[OFFICIAL.]

NAVY DEPARTMENT, WASHINGTON, April 11, 1872.

CIRCULAR.—The vessels of the Navy have been grouped into classes, in addition to rates, for the assignment of allowances of different kinds.

Marine Officers will not be assigned to steam vessels of the 3rd rate unless specially directed by the Department, and marine guards will be detailed in accordance with allowance for the rate and class as herein grouped:

Colorado, and class	aggregate guard	50
Nevada, Antietam, Lancaster, and classes	do	45
Albany, Powhatan, and class	do	30
Saranac, Alaska, Lackawanna, and classes	do	25
Juniata, and class	do	24
Dacotah, and class	do	22
Ashuelot, and classes	do	18
Michigan, Nantasket, and class	do	16
Kansas, and class	do	15

When the vessel is detailed as a flag-ship the aggregate number of marines will be increased by five.

The number of non-commissioned officers, musicians and privates to form each guard will be determined by the Commandant of the Corps.

Sailing vessels now in commission will retain marine guards as now detailed, and in case of others being put in commission will be given a guard of the same number as when last in commission.

GEO. M. ROBESON, Secretary of the Navy.

PROPOSALS FOR LAND TRANSPORTATION.

OFFICE OF THE CHIEF QUARTERMASTER, DEPARTMENT OF ARIZONA, PRESCOTT, A. T., January 20, 1872.

Sealed proposals, in triplicate, with a copy of this advertisement attached to each, will be received at this office until noon, WEDNESDAY, May 15, 1872, at which time they will be opened, for the transportation of military supplies to the Department of Arizona, for the fiscal year commencing July 1, 1872, from the Depot, Kansas City, Mo., from Louisburg, A. T., and from Camp Mojave, M. T., (or any other point of transportation which may be established prior to May 15, 1872,) on the Colorado river, between Yuma Depot and Camp Mojave, to any posts now existing, or which may hereafter be established east of the Colorado river, in the Department of Arizona, and in any directions from the nearest route between any two of the points or posts above named.

Proposals will also be received for all transportation from Santa Fe, New Mexico, to six of the posts above mentioned.

Bidders will make the rate in U. S. legal tender notes, per pound, per one hundred miles, at which they will transport the supplies, and must give their names in full. Only responsible parties will be considered. Bids made by a firm must be signed by each member thereof.

Road travel to be not less than (30) miles per day.

Each proposal must be accompanied by a guarantee signed by two responsible persons, whose responsibility must be certified by an officer of the United States civil or military service, that in case the bid is accepted, the bidder will at once execute a contract with a bond in such form and for such sum as the faithful execution, and to be conditioned for service July 1, 1872.

Each proposal must also be accompanied by a satisfactory certified cheque or note payable to order of the United States Assistant Treasurer, San Francisco, Cal., in the sum of $1,000 (one thousand dollars), to insure the validity of the bid. This deposit will be returned to the bidders respectively, except in case of failure to execute a contract by the bidder to whom award is made, who in such event will forfeit the deposit.

The right to reject any and all bids is reserved, and bidders are requested to be present at the opening of the bids.

Envelopes should be indorsed "Proposals for Land Transportation," and addressed to this office, where blank forms of proposals and further information may be obtained.

By order of the Department Commander,

J. J. DANA,
Chief Quartermaster Department of Arizona, Major and Quartermaster U. S. Army. ap 6-1d
