THE MARKETS.

COMMERCIAL.
BALTIMORE MARKETS.

BALTIMORE, June 12.—*Breadstuffs.*—Flour—The market for Flour is firmer for all good grades, but low grades and Spring Wheat Flour is dull and drag of sale. We learn to-day of sales of 1,200 bbls City Mills Extra, for Rio, of "Conforce," Dorsheimer, "Gold Medal Spring" and "Gladiator" brands at $6 and 100 bbls. Western Extra at $9 and 500 do. on private terms. The receipts to-day are 1,142 bbls.

Wheat.—The market for Wheat is quiet but firm, with light receipts. Good grades have been in somewhat better request, and we note sales 1,000 bushels Western Winter at $1.07@$1.08; and 700 bushels Maryland and Pennsylvania do. at $1.10, and on Western red at $1.04. There was no white offered, and we quote prime to-day at $1.12@$1.15; fair to choice Southern at $1.05@1.10 for white, and $1.05@1.08 for red; Michigan white $1.10; amber $1.08@$1.10; ambers-bels red at $1.05@1.06, and Western at $1.04@1.06.

Corn.—The receipts of Corn today amounted to 48,000 bushels, of which 8,000 were Western mixed. The market was unchanged, with sales 4,000 bushels white at 50 cents, and 1,000 yellow at 51 cents. Western was dull and weak, with sales of only 800 bushels mixed, on track, at 48 cents. No Western yellow in the market.

Oats.—The market for Oats continues dull and weak, with free receipts of Western mixed. We note sales to-day of 1,000 bushels Southern at 34 cents, and 1,000 Western mixed at 36 cents.

Rye.—Cotton is dull and nominally at 90 cents.

Provisions.—The market for Provisions is quiet at the improvement noted yesterday. We learn of a sale late yesterday of 40,000 lbs. bulk rib sides, to arrive in a week, at 6¾ cents, and quote cash lots held at 7 cents for rib sides, 7¼ cents for rib sides, and 7½ cents for clear rib do., with bids of less freely made. Bacon—We note an improved jobbing demand, and we quote: Sales from store for Virginia hams, 12 cents; Shoulders 10@10½ cents, rib sides 10½ cents, and clear rib do. 10@10½ cents. Sales are in fair demand as to jobbing orders, the latter for the smaller lots. Lard in New York is quiet, and we quote to-day at 6¼@6½ per lbl. Lard is also quiet, and we quote Western steam and kettle at 7@7¼ cents, and refined at 8@8½ cents.

Sugar.—The market for sugars is very quiet, and we hear of no transactions to report, both refiners and jobbers firm and confident of realizing their views, if waits for good refining, while buyers do not offer over 8¼ cts. The receipts yesterday were 1,200 bbls. and 1,100 hhds., making stock here to-day 17,900 hhds., 11,108 bags and 8,308 bbls. We quote prices as follows, viz: Fair to good refining, 8@8¼ cents; prime refining, 8¼@8½ cents; English Island, 8¾@8¾ cents; grocery grades Porto Rico 9@9¼ cents; grocery grades Porto Rico 9¼@9¾ cents; Cuba grades varying from 9@9¾ cents; and New Orleans 9@9¾ cents.

Syrups.—Prices are as follows for the leading brands, viz: Calvert (Green Island) sts., Maryland old 40 cents, Baltimore 35@40 cents, Canton Sugar House 35 cents, in bbls., and 35 cents per gallon, in bbls.

Whisky.—The market for High Wines is unchanged, and we quote dull at 92@93 cents for Western.

BIRD.

COLLINS.—At the residence of their parents, No. 181 Eighth street northwest, June 11, at 7 p. m. Mamie, the infant daughter of Mr. and Mrs. Albert Collins, aged 1 yr. 10 mo. 20 ds.

The remains will be taken to Annapolis, Md., for interment on Thursday, 13th inst., at 4 p. m. Friends of the family are invited to attend.

MORGAN.—On the 11th instant, JOHN F., infant son of George and Margaret Morgan, aged 2 months and 10 days.

Friends of the family are requested to attend the funeral, on Thursday, the 13th inst., at 4 o'clock, from 1 M Street northwest.

McDONALD.—At his residence, corner Fourth and M street, on Saturday, June 8, after a short and painful illness, JOHN McDONALD, in the 63d year of his age.

GOVERNMENT SALE OF TIMBER.
UNITED STATES ENGINEER OFFICE,
No. 22 WABASH AVENUE, CHICAGO,
May 30, 1872.
There will be sold at public auction, at Green Bay, Wisconsin, at 11 o'clock, a. m., on WEDNESDAY, the 10th day of July, 1872, the Pine Timber on the United States Reservation, consisting of three fractional lots of land, on the south shore of Sturgeon Bay, Wisconsin. There will be sold:
1st. The pine timber on the south of section 26, containing 160.72 acres.
2d. The pine timber on the north half of section 36, containing 160.72 acres.
3d. The pine timber on the south half of section 36, containing 160.72 acres.
4th. The pine timber on the north half of section 36, containing 160.72 acres.
A portion of this timber was burned last fall, but the greater portion of it is good. A survey will be made on the ground, which will be hereafter of each of the above lots marked by the 10th of June, 1872, so that parties can inspect.
Bids will be made at so much per acre for the pine on each lot.
Terms: Cash; one-fourth to be paid at time of sale, and the balance within ten days. For further information apply at this office.
D. C. HOUSTON,
my29 Major of Engineers, U. S. A.

Proposals.

PROPOSALS FOR MAIL STEAMSHIP SERVICE BETWEEN SAN FRANCISCO, JAPAN AND CHINA.
POST OFFICE DEPARTMENT,
WASHINGTON, June 5, 1872.
In accordance with the provisions of sections 2 and 4 of the act of Congress approved June 1, 1872, entitled "An act making appropriations for the service of the Post Office Department for the year ending June thirty, eighteen hundred and seventy-three," which sections are in the words and figures following, viz:
Sec. 2 ..... "And the Postmaster General is hereby authorized to contract with the lowest bidder, within three months after the passage of this act, after sixty days' public notice, for a term of ten years from and after the first day of October, eighteen hundred and seventy-three, for the conveyance of an additional monthly mail on the said route, at a compensation not to exceed the rate per mile per annum under the existing contracts, and upon the same conditions and limitations as prescribed by existing acts of Congress in reference thereto, and the responsible contracts made in pursuance thereof; and the contractors under the provisions of this section shall be required to carry the United States mails during the existence of their contracts, without additional charge, on all the steamers they may use upon said line, or any part of it, or on any branch or extension thereof: Provided, That all steamships hereafter accepted for said service shall be of not less than four thousand tons register each, and shall be built of iron, and with their engines and machinery shall be wholly of American construction, and shall be so constructed as to be readily adaptable to the armed naval service of the United States in case of war, and before acceptance the officers by whom they are inspected shall certify to the Secretary of the Navy and the Postmaster General whether this condition has been complied with: Provided, That in all cases the steamers shall be subject to the rules and regulations provided for steamships of citizens of the United States, and that persons of foreign birth, who have been naturalized by the laws of the United States, or who have taken the oath of allegiance to become citizens of the United States, may be employed as though they were citizens within the meaning of this section, and in no case shall more than one-fifth of the officers, or of any rank or grade, be of any other than citizens of the United States, or of the steamers of said line, and in such case pay a reasonable compensation therefor: Provided, The price paid shall in no case exceed the usual and customary rate of freight for such articles or gross cost of the vessel so taken, and this provision shall extend to and be applicable to the steamers of the Eastern line now in service under said act.
Sec. 4. That if the contract for the increased of the mail service between San Francisco and China and Japan shall be awarded to one of the lines now in use with the Pacific Mail Steamship Company, or shall be performed to the said company's satisfaction, or the ships of its successors in interest, the compensation to be paid to such company shall be paid unto the said company or its successors in interest shall maintain and run the line of steamships for the transportation of freight and passengers to and from Hong Kong, China, touching at San Francisco, via the Isthmus of Panama, by the said Pacific Mail Steamship Company, and no longer: Provided, That such compensation shall be paid only for the service performed, and shall not be construed to apply to any party contracting for the mail service between San Francisco and China and Japan, as well as to the Pacific Mail Steamship Company."
PROPOSALS
will be received at the Post Office Department, in the city of Washington, until 2 o'clock, p. m., on MONDAY, the 19th day of August, 1872, for carrying the mails of the United States, by means of an additional monthly line of first-class American one-going steamships, of not less than four thousand tons register, and of sufficient number to perform twelve round trips per annum, between the port of San Francisco and the port of Hong Kong, China, touching at Yokohama, (Japan,) with a regular branch line running in connection with the main line between Yokohama and Shanghai, (China,) for a contract term of five years from and after the first day of October, eighteen hundred and seventy-three.
Each bid should state the time proposed to be occupied in performing the passages each way, including stoppages at intermediate ports; and also the length of the voyage, as nearly as may be, between United ports. Schedules of sailing days, stating the proposed days and hours of departure from each port, as well as the proposed days and hours of arrival, should also accompany each bid. The departures must be so arranged as to alternate at equal and regular intervals with those of the present monthly line during its continuance, forming a regular semi-weekly service in connection therewith; such schedules, when so agreed to, to be subject to the approval of the Postmaster General, and to adjustment or alteration by his order, from time to time, as the interests of the postal service may require.
The steamships offered for the service must be American-built steamships of the first class, in all respects corresponding to the requirements of the laws authorizing the service, and before acceptance they will be subject to inspection and survey by an experienced naval constructor to be detailed for that purpose by the Secretary of the Navy.
Proposals must conform in all particulars to the previous and requirements of the acts of Congress above recited, February 17, 1865, the Secretary's letter, and of sections 2 and 4 of the above cited act of June 1, 1872, and must be securely guaranteed with satisfactory testimonials of the ability of bidders, and their guarantors, as men of property and abundantly able to make good their tender and guarantee.
The bidder or bidders must be an American citizen or citizens.
The bidder's name and residence, and the name of each member of the firm, when a partnership offer, should be distinctly stated. If made by a corporation the bid must be accompanied by a duly authenticated copy of the charter or articles of incorporation and a list of officers and directors.
All bids exceeding the sum of five thousand dollars must be accompanied by a certified check or draft, payable to the order of the Postmaster General, upon some solvent national bank, of not less than five percent of the amount of one year's pay proposed, to such bid or bids; such check or draft to be subject to all the conditions and provisions of existing laws in regard to such checks.
Any assignment or transfer of an ocean mail contract is expressly forbidden by law. Such assignments or transfers are null and void, and the Postmaster General is empowered to determine any contract in case of its being underlet or assigned.
Proposals will be sealed and addressed to "Proposals for Ocean Mail Service," with the words "Mail Proposals, Japan and China route," written on the face of the envelope, and should be dispatched in time to be received at this Department on or before 2 o'clock, p. m., of Monday, the 19th day of August next, which will be the last day for receiving proposals under this advertisement.
JNO. A. J. CRESWELL,
jel-TuSw Postmaster General.

PROPOSALS FOR MATERIALS AND LABOR FOR THE FOUNDATION, FRAME AND DWELLING AND TOWER FOR THE FRESHFIELD BEEF LIGHT-HOUSE, N. Y.
OFFICE OF LIGHT-HOUSE BUILDER,
THIRD DISTRICT,
TOMPKINSVILLE, N. Y., June 11, 1872.
Sealed proposals will be received at this office until noon of the 20th day of June, 1872, for the materials and labor for the construction of the dwelling and tower for the Freshfield Beef Light-House, N. Y., according to plans and the specifications to be seen at this office or furnished to bidders on application therefor by letter.
The proposals will not include the lantern, glass and ratling, which will be furnished to the contractor for setting.
Proposals must be in duplicate, accompanied by a guarantee in duplicate, and a printed copy of this advertisement attached; each proposal. They will be addressed to the undersigned, indorsed on the envelope, "Proposals for materials and labor for dwelling and tower of Freshfield Beef Light-Station."
The undersigned reserves the right to reject any or all bids.
J. O. WOODRUFF,
Lieutenant Colonel of Engineers, Engineer Third Light-house District. jel1
