY, Jan. 23.—The students of Stanford University at a mass meeting held to-day in the chapel decided to raise funds for the track which is to be built, by a special subscription. To make this practical student body President E. A. Cunha, '06, has appointed thirty-nine collectors. At the opening of the meeting Trainer Moulton explained it was absolutely necessary that the new field be built, thus settling one phase of the question.

Dr. Frank Angell, the senior member of the Faculty Training House Corporation, stated the funds are too low to admit of the proposed field unless a special contribution was resorted to.

The track will be built adjoining the new football stadium and will be started immediately now that the student body has signified its willingness to uphold the training house corporation. The thirty-nine collectors who have been selected are chosen from the various communities of the university. Some are from Encina, some from Roble, Fraternities, Sororities and Palo Alto. The assessment is to be 50 cents. Next year the regular tax of $2 is to be increased to $3.

Golfers Play in Mexico.

MEXICO CITY, Jan. 23.—An unusual number of ties and a difference of only nine strokes between the winning pair and the thirteenth pair was the result of yesterday's golf match in the amateur and professional contests. W. Smith, Mexico, and A. G. Lockwood, Massachusetts, held the low record of 145; Alexander Campbell, Brooklyn, and F. W. Lewis, Boston, were second with 149. Andrew Kirkaldy and C. E. Cummins scored 153.

ROMAINE BESTS TOUPEE FOR HERMENCE HANDICAP

Procrastinate Wins a Race, Quoted at 15 to 1.

Head Dance and Sir Brillar Score for Henshall.

Cloudlight Finishes Ahead of Fast Company.

BY FRED E. MULHOLLAND.

It worked a remarkable transformation in Romaine, getting beaten by Instructor about a moon and a half ago, for ever since that time the big bay gelding has been bomb proof.

He was quoted at 4 to 1 for the Hermence handicap, decided at Oakland yesterday, and, with L. Williams up, downed the favorite, Toupee, a neck, in workmanlike fashion.

The distance was covered in 1:10¼, over a slow track, which would indicate that as the autumn shades are waning Romaine is coming into his own. Conceding a house and lot and several tons of anthracite coal besides to the other starters, Tom McGrath, the three-year-old, blazed the trail until he pegged out, and then ran third.

FOUR FAVORITES IN FRONT.

Favorites drew all that was coming to them, four purses falling to short-priced ones. There was plenty of money in circulation, and the attendance was up to the standard.

Peerless Lass, a Free Knight filly from the stable of Lee & Son, has the honor of winning the first half-mile dash for two-year-olds run at Oakland. She was a pronounced favorite, and after meeting with rough racing luck, Teddy Robinson landed her an easy winner over Yankee Jim and Menden.

Drawing a conclusion from his effort yesterday, Procrastinate must be a regularly enrolled member of the acrobatic division. Last Saturday the gelding started in a race with Wright up. His price soared from 4 to 8, and he was never heard from. Ridden by F. Sullivan yesterday, all the way from 10 to 20 to 1 could be had, and he led from start to finish. Dr. Sherman finished second, a length before Alice Carey. Pickaway, the favorite, blew in next to last.

HEAD DANCE A WINNER.

There was nothing to the mile selling fixture but Head Dance. The Henshall horse was leveled on at 4 to 5, and won ridden out from Frank Flittner, a 12 to 1 shot, carrying the Schreiber colors. After much see-sawing and teetering Christine A concluded to tack on to third position.

Everything with a chance "skiddoeed" from the fourth, a mile and fifty yard run, making a one-horse race of it. The post graduate class unbelted on Sir Brillar. Clark had the Henshall entry in front from start to finish. Gateway opened at even money and went to 2, with no coin in sight. He ran a dull race, losing the place to Sais, which was played from 12 to 9.

Cloudlight could scarcely help winning the concluding five and a half furlong sprint. The Mist played a weirdly short engagement as runner-up, and Knapp, astride Ruby, rode about as wretchedly as a good rider can at times. Conried, an 80 to 1 shot, backed down to 40, displayed marvelous improvement, taking the place from El Dinero, another despised outsider.

NOTES OF THE TRACK.

Tommy Clark piloted two winners. As on the preceding day, both were from Charley Henshall's stable.

Frank Sullivan with additional strength has picked up considerably. His handling of Procrastinate was all that could be desired from any rider.

With the declarations now in there are still sixty entries eligible to start in the Burns handicap on Saturday.

Freckman will be sold in New York some time between now and the end of the month. Captain Forsee of the Pinkerton agency stated yesterday that the ringer would be reinstated by the Jockey Club if the club is satisfied that the sale is a bona fide one.

The Oakland Stable purchased Menden from Tommy Griffin shortly before the two-year-old race was called.

Jockey Joe McBride, now under suspension, was up before the stewards last evening. Dr. Jones, an intimate friend, testified to the rider's good character. McBride maintains that he exerted his best efforts when Romaine was beaten by Instructor. McBride would like to accept a mount in the Burns. The case is still under investigation.

George Rose, Al Stokes, L. Curtis and a big following of Ascot Park turfmen will come up to see the handicap run on Saturday.

The field for the $10,000 Burns handicap will probably be made up from the following list of entries:

Proper 122
Eugenia Burch 120
Lubin 119
*Bearcetcher 116
San Nicolas 114
Dr. Gardner 110
Deutschland 110
Jake Sanders 109
Graziallo 109
Neva Lee 107
Veterano 107
Red Leaf 100

*Doubtful starter.

FALSE CLAIMS ARE MADE AS TO LOU DILLON'S SULKY

SANTA ROSA, Jan. 23.—Several weeks ago Belden & Hehir of this city placed a light rubber-tired white sulky in their show window and labeled it as the sulky drawn by Lou Dillon, the queen of the turf, when she made her world's record of 1:58½ at Memphis in 1903. They claimed to have secured it of Millard Sanders, who had just then arrived here for his winter visit and who drove the champion mare to her record.

Now comes "The Horse Review" from Chicago with the statement that C. K. G. Billings, the owner of Lou Dillon, declares the sulky used at the time of the record breaking mile is in his possession and has been all the time since it was used on that occasion. The sulky is in the stable at Cleveland, where the mare is spending the winter in charge of "Doc" Tanner. It is extremely improbable that Mr. Billings will ever let it pass from his possession, as he attaches great value to the little sulky.

Frank Flittner ran an excellent race after meeting with considerable interference from Watchful. Latter off poorly or he might have been dangerous at the end. Christine A wretchedly ridden; can do better than this. Lerida late. Silver Heels no speed. Same applies to Rey Dare.

9146. FOURTH RACE—1 mile and 50 yards; selling; 3-year-olds and up; value to 1st, $400.

J. Casey. Scratched—Critical, Massa, Dargin, Ocyrohe. Start good. Won all driving. Highest price—Sais 16, Bombardier 25. Sir Brillar was a paddock special. Could Carroll have kept Sais straight through the stretch the eggs might have been hard boiled. Gateway had no speed over a track that is his middle name. Briarthorpe outclassed. San Primo quit early. Bombardier apparently sulked.

9147. FIFTH RACE—Futurity course; Hermence Handicap; 3-y-o and up; to first, $450.
