DR. JOHNSTON,

OF THE

BALTIMORE LOCK HOSPITAL.

Office 7 South Frederick street.

From his extensive practice in the great Hospitals Europe and the first in this country, viz: England, France, Philadelphia and elsewhere, can offer the most certain, safe and effectual cure, guaranteed in the world for all DISEASES OF IMPRUDENCE.

A CURE WARRANTED IN TWO DAYS.

Weakness of the Back or Limbs, Stricture, Affection of the Kidneys or Bladder, Seminal Diseases, Impotency, General Debility, Nervous Debility, Premature Decay, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dyspepsia or Sight of Guddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—these terrible disorders arising from the baleful habits of Youth—secret and solitary practices, more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are almost, if not entirely, beyond cure, and if not cured renders marriage impossible, and destroys both mind and body—should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life, by the effects of youthful folly, or by the evil consequences of indiscretion, and yet how many instances of this sad nature daily occur, such as Loss of Memory, Universal Lassitude, Pains in the Back, Dimness of Sight, Nervous Irritability, Palpitation, Dyspepsia, Nervous Debility, or any other disorder resulting therefrom.

☞ No injurious medicines prescribed and consulting a stamp to be used on the reply. Persons writing should state age, and inclose a portion of advertisement describing complaint.

RECORDEMENT OF THE PRESS.

The many thousands cured at the establishment within the last 12 years, and the numerous important Surgical Operations performed by Dr. Johnston, attested by the reports of the Press, and many other powers, continue to be unanswerably upon and again before the public, to define the standing as a gentleman of character and responsibility, is a sufficient guarantee to the unfortunate.
