Baltimore Markets.

BALTIMORE, July 7. — Breadstuffs — Flour. — There is no change to note in the Flour market, and there is no movement of importance reported. The demand is still limited to the wants of the local trade, and the sales to-day were only 100 bbls. Western Extra at $5.50; 250 do. Extra at $5.62½; 150 do. do. at $5.75, and 325 do. Family at $6.50@6.62½.

Wheat.—The market for Wheat is quiet and generally unchanged. The receipts are still confined to about 1,000 bushels new, all of which was sold as follows: 400 bushels very choice Amber at $1.45; 400 do. at $1.42@1.43; 200 bushels good to common at $1.40@1.38, and 200 bushels prime to choice at $1.40. For winter wheat there is nothing offering, and there was no business to-day. The sales of Western to arrive were 30,000 bushels spring. The sales of Western on winter number at $1.38@1.40, and 60 [illegible]

Corn.—There was no receipts of Southern Corn to-day, and we quote white in active demand, and the [illegible] at 86 cents and yellow at 86 cents. The receipts of Western reached 71,000 bushels, and [illegible] for mixed in Elevator may be written [illegible] with 50 cents ready bid and 50 cents asked. The sales reported were 1,200 bushels mixed at 51 cents on track and 52 cents delivered; 4,000 bushels mixed at 52 cents; 800 do. yellow at 60 cents, and 1,600 do. rejected at 48@50 cents.

Oats.—Are in active demand, and prices are tending upward still. The sales to-day were 3,000 bushels mixed, Western at 39@40 cents, 2,000 do. bright do. at 40@41 cents, and a small lot Southern at 50 cents.

Rye.—Only 100 bushels were received to-day and no sales are reported on Change. We quote fair to prime at 70@75 cents.

Cotton.—There is no movement in Cotton reported to-day, and we note the market opening quiet, both here and in New York, with the feeling rather heavy. The stock here is mainly composed of the lower grades, which are very dull. We quote prices today as follows, viz: Middling at 20¾ cents; low middling, 19¾@19¾ cents; good ordinary 18¾@17 cents, and ordinary at 16¼@16 cents.

Provisions.—The improvement in the Provision market before noted continues, and the tendency of prices is still upward. There is no Bulk Meat offering, and today we quote nominally 4¾@5¼ cents for shoulders and at 8¾@9 cents for sides or ribs. Bacon is only in moderate supply, and we learn of sales to-day of 80 hhds., cash, at 6¼ cents for shoulders and 10¼ cents for sides. Lard is firm and quite jobbing, lots at 9 cents for shoulders, 9¾ cents for rib sides, and 10¼ cents for clear rib sides. Lard is still dull at 8¾@9 cents for prime to western steam, and Mess Pork at $16 50@$17 per bbl.

Sugars.—The market for raw sugar is singish, and we hear of little inquiry, either from the trade or refiners, the latter seeming determined to carry no more stock than their daily wants require. Importers do not press their stock, relying on the small visible supply for a more active trade later in the season. To-day we are without transactions to advise, and quote prices as follows, viz: Cuba and Porto Rico good to fair refining, 7¾@8 cents; English Island do., 7¾@7¾ cents; Martinique do., 7¾@7¾ cents; Cuba Centrifugal, 8¾@9¼ cents boxes No. 12 [illegible] cents; Porto Rico grocery [illegible] cents; Demerara vacuum pan at 9¾@10 cents, and Brazil at 7¾@8 cents. The receipts continue free, and since our last are 1,500 hhds. and 500 boxes from Cuba, of which 1 hhds. were on refiners account and 600 hhds. from Trinidad. Stock here, 31,117 hhds., 8,931 boxes and 8,200 bags.

Whisky.—We learn of sales to-day of 100 bbls. Western High Wines at 92 cents, and note the market steady at that price, with a moderate supply.
