MISCELLANEOUS WANTS

SECOND HAND MACHINERY WANTED
Have you a 25 horsepower steam engine, a 35 to 40 horsepower boiler in good condition, and a 25 to 50 K. W. electric generator with two or three small dynamos and light equipment, such as would run pumps and lights on a placer mining works? Also a force pump and minor equipments, which you would consider investing upon a fair basis in a strictly first class, sound, solid mining company, with a small capitalization, a low issue and a very large holding, with practically no debts, and PLACER, QUARTZ and power features? We are in need of such appliances and would like to interest some one in taking their second hand machinery in the way of an investment for which others are putting up the gold coin. It is a golden opportunity for safe investment of money as well as second hand machinery. Call or address, with description of what you have to offer, at 214 Union Savings Bank building, Oakland, Cal. UNION MINING AND POWER COMPANY.
