BALTIMORE MARKETS.

BALTIMORE, July 19 — *Breadstuffs.* — Flour—We have to note a cessation in the demand for Flour, and it is market to-day is dull for all grades. Shippers are out in the market, and the trade buy only to their present wants. The receipts to-day were rather larger than for some days past, amounting to 2,000 bbls, with sales reported at only 300 bbls. West. ern Flour is relatively 10@15c per bbl lower than last week, and the new Family is entirely out of market. Wheat—The receipts were about 12,000 bushels, of which 10,000 were of a inferior, with sales reported of 7,000 bushels No. 1 yellow at 81 cents, and 900 mixed, delivered, at 80@81 cents. There were no sales in Western, and we note sales at 84@86 cents. Southern white was steady, with sales of 1,200 bushels (all this week-fresh) at 85@88 cents. Southern yellow we quote at 84@85 cents. Corn—There was quite dull, but prices are steady. New Southern are arriving more freely, and we note sales of 1,200 bushels, in store, at 50@52 cents, and 1,000 bushels of Western were sold at 52 cents. Mixed were steady, with sales of 1,000 bushels at 49 cents, but night were sold, with sales of 4,000 at 49@49½ cents. No old Southern sold; we quote nominal at 49@51 cents.

Rye.—We note sales of 700 bushels good Rye to-day at 66 cents, and quote at 65@70 cents.

Provisions.—The market for Provisions is very strong and tendency to higher values continues from yesterday or to-day. We quote Bulk Meats at 5½@6 cents for Shoulders, 9@9½ cents for rib and 7½@7¾ cents for clear rib sides, the inside and outside figures indicating the views of buyers and sellers. Bacon is active, and we quote Shoulders at 8½ cents, rib Sides at 9½ cents, and clear rib Sides at 10 cents. Hams are quiet and steady, and we quote sugar at 16@18 cents in lots to the trade. Mess Pork is quiet, but we quote firm at $14. Western Lard is quiet and steady. Leaf Lard is firm at 9@9½ cents, and refined at 9@10 cents per lb.

Whisky—The market for High Wines is quiet but firm, and sellers are making it hard at 92@93½ cents for City and Western.

MARRIED

POWELL—JETT.—In this city, on Tuesday, the 16th of July, by the Rev. R. W. Finch, Mr. JAMES T. POWELL, of this city, and Miss VIRGINIA H. JETT, of Beatrville, Va.

DIED,

DAVIDSON.—On the 18th inst., DOLLY BELL, infant daughter of the late Thomas H. and Sophronia Davidson, aged 8 days.

McLINDEN.—On the 19th instant, SARAH, infant daughter of Mary and Henry McLinden, aged 9 months.

The funeral will take place from the residence of the parents, No. 1017 L street, northwest, this afternoon, the 21st inst., at 4 o'clock. The friends of the family are respectfully invited to attend.

HUTTON.—WILLIAM HUTTON, at the residence of his son, Thomas Hutton, aged about 80 years.

The funeral will take place on Friday morning, the 19th inst., at 10 o'clock, from the residence of his son, on Seventh street, No. 451, Schoolth, at 5 p. m. (Baltimore and Philadelphia papers please copy.)

BARR.—At 4 p. m., July 18, Mrs. MARY ANNE Gassell Barr, and eldest daughter of BARR, wife of Dr. Georgia Brewster.

The funeral will take place at the residence of her father, quarter of a mile west of Glenwood Cemetery, on Friday, the 19th inst., at 5 o'clock. Friends of the family are respectfully invited to attend.

All to be of gray standard, samples of which can be seen at this office.

C. H. KANTON, Deputy Quartermaster General, U. S. A. jy20

PROPOSALS FOR SUPPLIES.

UNITED STATES NAVY PAYMASTER'S OFFICE, 440 CALIFORNIA STREET, SAN FRANCISCO, CAL., July 15, 1872.

Sealed proposals will be received at this office until 12 o'clock noon on the 21st instant, for the delivery of the following-named articles of material, as enumerated below, at the Navy Yard, Mare Island:

Stone.
Oregon Pine Timber.
Oregon Pine Lumber.
Oak and Hard Wood.
Iron, Iron Spikes and Nails.
Brass Chandlery.

Schedule showing quantities and descriptions of the materials, and specifying times of delivery, can be seen at this and at the Navy Yard, Mare Island. Bids in United States currency must be made for each class separately, inclosed in an envelope, and indorsed "Bids for ——(here insert class of material)."

They will be opened at the time above named, and to the presence of such bidders as may attend. The materials must be delivered, subject to inspection and rejection if not satisfactory. The right is hereby reserved to reject any and all bids not deemed advantageous to the Government.

R. C. SPALDING, Pay Inspector, U. S. N.

PROPOSALS FOR COAL AND LUMBER.

NAVY PAYMASTER'S OFFICE, No. 30 CHESNUT STREET, PHILADELPHIA, July 16, 1872.

Sealed proposals, indorsed "Proposals for Coal," will be received at this office until 12 M., on TUESDAY, the 23d instant, for 800 tons (2,240 pounds to the ton) of Lehigh Coal, to be delivered at League Island, free of all expense to the Government, in three hundred and fifty (350) tons of Whitebreaker Egg, and the remaining one hundred and fifty (150) tons of Lehigh Stove, and the remaining one hundred tons of Lehigh Nut, as may be required.

Also 500 tons (2,240 pounds) best quality Lorimer Coal, to be delivered at the Navy Yard, Mare Island, free of all expense.

The above coal to be of the best quality, uniform in character, screened free from all impurities, screened, and subject as to quality and quantity to inspection by the inspector appointed for the purpose, who will have the right of peremptory objection.

Bidders must state in their bids the time within which the coal can be delivered. Responsible security will be required for the faithful delivery of the above, in conformity with the stipulations on the blank forms for bids, to be had at this office; otherwise bids will not be entertained.

Proposals, in duplicate, indorsed "Proposals for Lumber," will be received at the same time and place, and under the same requirements as above, for the immediate delivery at the United States Naval Station, League Island, subject to approval after inspection by the Commandant thereof, of

50,000 BOARD FEET SIXTH HEMLOCK PLANK, to be 14 inches wide and 12 feet long.

W. RUSSEL, jy20 Pay Inspector U. S. Navy.

PROPOSALS FOR THE IMPROVEMENT OF RIVERS AND HARBORS IN THE STATES OF MAINE, NEW HAMPSHIRE AND MASSACHUSETTS.

UNITED STATES ENGINEER OFFICE, PORTLAND, July 16, 1872.

Proposals will be received at this office until 12 o'clock, m., on SATURDAY, the 17th day of August next, for improving the following-named rivers and harbors, viz:

I.—SULLIVAN RIVER AND FULLIVAN FALLS, ME.—For the removal of 200 to 700 cubic yards sunken ledge; and for the removal of one to three bridge piers of about 200 cubic yards each.

II.—PENOBSCOT RIVER, ME.—For the removal of 450 cubic yards sunken ledge; and for the removal of about 20,000 cubic yards mud, stalagmite, &c., in the channel.

III.—KENNEBEC RIVER, ME.—For about 4,000 cubic yards dredging in channel at head of Swan Island; and for the removal of about 100 cubic yards sunken ledge and boulders from channel at Richmond and Gardiner.

IV.—PORTLAND HARBOR AND SAGIE BAY, ME.—For extending stone breakwater about 100 lineal feet to completion of same; and or about 30,000 cubic yards dredging in channel of Sagie Bay.

V.—RICHMOND ISLAND, ME.—For furnishing about 12,000 tons stone for a breakwater.

VI.—COCHECO RIVER WITHIN THE TOWN OF DOVER, NEW HAMPSHIRE.—For removal of about 1,400 cubic yards sunken ledge, at the "Falls" or "Upper Narrows."

VII.—GLOUCESTER HARBOR, MASSACHUSETTS.—For removing about 600 cubic yards sunken ledge and boulders.

VIII.—NEWPORT HARBOR, MASS.—For about 2,000 cubic yards dredging on the "Upper Middle Bar;" also for extending the granite sea-wall on Point Alterton about 120 lineal feet, and that on Long Island 11 and about 75 linear feet.

IX.—WELLFLEET HARBOR, MASS.—For removing about 300 cubic yards sunken rocks from channel.

Persons desiring to make proposals for any of the above works are required to apply to the undersigned, or his office in Morgan Block, Congress street, Portland, Maine, or at No. 3 Bulfinch street, Boston, Mass., for specifications and further information concerning the same.

Proposals must be made separately for each work as required by the specifications, and be accompanied by bond, Kansas, Fayetteville, Arkansas, and Fort Gibson, Indian Territory, and for one and one half story frame or brick Lodge at Fort Leavenworth, Kansas, Springfield, Missouri, and at Fayetteville, Arkansas, Government, in accordance with plans and specifications which have been prepared by the Quartermaster General, and which can be obtained by persons intending to bid, at this office, from the Superintending Quartermaster at Fort Scott, Kansas, and Fayetteville, Arkansas, and the Post Quartermaster at Fort Gibson.

The proposals must include all extra work necessary, such as temporary foundation, &c., to avoid the necessities of bills for extra work.

Bids are to be made separately for each lodge and fence or wall, and must be accompanied by the guarantee of two persons of known responsibility, that the bidder will enter into a contract, if awarded to him, and furnish proper security.

Bidders must be present personally, or by a representative, at the opening of the bids.

PROPOSALS.

ENGINEER'S OFFICE, 1328 L. H. DISTRICT, DETROIT, MICH., July 15, 1872.

Proposals will be received at this office until 3 p. m. on TUESDAY, the 13th day of August, 1872, for the erection of a dwelling, Light House, and Fog Signal Station, on Lighthouse Point, with covered way, connecting them, of brick and iron, together with outhouses, etc., at Grosse Point (Evanston), Ill. All bidders will be required to accompany their proposals with a certified check, payable to the undersigned, either in person or by mail.

O. M. POE, Major of Engineers, Brt. Brig. Gen., U. S. A., Engineer 11th L. H. District. jy17

PROPOSALS FOR IMPROVEMENT OF THE HARBOR AT OGDENSBURG, N. Y.

U. S. ENGINEER OFFICE, OGDENSBURG, N. Y., July 1, 1872.

Sealed proposals will be received at this office until 12 m., SATURDAY, August 10, 1872, for labor and material for constructing two hundred and forty (240) lineal feet, more or less, of Pier at Ogdensburg, N. Y.

There will be required about one hundred and fifty-two thousand (152,000) feet board measure, of timber, two thousand (2,000) feet board measure, of hemlock timber and plank; seventy-three thousand (73,000) feet board measure, of pine timber and plank; one hundred and twenty (120) perches of stone; forty-four (44) feet of oak sawhorse posts, and the necessary labor for constructing the pier.

Forms and specifications can be obtained at this office.

JOHN M. WILSON, jy11 Major of Engineers, U. S. Army.

PROPOSALS FOR CAST-IRON WORK.

OFFICE OF THE SUPERVISING ARCHITECT, TREASURY DEPARTMENT, WASHINGTON, D. C., July 15, 1872.

Sealed proposals will be received at this office until 12 m. August 5, 1872, for furnishing, filling, and delivering the Cast-iron Columns and Pilasters required for the first story, second, and third stories of the interior of the new Post Office, New York, and New Department building at Washington, D. C.

Duplicate drawings, specifications, and schedule may be had on application at this office.

Payments will be made on the delivery and acceptance of the work, deducting ten per cent. until the completion of the contract.

Proposals will be accompanied by a penal bond in the sum of five thousand dollars ($5,000) that the bidder will accept and perform the contract if awarded to him; the sufficiency of the security to be certified by the United States judge, clerk of the United States court, or district attorney of the district wherein the bid is made.

The Department reserves the right to reject any or all bids, if it be deemed for the interest of the Government to do so; and any bid that is not made on the printed form, to be obtained in this office, and does not conform in every respect to the requirements of this advertisement, will not be considered; neither will any proposals be received from parties who are not themselves engaged in the manufacture of wrought or cast-iron work, and who have not the necessary facilities for carrying out the work.

All bids must be inclosed in a sealed envelope and indorsed "Proposals for Iron-work," and addressed to

J. B. WILSON, jy18-1w A. B. MULLETT, Supervising Architect.

PROPOSALS FOR WHITE PINE DECKING.

NAVY PAYMASTER'S OFFICE, WASHINGTON, D. C., July 16, 1872.

Sealed proposals, to be indorsed "Proposals," will be received at this office until 12 M., on TUESDAY, July, 1872, for the below-described White Pine Decking, to be delivered free of expense at the Washington Navy Yard, subject to the inspection of the Chief of BUREAU OF CONSTRUCTION AND REPAIR.

30,000 feet, board measure, White Pine Decking, 4 by 10 inches.

6,000 feet, board measure, White Pine Decking, 3 by 3 inches.

The above decking to average not less than (35) twenty-five feet in length, and to be of the best quality to be sawed full and full to the stated sizes; to be well seasoned, and free from worm-eaten, shake, knotty, rotten, or sapy timber, and to be delivered in the yard at the rate of thirty days.

Bids will be opened in their bids the time in which the decking will be delivered. Responsible security will be required for prompt and faithful delivery of the decking, and for time to be had at this office.

The right is reserved to reject any and all bids not considered advantageous to the Government.

W. W. BACON, Chief of Bureau, U. S. N. jy17-2t

PROPOSALS FOR WROUGHT IRON WORK.

POST OFFICE DEPARTMENT, OFFICE OF SUPERINTENDING SUPERVISING ARCHITECT, BOSTON, MASS., OFFICE OF SUPERINTENDENT, July 15, 1872.

Sealed proposals will be received at the office of the Superintendent until 12 m., July 30, 1872, for furnishing, delivering, fitting and putting in place the wrought and cast-iron work as substituted for the stairs, as specified in the specifications and called for in the schedules, consisting of the ornamental iron work for the three stairs and ventilation shafts, and stairs from basement to first floor; two staircases from first to second floor; two staircases from second to third floor; the fifth of stairs on third floor; stair from attic floor to roof; door and window frames, finishings, &c.; ceiling of banking-room, and the Post Office counter, &c.

Copies of the drawings, specifications and schedule may be had on application at this office.

All bids required by the subcontractors to put the work in place will be furnished by the Government free of charge, but will be erected by the contractors.

Proposals will be made for the piece, lineal foot, or weight, for the various items of work, as called for in the schedule. The work will not be subdivided among different bidders, but will be considered in the aggregate.

Payments will be made monthly, deducting ten per cent. until the final completion of the contract.

All bids must be accompanied by a penal bond, in the sum of five thousand dollars, ($5,000,) that the bidder will accept and perform the contract if awarded him, the sufficiency of the security to be certified by the United States judge, clerk of the United States court, or District Attorney of the district wherein he resides.

The Department reserves the right to reject any or all bids, if it be deemed for the interest of the Government to do so; and any bid that is not made on the printed form, to be obtained in this office, and does not conform in every respect with the requirements of this advertisement, will not be considered; neither will any proposals be received from parties who are not themselves engaged in the manufacture of wrought or cast-iron work, and who have not the necessary facilities for carrying out the work.

All bids must be inclosed in a sealed envelope and indorsed "Proposals for Iron-work," and addressed to

ORIDLEY J. F. BRYANT, jy17 Superintendent.

PROPOSALS FOR WALLS.
