GOOD ADVICE!
FREE TO ALL!!
CALL on the Agent, and obtain GRATUITOUSLY, a copy of the
HEALTH ALMANAC FOR 1856.
You will find in it, a great variety of useful information upon all subjects connected with the comforts of domestic life; but more especially concerning the
Plantation and Family Medicines
PREPARED BY THE
GRAEFENSBURG COMPANY.
For diseases to which the human system is liable, these Medicines prove the remedy! If they are considered among
THE GREAT HUMANITIES OF THE AGE,
Let anyone obtain a copy of the
Graefenberg Manual of Health,
And having carefully studied it, carry it then to the Doctor, and ask him to point out "where the humbug is?"
These Medicines are prescribed by Physicians of eminence, whose reputation is not confined to one county in any State, but world wide!
If these Medicines fail to do what is promised for them, the Agent holds himself bound to refund the money. Out of the thousands of testimonials received in Tennessee, where is one who has ever had occasion to demand the return of his money? If such a man can be found, let him show himself, for
Barnum Could Make a Fortune by Him!!
If any one doubts the charges of these Medicines over all others, let him examine the Fever and Ague Remedy, and compare it with the usual practice.
The Graefenberg Company give for 5 reasons—
1st. Full directions for the cure of all Agues or Fevers.
2d. An emetic with its use long for use.
3d. A box containing 25 Pills composed of Quinine and Podophyline, for which alone, you would have to pay, if prepared in any Drug Store in the State, $1.
4th. One box of Vegetable Pills known to be superior to any that can be prescribed by Physicians, or prepared by Druggists.
5th. A handsome Box in which all these preparations are placed.
6th. If these remedies do not cure the Ague, you can go back and have your 50 cents returned.
With all the advantages, IT HAS A LOOK OF REASON ABOUT IT that a secret remedy prepared for each complaint by the most learned Physicians in the Union, with full directions for their use, in all stages of disease, and at cheaper than the cheapest, and be the test, should become so popular, and so universally used throughout the world. ALEX MACKENZIE,
dec19—tf Agent for Tennessee.

IMPORTANT
TO EVERYBODY.
FOR the last three years I have been engaged in a business, known only to myself, and cooperatively a few others, whom I have instructed for the sum of $20 each, which has averaged me at the rate of from $4,000 to $5,000 per annum, and having made arrangements to go to Europe next Spring, to engage in the same business, I am desirous of giving full instructions in the Art to every person who will remit me the sum of ONE DOLLAR. I am induced, from the success I have been favored with and the many honorable testimonials I have received from those I have instructed in the Art, and who are now making from $10 to $15 per day, to give every person a chance to come into possession of this valuable means of making a small fortune. There is no reason why all the business here should not be given as regards its character, and I can also refer to persons in Philadelphia as well as in this city, who have, within four months, embarked in the business and who will testify that they are making from $8 to $15 per day with ease. It is a business in which either sex or even children can engage, and with perfect ease make a very handsome income. Several ladies in various parts of Pennsylvania and Maryland, whom I have instructed in the art, are now clearing from $3 to $6 per day. It is a GENTEEL business and but a few things are required to start it. Upon receipt of $1, I will immediately send to the applicant a printed circular, containing full instructions in the Art, which will be perfectly understood upon being once read.
