Sales were made of 2,300 bushels Western red at $1.40, 2,300 do. amber at $1.40@1.42, and 1,000 bushels Maryland red at $1.35 for good, $1.36@1.38 for prime, and $1.40 for choice. A small lot of new red Wheat from Augusta, Georgia, sold at $1.30 per bushel. We note the arrival of Kansas & Oil to-day, Western, also, of the Phoenix Mills, at $1.40 per bushel. The Wheat was of very superior quality, and of the same growth.

Corn—White was active this morning and firm; but there was no disposition to extend the range of prices, and we note sales of 10,000 bushels at $1.07@1.08, 1,500 yellow at $1.06@1.08, and of a few hundred bushels Western mixed at $1.05.

Oats—More active and firmer. Sales 3,000 bushels at 60@61 cents, the bulk at the latter price.

Coffee—There is a better inquiry for Coffee to-day, and the general tone of the market is firmer. Some sales were made to the trade from second hands to go West, but we have no further sales to report to-day. Cotton—The market is heavy under a further decline in price at Liverpool. Lower quotations for gold, but there is nothing doing, holders generally being disposed to meet the views of buyers. We quote, in the absence of business, as follows: Ordinary 10 cents; Ordinary 10½@10¾ cents for middling, strict middling 11 cents; middling, and fair middling 11½ cents for good ordinary.
