THE MARKETS.

Baltimore Markets.

BALTIMORE, September 10. Breadstuffs.—Flour.—The market for flour continues firm, with good demand for export, and fresh local trade. We understand a sale has been made of a part of a cargo of City Mills Extra for shipment to Brazil, and the transactions reported are: Thanks amount to 1,000 bbls Western, as follows: 200 bbls. Fine at $4.50; 100 do. Super at $5; 500 do. common Extra at $5@5.25; 50 do. choice do. at 7.25; 50 do. fair to good Family at $7.50@8.50, and 100 do. choice to fancy do. at $8@8.75.

Wheat.—The receipts of Southern Wheat to day amounted to 15 00 bushels, and we note the market fairly active and firm at full prices, with sales of ten bushels of prime white at $1.05@1.07; 7,000 do. amber at $1.05@1.14; 4,000 do. good to prime red at $1.10@1.16, and 1,500 do. inferior to fair at $1@1.08.

Corn.—The market for Corn is active and firm, with prices somewhat higher all round. The receipts of Southern are light, being only 20 bushels, which was sold at 68 cents for yellow and 65 cents for white.

Oats.—Are in active demand, and prices are still on the upward tendency. Sales of prime white in bulk Southern at 46@47 cents for damaged and mixing, ranging down to 43@44 cents for common to prime; 1,000 do. inferior mixed Western at 43 cents, and 1,000 do. bright at 47½ cents.

Rye.—Is active and firm, the demand principally for export. Sales to-day include good to prime Maryland at 90@92 cents, and 400 do. No. 1 Western at 93 cents.

Cotton.—We quote prices to-day as follows, Middling nominal, at 20@21 cents; low middling 19@19½ cents; good ordinary 18@18½ cents; good ordinary 17@17½ cents, and ordinary to strict do. at 15@16 cents. The receipts at all ports yesterday were 1,131 bales, making so far this week 6,791 against 7,000 last week, 5,000 the same day last week, and 11,87 bales the corresponding week last year. The stock at all ports is 38,344 bales.

Provisions.—We are still without movement in Bulk Meat to report, but note the market firm. There is little offering here, and should dealers carry light stock at the present season there is more disposition to buy it an to sell. We quote shoulders at 6½@6¾ cents, and clear sides at 7@7½ cents, held firmly at the outside figures. Bacon is also firmer, and although not active, is in fair jobbing demand. We quote Hams, Sugar-cured and Smoked, at 12@13 cents, and sides at 11 cents. Hams are in limited supply, and we quote steady at 14@15 cents for Cured and Smoked Hams, and we still quote prime Western steam at 8½@8¾ cents. New York is also dull, but the price is firm at 11.75@12 per bbl.

Refined Sugars.—Are in less active demand, and we quote the market steady at our quotations. We quote Hards at 11½@11¾ cents for Crushed, Powdered and Granulated, and Softs on a basis of 10@10½ cents for A white. Owing to the small stock of every grade of raw we note yellows in active demand and very scarce. We quote ranging from 7½ @8½ cents.

Whisky.—The market for High Wines is firmer, and prices have advanced 2@3 cents per gallon. We learn of considerable sales at 90@92 cents, and note new held at $1, with small stock offering.

INVESTMENT BONDS.
The Northern Pacific Railroad Company having determined to close its 7-30 First Mortgage Gold Loan at an aggregate not exceeding thirty million dollars, and thereafter to pay no higher rate of interest than six per cent. on further issues of its bonds, the limited remainder of the 7-30 loan is now being disposed of through the usual agencies.
As the bonds of this issue are made receivable in payment of the Company's lands at 110, they are in constant and increasing demand for this purpose, and will continue to be after the loan is closed—a fact which much enhances their value and attractiveness as an investment.
The Company has more than 800 miles of its road built and in operation, including the entire Eastern Division, connecting Lake Superior and the navigation of the Missouri river; it has earned title to nearly Ten Million Acres of its Land Grant, and sales of lands have thus far averaged $4.86 per acre.
All marketable securities are received in exchange for Northern Pacific.
