## MATTHEW G. EMERY.

GUARD AGAINST FRAUDS.

We caution our citizens that the greatest vigilance may be exercised in detecting and preventing illegal registration to-day and on Monday and Tuesday next. The Board of Registration assembles at the City Hall to-day to complete their labors. The list of registered voters in the several wards will be open for revision, and to allow those who have not registered to do so.

The difficulty will be in the massing of residents of all the wards of the city, thereby making it harder to locate those who may present themselves claiming to be residents of Washington. We are glad that steps have been taken to prevent, if possible, the "colonized" voters from recording their names.

The Congressional act enforcing the fifteenth amendment will have become a law before this evening, and we warn those who are aiding and abetting the rascally work of deluding the poor colored men, that they are watched. There are parties in whom they have placed confidence, who will at the proper time be prepared to expose their villian+.

The law-abiding citizens are resolved to guard the polls this year with a jealous eye, and those who attempt to vote illegally, will find they have stern enemies to contend with. Let every citizen, then, who respects the dignity of citizenship see to it that only *bona fide* residents of Washington deposit votes at the approaching municipal election, or register during the closing days.

In most, if not all the wards vigilance committee have been designated to "locate" strangers, and mere sojourners here will find it unprofitable to sell out for a few days to the "City Hall ring."

Again, we urge the men of Washington to take interest in the closing days of the registration. To-day, Monday and Tuesday are the last days. Examine the printed lists. If you find your neighbor has been negligent, ask him to register. In every way the good work can be prospered let it be done for the honor of the city and the credit of a common cause.

---

THE JUDGES OF ELECTION WILL BE IN SESSION AT THE CITY HALL TO-DAY, MONDAY, AND TUESDAY, TO REVISE AND CORRECT THE LISTS OF REGISTERED VOTERS AND MAKE ADDITION THERETO. CITIZENS, SEE TO IT THAT YOUR NAMES ARE CORRECT, AND REGISTER IF YOU HAVE NOT ALREADY DONE SO.

---

**Prices of Gas in Washington and Elsewhere.**—hear Washington disparaged that they accept without investigation almost any assertion that is made as regards our industrial interests or advantages. For instance, there has been a cry for "cheap gas," which has been taken up and repeated until two-thirds of our citizens are honestly under the impression that Washington people are really taxed a higher rate for their gas than the people of any other city in the United States.

We publish the following table showing the average price paid for gas in each State, by which it will be seen that the District of Columbia pays less for their gas than the average of cities where a compact population enables the companies to furnish gas at a trifle lower than in our city of "magnificent distances," but the general average in each State shows that our own city stands at the head of the list as regards cheapness. We publish the table to disabuse the popular mind of the too general impression that there is nothing sold in Washington except at exorbitant rates, and we intend to follow up this showing with other comparative tables tending to the same end, believing that if the erroneous impressions as regards prices in Washington can be dispelled, it will induce skilled labor and capital from abroad to come among us, and improve the many natural advantages our city possesses, thereby adding to the general prosperity.

LOOK OUT FOR FRAUDS AT THE REGISTRATION TO-DAY. BOWEN, COOK, MORSE & CO. ARE DESPERATE. THEY HAVE IMPORTED AND COLONIZED VOTERS, AND WILL NOT HESITATE AT ANYTHING TO ACCOMPLISH THEIR ENDS.

**The Chronicle's Opinion of Matthew G. Emery.**—On the 8th day of June, 1869, the Washington *Chronicle*, which now opposes Mr. Emery, entertained the following opinion of that gentleman:

"Matthew G. Emery is a sterling citizen, an intimable Christian gentleman, and has long been identified with the interest of the city. Although not an active politician, he has been a consistent Republican, and contributed largely of his means for the principles of freedom and humanity, and for the prosperity of this city. He is the proprietor of quite a large stone-cutting place. Aside from party he has many personal friends among all classes."

---

Tr is suggested that a collection be taken up to get a copy of Pike's arithmetic for the commissioners of the Third ward in Alexandria, who have been employed 24 hours in counting 400 votes, and were not through at sunset yesterday.

---

THE REVISION AND CORRECTION OF THE LISTS OF REGISTERED VOTERS WILL TAKE PLACE AT THE CITY HALL TO-DAY, MONDAY, AND TUESDAY. LOOK TO IT, CITIZENS OF WASHINGTON, THAT YOU ARE NOT IMPOSED UPON OR DEFRAUDED OF YOUR RIGHTS.

---

LET ALL WHO HAVE NOT THE PROPER QUALIFICATION BE CAREFUL NOW THEY ATTEMPT TO REGISTER. EVERY MAN ATTEMPTING TO REGISTER ILLEGALLY WILL BE ARRESTED AND THE SEVEREST PENALTIES WILL BE ENFORCED.
