Coal in London—Heavy Rifle Contract—The New Market Meeting.

LONDON, Oct. 8.—The price of coal has again advanced. The mining companies of Belgium are not able to execute the orders they have received to send coal to this country in consequence of the scarcity of miners of that country.

A firm in Birmingham has made a contract with the Prussian Government to furnish 150,000 rifles, improved pattern.

By the accidental flooding of a coal mine near Wrexham, Wales, 800 miners have been thrown out of employment.

QUEENSTOWN, Oct. 8.—The steamship Franklin, from Stettin for New York, which put into this port with her machinery disabled, sailed yesterday for her destination, the necessary repairs having been made.
