Baltimore Markets.

BALTIMORE, December 30.—Breadstuffs.—Flour.—The market for Flour to-day was quiet, with fair receipts, and we are without transactions to report, but the general character of the market is unchanged, and we quote the following: Wheat.—The receipts of Southern grain are almost entirely suspended, and without an accumulated stock the markets are comparatively quiet, but the feeling is firm and prices are fully maintained. Wheat.—The only sales reported to-day were about 800 bushels fair Southern red at 1860@90 cents, and we quote choice white and amber nominal at 92@95 cents, although no sales have been reported at the outside figures. Corn.—The receipts to-day were confined to 2,800 bushels, Western by railroad, and we are without transactions in Southern to report, but upon advice to prime white and yellow at 60@61 cents. Of Western the sales were 400 bushels No. 2 yellow at 59 cents, and 1,200 bushels sound, on track, at 61@62½ cents. Mixed in Elevator is a shade firmer, with little offering, and we note held at 60 cents. Oats.—The offerings of Western Oats were more liberal, amounting to about 8,000 bushels, and the market was dull and about steady. We note sales of 700 bushels Scotch, in small lots, at 50@52 cents. Rye bushels bright mixed Western at 46 cents and 1,000 do. dark do. at 44 cents.

Rye.—There were no sales Rye reported. We quote at 80@90 cents, as to quality.

Provisions.—The market for Provisions is quiet, and we learn of no transactions since our last report. We note, however, a rather better feeling, and the indications are that the downward tendency of prices has received a check. We continue to quote Bulk Meat Shoulders at 6¾@7 cents, rib sides at 5¾@5¾ cents and clear rib sides, at 6¼@6¾ cents, the outside figure for cured lots. The demand for Bacon is light, and is confined to jobbing lots, which we quote at 11¾ cents for shoulders, 13¾@14 cents for rib sides, 8 cents for clear rib do. and at 14@15 cents for Hams. There is some inquiry for Lard for forward delivery, but we hear of no transactions. The feeling is somewhat improved, and we quote prime Western steam on the spot at 9¾@9¾ cents. Refined Lard is dull, and we quote at 9¾@9¾ cents for tierces, 10 cents for kegs, and 10¼@10½ cents for tubs, but little inquiry for the latter. We quote at 9¾@9¾ per lb. by the car loads to refiners, and family Pork at $26@28 in small lots, latter for choice high grade.

Sugars.—We quote prices to-day as follows: Cuba and Porto Rico fair to good refining, 8@8¾ cents; Demerara centrifugal, 9@9¾ cents; Cuba centrifugal, Porto Rico, 9 cents; do. boxes, No. 12, 9¾@9¾ cents; Porto Rico grocery 9¾@10¼ cents; Demerara vacuum pan, 10@11 cents; and New Orleans at 9¾@10 cents.

Refined Sugars.—Prices are without change, and we quote Hard at 12¾@13¾ cents for crushed, powdered and granulated, and softs on a basis of 12 cents for A white.

Whisky.—The market for High Wines is firmer, and we note a sale to-day of 80 bbls. Western at 90½ cents, an advance ½ cent.

BALM OF LIFE.
780 TENTH STREET NORTHWEST,
WASHINGTON, D. C., November 8, 1872.
PROF. COOK—*Dear Sir:* For a long time I was a great sufferer from dyspepsia. My flesh had very much diminished, and I was almost prostrated. Every remedy failed to give relief until your BALM OF LIFE was tried. I took, internally, about a tablespoonful before breakfast, the same amount about fifteen minutes after dinner, and when retiring at night. I bathed my head, face, neck and chest with it morning and evening. Soon I began to feel better; color began to appear in my face and lips; my appetite and flesh began to return; my strength and cheerfulness were restored, and now, after using this surprising remedy for about three months, I am cured, and have a good appetite, while my strength and healthy appearance are truly wonderful.
I am very grateful for the directions you gave for the use of your BALM OF LIFE, and I feel glad that others may follow my experience with success. I am, gratefully yours, BENA M. SIMMS.
WASHINGTON, D. C., December 19, 1871.
PROF. T. A. COOK—*My Best of Friends:* I say best of friends, because I believe I owe my health, and perhaps my life, to you, through the use of your invaluable BALM OF LIFE.
November 5, 1870, I gave you a statement of having been cured of dyspepsia by your wonderful preparation, which I now use as a general toilet article, as well as for any incidental ills or severe attacks on my health, in which it has always proved a speedy relief: suffice to say, I can fully appreciate the wonders this clear and harmless solution accomplishes. In fact, it is everything in the way of warding off ailments of all sorts, to which most all are liable.
I still remain cured of dyspepsia, which was of so long standing, so severe that for ten days immediately preceding the use of the BALM I was confined to subsist on the tablespoonful of milk and one soda cracker per day.
Always your grateful friend, BENA M. SIMMS.
Miss Bena is my daughter. I had despaired of her recovery. She had the best of treatment, but the disease had become chronic, and resisted the best skill of the medical profession.
The BALM OF LIFE cured her, and it is used in my family in manifold ways and for various purposes.
Asthma has afflicted me for many years; the BALM OF LIFE has done me more good than any thing else tried. Too much cannot be said in its praise; every family should be provided with it.
With very kind consideration, I remain, yours, gratefully yours, MRS. SIMMS.
I am Miss Bena's sister, and I cannot express my joy for her recovery and robust health, which she owes to the BALM OF LIFE. I look for being restored from a low condition of flesh and general bad health to strength, flesh, renewed health and vigor, all due alone to the free use of his BALM OF LIFE, which is so clean, harmless and charming, however used.
I must always very kindly remember Prof. Cook. NETTIE SIMMS.
WASHINGTON, D. C., July 1, 1871.
PROF. T. A. COOK—*Dear Sir:* About a year ago I was troubled with dyspepsia to such a degree as to be unable to partake of animal food or any description without feeling perfectly miserable. In fact, I could enjoy nothing I ate.
I was induced to try your BALM OF LIFE, and I can truthfully assert that it acted like magic. I have used it, as directed, about six months, and can now eat and enjoy any and all kinds of food without unpleasant results.
I cheerfully make this statement, entertaining the hope that others may be benefited by my experience. MRS. ALFRED CLOUGHLY, 487 L street.
Dyspepsia of Seven Years Cured by the BALM.
WASHINGTON, D. C., November 20, 1871.
PROF. T. A. COOK: I have had dyspepsia for many years. Having been treated by several physicians and tested as many remedies without help or relief, I had given up hope of ever being cured. Your BALM OF LIFE was recommended, but I had no faith, for I had suffered seven years with this terrible disease without anything benefiting me. I took it for two weeks at a time without anything passing my lips but gumarabic water. I suffered so much I could not eat, and, as a last resort, tried your BALM. The first half spoonful benefited me. In less than a month I was feeling well, and at this date have no symptoms of dyspepsia. I cheerfully write this, hoping it may benefit others. You can publish it if you choose. MRS. C. GILLMAN,
