How to Write and Answer Classified Want Ads

How to Write a Want Ad that will Appeal to Women

HAVE in mind exactly the kind of woman you want to ANSWER your Want Ad. Then write to HER. A Want Ad to interest women must not be too brief. A woman likes DETAILS—providing they INTEREST. Write so specific that your Want Ad will compel the woman who reads to WANT what you offer.

Women who read Want Ads are usually looking for something. Remember this, and make your proposition ATTRACTIVE. Maybe it is an investment—many women have independent savings. Or, perhaps you offer a house or something for sale or rent—women have much to do with the deciding on such things. Give a good many of the NECESSARY details in the Want Ad you write to interest women.

If you want an employe, you want a good one—or none. Put the vital qualifications for one IN your Want Ad. State the nature of your business, kind of position open, and surroundings. Women are naturally refined and like a pleasant place in which to work. Demand neatness, accuracy, attention to business, punctuality. Ask for references, experience, salary wanted, or what you will pay, and a reply in the hand writing of applicant. The more qualifications you ask for, the less number of useless replies, and the more ELIGIBLE applicants you will get. This will make the "sifting" process brief and save valuable time.

EXAMPLE

WANTED—Saleswoman for dress goods department by large retail house selling to high grade trade. Opportunity for woman of ability to become valuable helper in a fast growing business. We want an earnest, refined woman who is capable of overseeing several assistants. Pleasant, light surroundings, and short hours. Must have had selling experience and come well recommended. We will pay salary according to ability, and give in addition commission on goods sold. Some clerical work connected with position, therefore an accurate, neat handwriting is desired. Punctuality, attention to business, tact in handling customers, and an INTEREST in one's work is necessary. Please answer in own handwriting, going into detail as to qualifications and experience. Address J. S., 24, Call office.

This Want Ad should be Classified under "Help Wanted"—Saleswomen.

TO sum up—Put DETAILS into the Want Ad. you write to women. Ask for the qualifications necessary for your position, if you desire an employe. But whatever you want, use enough space to INTEREST the woman you want to answer your Want Ad.
